

# CURRICULUM VITAE

## OPPENHEIM, WILLIAM LAWRENCE

### CURRENT RESIDENCE

Marina Del Rey, California

### BORN

Bangor, Maine

### MARRIED

1982

### EDUCATIONAL BACKGROUND

Bachelor of Science, University of Maryland, College Park, Maryland,  
Chemistry, High Honors, 1966

Doctor of Medicine, Georgetown University Medical School, Washington,  
D.C., Magna cum Laude, 1970

Internship, San Francisco General Hospital, San Francisco, California,  
1971

Resident in Orthopedic Surgery, University of Washington, Seattle,  
Washington, 1974-1976

Girdlestone Fellow, Nuffield Orthopaedic Centre, Oxford, England, 1977-8

Acting Instructor and Chief Resident, Department of Orthopedics,  
University of Washington, Seattle, Washington, 1977-1978

Fellow in Pediatric Orthopedics, Los Angeles Orthopedic Hospital, Los  
Angeles, California, 1978-1979

### MILITARY

Flight Surgeon, U.S. Air Force, Lackland Air Force Base, Texas, 1971-  
1972

Pentagon, Washington, D.C., 1972-1973

### ACADEMIC APPOINTMENTS

Professor and Head, Division of Children's Orthopedics, University of  
California at Los Angeles, 1992 - present.

Margaret Holden Jones Kanaar Endowed Chair, Cerebral Palsy  
Director, UCLA Center for Cerebral Palsy, 1992- present.

Director, Orthopedic Center Outpatient Clinics 1990-1998

Director, UCLA Center for Cerebral Palsy

Vice President, Los Angeles Orthopaedic Hospital, Los Angeles 2007-present

Associate Professor, Division of Orthopedics, University of California at Los Angeles, 1986 - 1992

Assistant Professor, Division of Orthopedics, University of California at Los Angeles, 1979 - 1986

Consultant Surgeon, Shriners' Hospital for Crippled Children, Los Angeles, California, 1982- present

Consultant, Cedars Sinai Medical Center, Beverly Hills, California. Head of Skeletal Dysplasia and Achondroplastic Leg Lengthening Clinic.

### **AWARDS AND HONORS**

University of Maryland:

Phi Eta Sigma (National Freshman Honorary)

Certificate of Distinguished Scholarship

Phi Kappa Phi (National Honorary)

Graduated with High Honors

Georgetown Medical School:

Participant in Pharmacology Honors Program

Public Health Service Fellowship, 1968

Georgetown Merit Scholarship

Phi Delta Epsilon Outstanding Student Award

Certificate of Distinguished Performance

Obstetrics and Gynecology

Alpha Omega Alpha Honorary

Borden Award for Outstanding Research

Magma Cum Laude

Postgraduate:

Girdlestone Scholar, Nuffield Orthopaedic Centre, Oxford England, 1976-1977

North American Traveling Fellow, American Orthopaedic Association, May 1-31, 1979

Bay Surgical Society, 1989

American Orthopedic Association, 1989

Resident Award Paper, American Academy Pediatrics, 1990, The Force of Physeal Growth

Resident Award Paper, American Academy of Pediatrics, 1993.  
Measurement Error in Spondylolisthesis

Resident Award Paper, American Academy of Pediatrics, 1997.  
The Normal Post Operative Febrile Response in Pediatric  
Orthopedics

Resident Award Paper, American Academy of Pediatrics, 1999.  
The MODEMS Scale versus the Gross Motor Function Measure as  
an Outcome Measure in Cerebral Palsy

White Swan Award, Cerebral Palsy, Abilities First Foundation,  
Beverly Hills, 2000.

Named to The Best Doctors in America, 1999, 2004, 2007—2012.  
[www.bestdoctors.com](http://www.bestdoctors.com) Boston, MA

Endowed Chair, Margaret Holden Jones Kanaar Chair in Cerebral  
Palsy, 2004.

Who's Who in America, 2009, 2010 Edition, Marquis Who's Who in  
America, Providence, NJ.

America's Top Orthopedists, 2009, Consumer's Research Council  
of America, Washington, DC

America's Top Doctors, 2009, 2010, Castle Connolly, Boca Raton,  
FL.

Southern California Super Doctors, 2010, Key Professional Media,  
Inc.,

Marquis Who's Who in the World, 2011 (28th Edition). 890  
Mountain Ave. Suite 300, New Providence, NJ 07974.

Southern California Super Doctors, 2011, Key Professional Media,  
Inc., as presented in Los Angeles Magazine, January 2011

## **INVITED VISITING LECTURESHIPS**

Guest Professor, American Academy of Pediatrics, 2nd Annual  
Symposium on Diseases of Children, Disneyland, California. Pitfalls of  
Pediatric Office Orthopedics. Symposium on Sports Medicine. July 5,  
1984.

Visiting Professor, Orange County Pediatric Society--Advances in  
Pediatrics. Anaheim, Ca. Angular Deformities of Children. Foot  
Deformities in Children. October 18-20, 1986.

Guest Professor, DIF Symposium on Children's Orthopedics. Monterrey,  
Mexico. The Chiari Osteotomy, Closed Femoral Shortening. September  
15-17, 1988.

Guest Professor, Children's Teaching Hospital, Brno, Czechoslovakia, Leg  
Length Problems in Children, September 1-2, 1988.

Guest Professor, The Dupont Institute, Wilmington, Delaware. Leg Length Discrepancy, The Rhizotomy Procedure. November 17-19, 1988.

Guest Professor, Schneider Children's Hospital, Long Island Jewish Medical Center, New Hyde Park, New York. November 21, 1988. Orthopedic Management of Renal Osteodystrophy, Selective Posterior Rhizotomy

Guest Professor, Osgood Day, Massachusetts General Hospital, Boston, Mass. The Future: Rhizotomy and Other Modalities for Cerebral Palsy. May 29, 1989.

Guest Professor, Leg Length Discrepancy, The Nuffield Orthopaedic Center, Oxford, England, June 12-14, 1989.

Guest Professor, Children's Hospital, Cincinnati, OH, February 20-23, 1991. Congenital Malformations of the Lower Extremities. Selective Posterior Rhizotomy and its Relation to Orthopedic Surgery in Cerebral Palsy.

Guest Professor, National Defense Medical Center, Tri Service General Hospital, Taipei, Taiwan, June 15-July 10, 1991. Formal presentations included Evaluation and Treatment of Leg Length Discrepancy, Congenital Hip Dysplasia, Club Feet, Congenital Lower Extremity Malformations, Pediatric Fractures, Legg Perthes Disease, and Infections in Pediatric Orthopedics. Guest Consultant at four additional hospitals in Taipei.

Guest Professor, Mexican Orthopedic Society, Mexico City, November 7-9, 1991. Orthopedic Aspects of Renal Osteodystrophy, Angular and Torsional Defects of the Lower Extremities, Treatment of Spastic Cerebral Palsy, Proximal Femoral Focal Deficiency, Congenital Malformations of the Lower Extremities.

Guest Professor, Spokane Shriners' Hospital Norman R. Brown Lectureship, October 25 -- 27, 1992. Leg Lengthening in Achondroplasia, Elbow Fractures in Children, Congenital Malformations of the Lower Extremity.

Guest Professor, American Academy of Pediatrics, Current Advances in Pediatrics, Pan Pacific Hotel, Anaheim, CA. November 6-8, 1992. Developmental Dysplasia of the Hip, Growth and Development From the Orthopedic Standpoint, Congenital Malformations of the Lower Extremities.

Guest Professor, International Symposium on Cerebral Palsy, Heidelberg, W. Germany, November, 1992.

Guest Professor, International Symposium on Children's Orthopedics. Taipei, Taiwan Republic of China, March 30- April 5, 1993.

Guest Professor, XII Annual Conference North Zone I.O.A. Post Graduate Institute of Medical Education and Research, Chandigarh, Punjab, India, March 25-27, 1994. The Treatment of Proximal Femoral Focal Deficiency, The treatment of Leg Length Discrepancy.

Guest Professor, XXII Congreso Nacional de Ortopedia, Sociedad Mexicana de Ortopedia, May 1-7, 1994, Mexico City. Selective Posterior

Rhizotomy, Current Indications and Late Results. Selective Posterior Rhizotomy; Evolution of the Technique and The Decision between Neurosurgery and Orthopedic Surgery.

Guest Professor, National Children's Hospital and Medical Center, and Georgetown University Hospital, November 3, 1995. Leg Length Discrepancy.

Visiting Professor, Denver Children's Hospital, April 18, 19, 1996. Achondroplastic Leg Lengthening, Proximal Femoral Focal Deficiency and the Van Nes Procedure.

Guest Professor, Morelia, Mexico, Mexican Orthopedic Society, May 1-5, 1997. Update on Rhizotomy. The management of Spasticity and Timing of Lower Extremity Surgery in Cerebral Palsy.

Guest Professor, Chiba, Japan, Achondroplasia, an Orthopedic Perspective, Japanese Skeletal Dysplasia Society, November 27, 2000.

Guest Professor, University of Virginia, Complimentary and Alternative Methods in Cerebral Palsy, Annual Cerebral Palsy Conference, December 5-7, 2002. Charlottesville,, Va.

Guest Professor, Instituto Nuevo Leon Amanecer, October 9-12, 2003, Monterrey, Mexico

Guest Professor, Mexican Pediatric Orthopedic Society, September 15-18, 2004, Ixtapa Zihuatanejo, Mexico.

Guest Professor, 1st International Conference on Cerebral Palsy, Instituto Nacional De Rehabilitacion Servicio De Ortopedia Pediatrica September 22-25, 2005, Mexico City, Mexico.

Guest Professor, Mexican National Orthopedic Society, November 17-20, 2005, Mazatlan, Mexico

Guest Professor, 2<sup>nd</sup> International Congress of Cerebral Palsy and Developmental Disorders. Spastic Children's Foundation of Turkey, November 2-4, 2007, Istanbul, Turkey

Guest Professor, Prince of Wales Hospital, Hong Kong, June 21-23, 2010, Hong Kong. Pediatric Orthopaedic Society of North America Travelling Fellowship.

Guest Professor, Ho Chi Min City Orthopaedic Conference in Association with Viet Nam Pediatric Orthopaedic Society, June 23-26, 2010. POSNA Travelling Fellowship—Cerebral Palsy Course

Guest Professor, Pediatric Orthopaedic Society of India 2011 Congress (POSICON), February 10-13, 2011

## **PUBLIC AND COMMUNITY SERVICE**

Attending Orthopedist, Valley Orthopedic Clinic, Calexico, California, (Large indigent children's' clinic serving Mexicali, Tijuana, and northern Mexico) 1978 -- 1990

Attending Orthopedist, Glendale School for the Developmentally Disabled, Glendale, California, 1979-1983

Attending Orthopedist, McBride School (Cerebral Palsy School), Culver City, California, 1983 -- 1986

Consultant Orthopedist, Suspected Child Abuse and Neglect, U.C.L.A. Medical Center, 1979 -- present

Panel Physician, Los Angeles Crippled Children's Services, 1979 -- present.

Consultant, St. Johns' Hospital, Santa Monica, California, 1977 -- present

Chief, Skeletal Dysplasia Clinic, Cedars Sinai Hospital, Beverly Hills, California, 1988 -- 1996

Board of Directors, Silver Strand Homeowners Association, 1990, 1991.

Board of Directors, Society for the Prevention of Cruelty to Animals, 1990-1999. Vice Chairman, 1992, 1993, Honorary Board 2000-present

Temple Beth Shir Shalom, Board of Directors, 1999-present

Board of Directors, Jones Kanaar Cerebral Palsy Foundation, Pacific Palisades, CA, 2000-present

Medical Advisory Committee, United Cerebral Palsy, [www.mychildwithoutlimits.org](http://www.mychildwithoutlimits.org). 2007-present  
(<http://www.mychildwithoutlimits.org/?page=medical-advisory-committee>)

Board of Directors, Concord High School, Santa Monica, CA 2010-2011

## **MEMBERSHIPS**

American Academy of Cerebral Palsy and Developmental Medicine

American Academy of Orthopedic Surgeons

American Academy of Pediatrics, Section on Orthopedics

Pediatric Orthopedic Society

American Medical Association

Bay Surgical Society

California Professional Society on the Abuse of Children

Girdlestone Society

International Society for Prosthetics and Orthotics

International Society for Child Abuse

Los Angeles County Medical Association

Rocky Mountain Traumatological Society

Western Orthopedic Association

## **LICENSURE AND CERTIFICATION**

California, 1970-present  
American Board of Orthopedic Surgery, 1980  
Recertified, 1993

## **COMMITTEE ASSIGNMENTS**

### U.C.L.A. Medical Center: Committees

UCLA Disaster Committee 1982-84  
Audit Committee, Department of Surgery 1990-92  
PPO Contracting Committee  
Ambulatory Care Committee  
Tissue Committee, 1990-92  
Medical Staff (Elected Member at Large, Full Time Faculty)  
Medical Staff Executive Committee 1992-93. (Elected)  
Medical Staff Credentials Committee 1992-93.  
Hospital Liaison Committee, 1992-93.

### U.C.L.A. University Committees:

Academic Senate Executive Board (Elected Member at Large)  
1996-1998, 1998-2000, 2000-2002, 20003-05, 2005-07  
Medical Faculty Executive Committee (Elected Member at  
Large)1993-96, 2003-2006  
Chair, Faculty Welfare Sub Committee, 2006-2008  
Committee on Committees (Elected) 2007, 2008-2011  
Departmental Representative, Academic Senate, 1991-98  
Council on Planning and Budget, 1991-94.  
Dean's Committee to Establish a University Based PPO  
Chairman's Committee Department of Surgery, Nobleness of  
Purpose  
Child Abuse Committee  
Pediatric Multidisciplinary Committee  
UCLA Santa Monica Hospital Alliance Committee, 1998-Present

### Rocky Mountain Trauma Society:

Membership Committee, 1985  
Membership Committee, 1987

### American Academy of Orthopedic Surgeons:

Committee on Examinations, Pediatric Section, 1989-93

Co-Chairman, Local Program Committee, 1991

Committee on Pediatric Orthopedics, 1992-98

American Orthopedic Association

Member Zimmer Awards Committee, 1990

Member AOA Travelling Fellows Committee, 1991

Organizer of 1992 AOA Travelling Fellows West Coast Tour, 1992

Chairman, AOA Travelling Fellows Committee, 1993

Los Angeles Chapter, Western Orthopedic Association:

Program Chairman, 1987

Member at Large, Board of Directors, 1988

Program Chairman, 1990

2nd Vice President, 1991

President, 1992-1993.

Pediatric Orthopedic Society.

Chairman, Ad Hoc Committee on Selective Rhizotomy, 1988.

Treasurer's Committee (Elected National Office), 1988, 1989.

Membership Committee (Elected National Office), 1989-1994.  
Chairman, 1993

Committee on Nomenclature 1995—1998 (Chair)

Website Committee, 1998-1999

Committee on the Enhancement of Electronic Communications,  
2000

Treasurer's Committee (Elected National Office), 2001

Webmaster, BOD, Ex officio, 2005, 2006. [WWW.POSNA.ORG](http://WWW.POSNA.ORG)

American Academy for Cerebral Palsy

1988 Program Committee

Moderator, Symposium on Rhizotomy, 1989

Long Range Planning Committee, 1990

Chairman, Long Range Planning Committee, 1994

Chairman, Committee on Internet Access, 1995

Secretary Elect, 1996

Secretary, 1997-2000

Executive Board, Finance Committee, Website Committee

Webmaster, AACPD On Line 1997--2007  
([WWW.AACPDM.ORG](http://WWW.AACPDM.ORG))

Board of Directors, 2000--present  
Local Host, Long Beach California, 2001  
Elected Member, Nominating Committee, 2003  
Local Host, Los Angeles, 2004  
Executive Vice President 2005  
President, 2006  
Chair Nominating Committee 2007  
Chair, Financial Development Committee, 2008-10

American Academy of Pediatrics.

Committee on Rhizotomy, 1988  
Moderator, Session on Lower Extremity, 1992  
Judge, Resident Award Papers, 1993  
Executive Board, Section on Orthopedic Surgery (Elected), 1997-  
2000, 2000-2003  
Membership Committee Chairman, Orthopedic Section, 1998, 1999

## **MAJOR TEACHING EFFORTS**

Pediatric Orthopedics, 4th Year Student Elective  
Pediatric Orthopedics, Pediatric Residents' Specialty Rotation  
"The Pitfalls of Pediatric Office Orthopedics for the Practitioner", Course  
Chairman, U.C.L.A. Extension Annual Course, 1983, 1984,  
Chairman, "Cerebral Palsy, Perspective for the '80's" American Academy  
of Cerebral Palsy Regional Course, Los Angeles, California, 1984  
Post Doctoral Committee Advisor:

"Gait Studies in the Cat." Eileen Fowler, RPT., Department of  
Kinesiology, 1990.

"Kinetics of a New Below Knee Prosthesis." Timothy Hart,  
Department of Kinesiology, 1991.

"Stiff-Legged Gait in Spastic Paresis: A Study of Quadriceps and  
Hamstring Muscle Activity." D. Casey Kerrigan, M.D., Department  
of Kinesiology. 1992.

Medical Student Preceptor:

Tina Bamson, University of Pittsburg, Summer 1988. Review of  
Childhood Renal Osteodystrophy.

Mark Dauer, New York University, Summer, 1990. Technique of  
Childhood Ankle Disarticulation. Syme Amputation Versus the  
Elizarov Technique for Severe Leg Length Discrepancy

S. Shayestehfar, UCLA, 1991, Lateral Physeal Changes in Renal Osteodystrophy. Management of Osteoid Osteomas.

Raffi Merjanian and Carol Kinakos, UCLA Undergraduate Student Research Program. Postoperative fever in the pediatric orthopedic population. 1997.

Barkha Gurbani, 2006, Summer Student, Cerebral Palsy, Gait Analysis followup of orthopedic procedures, and Calcaneal Lengthening Osteotomy

Chairman, Pediatric Orthopedic Society National Tutorial, Controversies in Cerebral Palsy. December 1-2, 1988. Los Angeles, California.

Chairman, North American Travelling Fellows Visit, UCLA Medical Center, October 5, 1988.

Chairman, Orthopedic Resident Basic Science and Continuing Education Program, 1989-1992.

Chairman, Update on Current Management of Cerebral Palsy, October 7, 1995.

Chairman, The CP Cruise, Los Angeles to Ensenada, Feb 3-6, 1995.

Chairman, The CP Cruise, Los Angeles to Ensenada, March 22-25, 1996.

Chairman, New Horizons in Cerebral Palsy, Los Angeles, March 15, 1997

Chairman, New Horizons in Cerebral Palsy, Los Angeles, March 30, 1998

Chairman, New Horizons in Cerebral Palsy, Anaheim, May 15, 1999, ,

Chairman, Use of the Computer in Medical Writing, Course 157, American Academy of Orthopedic Surgery Annual Meeting, March 15, 2000, 2001, 2003.

Chairman, Mastering Digital Media for the Practicing Orthopedist, American Academy of Orthopedic Surgery Annual Meeting, New Orleans, 2003 -2006.

Chairman, New Horizons in Cerebral Palsy, Anaheim, May 14, 2000.

Moderator, Session on Trauma, Section of Pediatric Orthopedics, American Academy Pediatrics, September, 2003

Chair, Symposium on Spasticity, American Academy of Pediatrics, San Francisco, 2004

Chairman, Margaret Jones Annual Cerebral Palsy Conferences, 2001-2006, UCLA Campus.

Preceptor, Joan Earl Hahn, Phd, RN. I am her preceptor for her Certificated Nursing Practitioner Degree. 2006

Supervisor, Lara Head, EdS. Predoctoral Psychology Intern, Center for Cerebral Palsy

Chair, Advanced Practitioner Workshop, measurement and Classification, International Cerebral Palsy Conference, February 19, 2009, Sydney, Australia

Chair, Advanced Practitioner Workshop, Interventions for Long Term Outcomes: Adults, International Cerebral Palsy Conference, February 20, 2009, Sydney, Australia.

### **EDITORIAL RESPONSIBILITIES**

Consultant Reviewer, Clinical Orthopedics and Related Research, 1970-present.

Consultant Reviewer, Journal of Pediatric Orthopedics, 1970-present.

Consultant Reviewer, Journal of Bone and Joint Surgery, 1989-present.

Board of Advisory Editors, Clinical Orthopedics and Related Research, 1986-present.

Consultant Reviewer, Developmental Medicine and Child Neurology, 2002-present

Consultant Reviewer, Advances in Orthopedic Surgery, 1995-present.

Board of Editors, Journal of Pediatric Orthopedics, 1988-present.

Archives of Physical Medicine and Rehabilitation, 2009

### **EXAMINER**

California Board of Medical Quality Assurance, 1980-1985

American Board of Orthopedic Surgery, Examiner in Pediatric Orthopedics

### **CONSULTANT**

Walt Disney Educational Productions

Motion of Life Series, 1990

Musculoskeletal System, 1993

## GRANTS

*Title:* Aluminum Bone Disease in Children on Dialysis.  
*Sponsor:* Department of Health and Human Services, Public Health Service, DK 35423.  
*Peer Review:* YES  
*Total:* \$ 350,000  
*Period:* 1986-1989  
*Relation:* Co-Investigator

*Title:* Below-Knee Child Amputee Gait: Dynamics of an Energy Storing Prosthesis.  
*Sponsor:* Shriners Hospital Foundation.  
*Peer Review:* YES  
*Total:* \$ 106, 000  
*Period:* 1987-1988  
1988-1989 (Renewal)  
1989-1990 (Renewal)  
*Relation:* Co-Principal Investigator

*Title:* Children's' Cancer Study Group.  
*Sponsor:* National Cancer Institute, CA 27678.  
*Peer Review:* YES  
*Total:* \$ 450,000  
*Period:* 1988-1998  
*Relation:* Co-Investigator, Pediatric Orthopedist

*Title:* Gait Mechanics and Energetics in Proximal Femoral Focal Femoral Deficiency  
*Sponsor:* Shriners' Hospital Foundation.  
*Peer Review:* YES  
*Total:* \$ 104,052  
*Period:* 1991-92  
*Relation:* Co-Investigator, Pediatric Orthopedist

*Title:* Evaluation of a Vibratory Device to Enhance Video Game Interaction  
*Sponsor* Aura Corporation, Torrance, CA.  
*Total* \$12,500  
*Period* 1994  
*Relation* Principal Investigator

*Title:* The Management of Spasticity  
*Sponsor* United Cerebral Palsy, Los Angeles  
*Total* \$15,000  
*Period* 1995  
*Relation* Principal Investigator

*Title:* The Relationship Between Residual Limb Length and Function Following Above and Below Knee Amputations  
*Sponsor* Orthopedic Research and Education Foundation  
*Total* \$62,000  
*Period* 7/11/95 - 7/30/97  
*Relation* Co-Principal Investigator

*Title:* Survey of Adults with Cerebral Palsy  
*Sponsor* California Community Foundation  
*Total* \$62,000  
*Period* 7/11/95 - 7/30/97  
*Relation* Co-Principal Investigator

*Title* Orthopedic Hospital—UCLA Cerebral Palsy Project  
*Total* \$187,000  
*Sponsor* Gunther Foundation, Los Angeles  
*Period* 7/1/99—6/30/2000  
*Relation* Principal Investigator

*Title* Harbor Regional Center Adult Cerebral Palsy Survey  
*Total* \$10,000  
*Sponsor* Harbor Regional Center  
*Period* 7/1/99—6/30/2000  
*Relation* Principal Investigator

*Title* Botulinum Toxin Phase III Trials  
*Total* \$40,000  
*Sponsor* Allergan Corporation  
*Period* 9/1/99—9/1/00  
*Relation* Principal Investigator

*Title* Educating Cerebral Professionals in Newer  
Techniques of Spasticity Management  
*Total* \$150000  
*Sponsor* Unihealth Foundation  
*Period* 7/1/01—6/31/03  
*Relation* Co-Principal Investigator

*Title* Osteoporosis and Cerebral Palsy  
*Total* \$100,000  
*Sponsor* United Cerebral Palsy Foundation  
*Period* 7/1/01—6/31/03  
*Relation* Co-Investigator

*Title* Financial Assistance Cerebral Palsy  
*Total* \$5000  
*Sponsor* Allergan Foundation  
*Period* 9/1/01—8/31/02  
*Relation* Principal Investigator

*Title* Allergan Community Foundation Grant  
*Total* \$7500  
*Sponsor* Allergan Foundation  
*Period* 9/1/02—8/31/03  
*Relation* Support of Cerebral Palsy Program

*Title* Financial Assistance Cerebral Palsy  
*Total* \$5000  
*Sponsor* Allergan Foundation  
*Period* 9/1/03—8/31/04  
*Relation* Principal Investigator

*Title* Allergan Community Foundation Grant  
*Total* \$2500  
*Sponsor* Allergan Foundation  
*Period* 9/1/04—8/31/05  
*Relation* Support of Cerebral Palsy Program

*Title* Allergan Community Foundation Grant  
*Total* \$2500 per year  
*Sponsor* Allergan Foundation  
*Period* 9/1/05—8/31/09  
*Relation* Support of Cerebral Palsy Program

*Title* Double Blind Placebo-controlled, Randomized Clinical  
Trial to Assess the Effect of Hyperbaric Therapy on  
Brain Metabolism in Children with Cerebral Palsy  
*Total* \$273,386  
*Sponsor* United Cerebral Palsy Foundation  
*Period* 7/1/04—6/31/07  
*Relation* Research into Brain Metabolism

*Title* Physicians Training Grant  
*Total* \$39,975  
*Sponsor* State Department of Developmental Services  
*Period* 7/1/04—6/31/05  
*Relation* Graduate Physician Training in Cerebral Palsy

*Title* Physicians Training Grant  
*Total* \$39,975  
*Sponsor* State Department of Developmental Services  
*Period* 7/1/05—6/31/06  
*Relation* Graduate Physician Training in Cerebral Palsy

*Title* Physicians Training Grant  
*Total* \$39,975  
*Sponsor* State Department of Developmental Services  
*Period* 7/1/06—6/31/07  
*Relation* Graduate Physician Training in Cerebral Palsy

*Title* Allergan Community Foundation Grant  
*Total* \$3000  
*Sponsor* Allergan Foundation  
*Period* 9/1/09—8/31/10  
*Relation* Support of Cerebral Palsy Program

*Title* Correlation of Selective Motor Control with Hamstring Lengthening Outcomes  
*Total* \$30,000  
*Sponsor* Pediatric Orthopaedic Society of North America  
*Period* 6/1/09—6/31/10  
*Relation* Support of Cerebral Palsy Program

## EXHIBITS/POSTERS

1. The Battered Child Syndrome, American Academy of Orthopaedic Surgeons, 1981, Las Vegas, Nevada
2. Steroidal Injection of Unicameral Bone Cysts, American Academy of Orthopaedic Surgeons, 1982, New Orleans, Louisiana
3. Muscular Torticollis, A Modified Surgical Procedure, American Academy of Orthopedic Surgeons, 1983, Anaheim, California
4. Supracondylar Humeral Osteotomy for Cubitus Varus Deformity, American Academy of Orthopedic Surgeons, 1984, Atlanta, Georgia
5. Congenital Dislocation of the Knee, American Academy of Orthopedic Surgeons, 1985, Las Vegas, Nevada
6. The Woodward Procedure in The Treatment of Sprengel's Deformity of the Scapula. American Academy of Orthopedic Surgeons, 1989, Las Vegas, Nevada.
7. The Van Ness Procedure for Proximal Femoral Focal Deficiency. American Academy of Orthopedic Surgeons, 1989, Las Vegas, Nevada.
8. Measuring the Force of Growth. Orthopedic Research Society, 1991, Anaheim, CA.
9. Selective Posterior Rhizotomy, American Academy of Orthopedic Surgery, 1991, Anaheim, CA.
10. Energy Expenditure and Kinematic Analysis in Proximal Femoral Focal Deficiency; Comparison of Syme Amputation with Van Nes Rotationplasty. Pediatric Orthopedic Society, 1994, Memphis, TN.
11. The Necessity for Concurrent Tibial Osteotomy in the Treatment of Fibula Hemimelia by Syme's Amputation. American Academy of Orthopedic Surgery Annual Meeting, 1995, Orlando, FL.
12. The American Academy for Cerebral Palsy Online. American Academy for Cerebral Palsy and developmental Medicine, Annual Meeting, 1997, Portland, OR
13. The Orthopedist and the Internet. . American Academy of Orthopedic Surgery Annual Meeting, 1998, New Orleans, LA
14. The American Academy for Cerebral Palsy Online. American Academy for Cerebral Palsy and Developmental Medicine, Annual Meeting, 1998, San Antonio, TX
15. The American Academy for Cerebral Palsy Online. American Academy for Cerebral Palsy and Developmental Medicine, Annual Meeting, 1999, Washington, D.C.
16. The American Academy for Cerebral Palsy Online. American Academy for Cerebral Palsy and Developmental Medicine, Annual Meeting, 2000, Toronto, Canada

17. Osteoporosis in Cerebral Palsy. American Academy for Cerebral Palsy and Developmental Medicine, September 11-15, 2002, New Orleans. La.
18. Radiographic Evaluation of Knee Pain in Patients With Cerebral Palsy, American Academy for Cerebral Palsy and Developmental Medicine, September 14-17, 2005, Orlando, FL.
19. The Voluntary Selective Motor Control Assessment, American Academy for Cerebral Palsy and Developmental Medicine, September 14-17, 2005, Orlando, FL.
20. "The Voluntary Selective Motor Control Assessment" Greenberg M, Fowler EG, Staudt L, Oppenheim WL. Poster Presentation, American Academy of Cerebral Palsy and Developmental Medicine, Orlando, September, 2005.
21. "Radiographic Evaluation of Knee Pain In Patients With Cerebral Palsy", Stroberg A, Fowler EG, Oppenheim WL Gold R. Poster Presentation, American Academy of Cerebral Palsy and Developmental Medicine, Orlando, September, 2005.
22. Greenberg MB, Fowler E, Staudt L; Oppenheim W. The UCLA Voluntary Selective Motor Control Assessment. American Academy of Cerebral Palsy and Developmental Medicine, Boston, September, 2006.

## **EXTENSION COURSES**

Chairman, Avoiding the Pitfalls of Pediatric Office Orthopedics, April 9-10, 1983, Marina Marriott Hotel, Marina del Rey, California

Chairman, 2nd Annual Pitfalls of Pediatric Office Orthopedics, March 24-25, 1984, Sheraton Miramar Hotel, Santa Monica, California

Co-Chairman, American Academy of Cerebral Palsy, April 6-7, 1984, UCLA Medical Center, Los Angeles, California

Moderator, Session on Orthopedics in Cerebral Palsy, American Academy of Cerebral Palsy and Developmental Medicine, October, 1988, Toronto, Canada.

Moderator, Session on Fibular Deficiencies, International Association of Prosthetics and Orthotics, August 31, 1988, Heidelberg, West Germany.

Moderator, Symposium on Rhizotomy, American Academy of Cerebral Palsy and Developmental Medicine, October, 1989, San Francisco, California.

Discussor, Session on Cerebral Palsy, American Academy of Orthopedic Surgeons Annual Meeting, Anaheim, CA, March 12, 1991.

Moderator, Plenary Session of Selective Posterior Rhizotomy, Combined Meeting of the English Speaking Orthopedic Associations, Toronto, June, 1992.

Moderator, Section on Orthopedic Surgery, American Academy of Pediatrics, San Francisco, October, 1992.

Chairman, Management of Spastic cerebral Palsy, UCLA Extension, "The CP Cruise" February 3-6, 1995, Ensenada.

Chairman, Management of Spastic cerebral Palsy, UCLA Extension, "The CP Cruise" March 22-25, 1996, Ensenada.

Chairman, Advances in Cerebral Palsy, UCLA Extension, March 1, 1997.

Chairman, Advances in Cerebral Palsy, UCLA Extension, March 30, 1998.

Chairman, New Horizons in Cerebral Palsy, 3<sup>rd</sup> Annual Margaret Jones Conference, Anaheim, May, 15, 1999, ,

Chairman, Abilities Expo Professional Conference, Cerebral Palsy, UCLA Extension, May 14, 2000

Chairman, 5th Annual Margaret Jones Conference on Cerebral Palsy, May 18, 2001, , Faculty Center, UCLA Extension

Chairman, 6th Annual Margaret Jones Conference on Cerebral Palsy, May, 2002, , Faculty Center, UCLA Extension

Chairman, 7th Annual Margaret Jones Conference on Cerebral Palsy, May 2003, , Faculty Center, UCLA Extension

Chairman, 8th Annual Margaret Jones Conference on Cerebral Palsy, May 2005, , Faculty Center, UCLA Extension

Chairman, 9th Annual Margaret Jones Conference on Cerebral Palsy, April 22, 2006, Faculty Center, UCLA Extension

Chairman, 10th Annual Margaret Jones Conference on Cerebral Palsy, May 5, 2007, Faculty Center, UCLA Extension

Chairman, 11th Annual Margaret Jones Conference on Cerebral Palsy, May 3, 2008, Faculty Center, UCLA Extension

Chairman, 12th Annual Margaret Jones Conference on Cerebral Palsy, May 3, 2009, Faculty Center, UCLA Extension

## PRESENTATIONS

1. Antiarrhythmic Effects of Methyl-lidocaine. Stanford, California, September, 1970.
2. The Battered Alcoholic. Resident's Day, 1976, University of British Columbia, Vancouver, British Columbia.
3. The History of Osteomyelitis. Resident's Day, 1978, University of British Columbia, Vancouver British Columbia. (Paper won the University of Washington Orthopedic Department Medical History Award, 1978.)
4. The Lower Extremity and Limping in Children. Orthopedics for Pediatricians, Children's Orthopedic Hospital, Seattle, Washington, November, 1977.
5. The Anatomy of the Leg and Foot. J.V. Luck Review Course, Los Angeles, California, 1978, 1979.
6. AAOS Course: Lower Extremity and the Growing Child. April 19-21, 1979. Moderated all case presentations and presented: "Orthopaedic Aspects of the Battered Child. Co-authorized with Heiser, J. and Duncan, J.: Hip Fractures in Children.
7. The Metabolism of Trauma. University of North Carolina Memorial Hospital, April 25, 1979.
8. The Metabolism of Trauma. Hospital of the University of Pennsylvania, May 2, 1979, Philadelphia, Pennsylvania.
9. The Battered Alcoholic. Hotel-Dieu de Montreal, May 7, 1979, Montreal, Canada.
10. Femoral Extension Osteotomy for Fixed Flexion Deformity of the Knee in Children. Boston University Medical Center, May 18, 1979, Boston, Massachusetts.
11. Supracondylar Extension Femoral Osteotomy in the Treatment of Fixed Flexion Deformities of the Knee. Western Orthopaedic Association Meeting, October 18, 1979, Las Vegas, Nevada.
12. The Battered Child: Diagnosis, Treatment and the Law. AAOS Meeting, April 3, 1980, Palm Springs, California.
13. The Anatomy of the Hip, with Particular Reference to the Medial Approach. J.V. Luck Review Course, Los Angeles, California, August 10, 1980.
14. The Battered Child - The UCLA Experience. Western Orthopaedic Meeting, October 25, 1980, Honolulu, Hawaii.
15. Soft Tissue Aspects of the Battered Child Syndrome. Shriners Chief Surgeons Conference, September 26, 1980, Montreal, Canada.
16. The Battered Child Syndrome Revisited. Exhibit, AAOS Meeting February 26 - March 3, 1981, Las Vegas, Nevada.

17. The Battered Child Syndrome Revisited. Exhibit and Workshop, 5th National Conference on Child Abuse, April 5-8, 1981, Milwaukee, Wisconsin.
18. The Child Amputee - Surgical Considerations; Children's Orthotics - Special Topics. UCLA Prosthetics and Orthotics Course, April 10, 1981 and May 8, 1981, Los Angeles, California.
19. Neutralization Plates, Proximal Femoral Fractures, The Small Fragment Set. UCLA 1st Annual A.O. Course, April 25-26, 1981, Los Angeles, California.
20. Blounts Disease, a New Classification and the L.A. Shriners Hospital Experience. Bernstein, M., Westin, G.W., Oppenheim, W.L., Western Orthopedic L.A. Chapter Meeting, May 2, 1981, Hyatt Islandia, San Diego, California
21. The Limping Child: Osteomyelitis - Diagnostic and Therapeutic Advances; Office Orthopaedics and the Practicing Pediatrician; Newer Diagnostic Techniques in Pediatric Orthopaedics; New Therapeutic Techniques in Pediatric Orthopaedics: 23 Annual Kaiser Pediatric Symposium, Guest Lecturer, May 15-16, 1981, Hyatt Regency, Los Angeles, California.
22. Pediatric Orthopedic Emergencies. Orthopedics in Emergency Medicine Symposium, June 26-27, 1981, Miramar Sheraton Hotel, Santa Monica, California.
23. Recurrent Subluxation of the Knee in Children. Galleno, H., Smith, C., Oppenheim, W.L., SICOT Meeting, October 2, 1981, Chicago, Illinois.
24. Unicameral Bone Cysts - A Comparison of Treatment Methods. Shriners Hospital's Chief Surgeons Meeting, October 2, 1981, Chicago, Illinois.
25. Restoring Elbow Function in the Developmentally Disabled. Dutton, R. and Oppenheim, W.L., American Academy of Cerebral Palsy, October 16, 1981, Detroit, Michigan.
26. Steroid Injection Versus Surgery in the Treatment of Unicameral Bone Cysts. American Academy of Orthopaedic Surgery, January 26, 1982, New Orleans, Louisiana.
27. Traumatic Hemipelvectomy. Rocky Mountain Traumatologic Society, January 29, 1982, Aspen, Colorado.
28. Muscular Torticollis: A Modified Surgical Approach and the Los Angeles Shriners Hospital Experience. Ferkel, R.D., Westin, G.W., Dawson, E.G., and Oppenheim, W.L., American Orthopaedic Association Resident's Conference, April 1982, Washington, D.C.
29. Recurrent Subluxation and Dislocation of the Patella in Children. Galleno, H., Smith, C., and Oppenheim, W.L., American Orthopaedic Association Resident's Conference, April, 1982, Washington, D.C.
30. Surgical Considerations in Children's Prosthetics. Oppenheim, W.L., UCLA Prosthetics and Orthotics Course, April 16 and May 21, 1982, Los Angeles, California.

31. Muscular Torticollis - A New Procedure. Oppenheim, W.L., Pediatric Orthopaedic Study Group, May 27, 1982, San Diego, California.
32. Soft Tissue Aspects of the Battered Child Syndrome. Oppenheim, W.L., Smith, C., Galleno, H. IV, International Congress of Child Abuse and Neglect, September 8, 1982, Paris, France.
33. Muscular Torticollis - A Review. Oppenheim, W.L., Shriners Chief Surgeons Meeting, Kua, Hawaii, November 19, 1982.
34. Muscular Torticollis, A New Procedure. Ferkel, R. and Oppenheim, W.L., Western Orthopaedic Association, Albuquerque, New Mexico, October 11, 1982.
35. Steroid Treatment of Unicameral Bone Cysts. Oppenheim, W.L., Children's Hospital, San Diego, California, January 8, 1983.
36. Torticollis, A New Procedure. Ferkel, R.D., Westin, G.W., Oppenheim, W.L., American Academy of Orthopedic Surgeons, Anaheim, California, March 12, 1983.
37. Patella Subluxation and Dislocation. Galleno, H. and Oppenheim, W.L., American Academy of Orthopedic Surgeons, Anaheim, California, March 12, 1983.
38. Congenital Vertical Talus. Christie, W. and Oppenheim, W.L., American Foot Society, Anaheim, California, March 10, 1983.
39. Pitfalls of Normal Growth and Development. Oppenheim, W.L., Pitfalls of Pediatric Office Orthopedics, UCLA Extension Course, Marina del Rey, California, April 9, 1983.
40. Congenital Hip Dislocation. Oppenheim, W.L., Pitfalls of Pediatric Office Orthopedics, UCLA Extension Course, Marina del Rey, California, April 9, 1983.
41. Leg Length Discrepancy in Childhood. Oppenheim, W.L., Pitfalls of Pediatric Office Orthopaedics, UCLA Extension Course, Marina del Rey, California, April 9, 1983.
42. Childhood Amputation, UCLA Prosthetics and Orthotics Course, Los Angeles, California, April 22, 1983.
43. Congenital Dislocation of the Knee. Oppenheim, W.L., Pediatric Orthopedic Society, Charlottesville, Virginia, May 3, 1983.
44. Purpura Fulminans; Medical, Surgical and Prosthetic Management. Oppenheim, W.L, Silbart, S. and Setoguchi, Y., Association of Children's Prosthetics and Orthotics Clinics, Salt Lake City, Utah, May 13, 1983.
45. Symes Amputation in Children, Long Term Follow-Up. Anderson, L., Setoguchi, Y. and Oppenheim, W.L., Association of Children's Prosthetics and Orthotics Clinics, Salt Lake City, Utah, May 14, 1983.
46. Congenital Dislocation of the Hip, Pediatric Grand Rounds, UCLA Medical Center, Los Angeles, California, May 20, 1983.
47. The Anatomy of the Hip. J.V. Luck Research Society Intensive Review of Orthopedic Surgery, Santa Monica, California, July 9, 1983.

48. Legg Perthes Disease, Slipped Capital Femoral Epiphysis and Childhood Trauma, J.V. Luck Research Society Intensive Review of Orthopedic Surgery, July 10, 1983.
49. Purpura Fulminans, Children's Orthopedic Hospital, Seattle, Washington, August 10, 1983.
50. The Chiari Osteotomy, A Review of 58 Cases. Oppenheim, W.L., Shriner's Chief Surgeons Meeting, Portland, Oregon, September 22, 1983.
51. The Battered Child - Early Diagnosis. Oppenheim, W.L., American Academy of Pediatrics, San Francisco, California, September 22, 1983.
52. Technical Aspects of the Chiari Osteotomy. Grand Rounds, White Memorial Hospital, Los Angeles, California, December 22, 1983.
53. Blount's Disease, A New Classification. Oppenheim, W.L. and Bernstein, M., American Academy of Orthopedic Surgeons Annual Meeting, Atlanta, Georgia, February 10, 1984.
54. The Chiari Osteotomy, Review of 58 Procedures. Graham, S., Westin, G., and Oppenheim, W.L., American Academy of Orthopedic Surgeons Annual Meeting, Atlanta, Georgia, February 12, 1984.
55. Supracondylar Osteotomy of the Humerus for Cubitus Varus Deformity in Children. Bayer, M., Clader, T., Smith, C., and Oppenheim, W.L., American Academy of Orthopedic Surgeons Annual Meeting, Atlanta, Georgia, February 9, 1984.
56. Orthopedic Management of Congenital Deformities. UCLA Orthotics and Prosthetics Course, Santa Monica, California, March 9, 1984.
57. Pitfalls of Growth and Development. Pitfalls of Pediatric Orthopedics. UCLA Extension Course, Santa Monica, California, March 14, 1984.
58. Congenital Dislocation of the Hip. Pitfalls of Pediatric Orthopedics. UCLA Extension Course, Santa Monica, California, March 14, 1984. .
59. Slipped Capital Femoral Epiphysis. Pitfalls of Pediatric Orthopedics. UCLA Extension Course, Santa Monica, California, March 15, 1984.
60. Purpura Fulminans, Orthopedic Management. Pediatric Orthopedic Society. Vancouver, British Columbia, May 27, 1984.
61. Congenital Dislocation of the Hip. Pediatric Grand Rounds, Harbor General Hospital, Los Angeles, California, May 30, 1984.
61. Pitfalls of Pediatric Office Orthopedics. Pediatric Grand Rounds, Centinela Hospital, Inglewood, California, June 10, 1984.
63. Childhood Trauma. J.L.Luck Research Society Comprehensive Review of Orthopedics, Santa Monica, California, June 16, 1984.
64. Pitfalls of Growth and Development, Workshop on Pediatric Office Orthopedics. American Academy of Pediatrics, 2nd Annual Symposium on Diseases of Children, Disneyland, California, July 5, 1984.
65. Closed Femoral Shortening for Leg Length Discrepancy. Oppenheim, W.L., Shriner's Chief Surgeons' Meeting, Minneapolis, Minnesota, September, 1984.

66. Congenital Dislocation of the Knee. Johnson, E., Audell, R., and Oppenheim, W.L., American Academy of Orthopaedics, Annual Meeting, Las Vegas, Nevada, January 1985.
67. Battered Child Syndrome. Oppenheim, W.L. Rocky Mountain Traumatological Society, Annual Meeting, Aspen, Colorado, January 1985.
68. Popliteal Pterygium Syndrome. Oppenheim, W.L. and Setogucchi, Y. American Association of Child Prosthetic Clinics, New Orleans, La., April 1985.
69. Forearm Fractures in Children. Kay, S and Oppenheim, W.L. Los Angeles Western Orthopedic Association Out of Town Meeting, Lake Arrowhead, California, May 1985.
70. Blount's Disease, A Review of 43 Knees. Oppenheim, W.L., Jinnah, R., and Bernstein, M. Pediatric Orthopedic Society, San Antonio, Texas, May 23, 1985.
71. Orthopedic Management of Renal Osteodystrophy. Oppenheim, W.L. and Kaplan, D. Pediatric Orthopedic Society, San Antonio, Texas, May 25, 1985.
72. Diaphyseal Fracture of the Forearm in Children. Oppenheim, W.L. and Kay, FS. Pediatric Orthopedic Society, San Antonio, Texas, May 25, 1985.
73. Medical and Orthopedic Management of Osteoid Osteoma. Grogan, T., Eckardt, J. and Oppenheim, W.L. American Orthopedic Association Resident's Conference, New Orleans, La., May 8, 1985.
74. Shoulder Arthrodesis in Children. Jinnah, R., and Oppenheim, W.L. American Orthopedic Association Resident's Conference, New Orleans, La., May 8, 1985.
75. Orthopedic Management of Renal Osteodystrophy. Kaplan, D., and Oppenheim, W.L. American Orthopedic Association Residents' Conference, New Orleans, La., May 8, 1985.
76. Chiari Osteotomy For Hip Containment in Cerebral Palsy. Grogan, T., Osterkamp, K., and Oppenheim, W.L. American Academy of Cerebral Palsy and Developmental Medicine, Seattle, Wa., October 3, 1985.
77. The Knee in Arthrogyposis. Thomas, B., Schopler, S., Wood, W., and Oppenheim, W.L. American Academy of Cerebral Palsy and Developmental Medicine, Seattle, Wa., October 5, 1985.
78. Shoulder Arthrodesis for Neuromuscular Impairment in Children. American Academy of Cerebral Palsy and Developmental Medicine, Seattle, Wa., October 3, 1985.
79. The Chiari Osteotomy in Adult Hip Dysplasia. A Cement less "Revolution" in Joint Replacement, UCLA Extension Course, Los Angeles, Ca., September 19, 1985.
80. Ankle Arthrodesis in Children, Carney, B. and Oppenheim, W.L., American Academy of Orthopedic Surgeons Annual Meeting, February 19, 1986. New Orleans, La.

81. A Retrospective Study of Valgus Osteotomy for Blount's Disease. Tacke, S.B., Cooperman, D.R., Millar, E.A., Jinnah, R., and Oppenheim, W.L. American Academy of Orthopedic Surgeons Annual Meeting, February 24, 1986. New Orleans, La.
82. Medical and Surgical Management of Osteoid Osteoma. Clinical Orthopedics and Related Research. Oppenheim, W.L., Eckardt, J.E., and Grogan, T. Pediatric Orthopedic Society, May 4, 1986. Boston, Mass.
83. Chiari Osteotomy For Hip Containment in Cerebral Palsy. Pediatric Orthopedic Society, Oppenheim, W.L, Osterkamp. K., and Grogan, T. Pediatric Orthopedic Society, May 5, 1986. Boston, Mass.
84. Shoulder Arthrodesis for Neuromuscular Impairment in Children. Pediatric Orthopedic Society, May 6, 1986. Boston, Mass.
85. Pitfalls of Normal Growth and Development. Orange County Pediatric Society--Advances in Pediatrics. October 17, 1986. Anaheim, Ca.
86. Congenital Dislocation of the Hip. Orange County Pediatric Society--Advances in Pediatrics. October 18, 1986. Anaheim, Ca.
87. The Child's Foot; Shoe wear Considerations. Orange County Pediatric Society--Advances in Pediatrics. October 19, 1986. Anaheim, Ca.
88. The Office Management of Common Pain Problems in Pediatric Practice. Orange County Pediatric Society--Advances in Pediatrics. October 17-18, 1986. Anaheim, Ca.
89. Prosthetic and Orthotic Management of the Limb Deficient Child. UCLA Prosthetics Orthotics Course, November 6, 1986. Los Angeles, Ca.
90. Orthopedics for the Pediatrician. Olive View Medical Center. December 3, 1986. Van Nuys, Ca.
91. Deformities and Fractures in Cerebral Palsy. Lanterman Regional Center, December 10, 1986. Pomona, Ca.
92. Obstetrical Orthopedic Trauma. UCLA Combined OG-GYN--Neonatal Rounds, December 11, 1986. Los Angeles, Ca.
93. Tibial Osteotomy in Childhood. American Academy of Orthopedic Surgeons, January 23, 1987. Annual Meeting, San Francisco, Ca.
94. The Girdlestone Taylor Transfer for Claw Toes in Myelomeningocele -- Discussion. The Foot Society, January 21, 1987. San Francisco, Ca.
95. Congenital Dislocation of the Hip. Cedars Sinai Medical Center Pediatric Grand Rounds, February 26, 1987. Beverly Hill, Ca.
96. The Orthopedics of Rhett's Syndrome. UCLA Conference on Rhett's Syndrome, February 28, 1987. Los Angeles, Ca.
97. Renal Osteodystrophy. Western Orthopedic Association, April 25, 1987, San Diego, Ca.
98. Blount's Disease, Prevalence and Etiology. First International Symposium on the Growth Plate, May 15, 1987, Ottawa, Canada.

99. Modification of the Technique of Closed Femoral Shortening. Pediatric Orthopedic Society, May 20, 1987, Toronto, Canada.
100. Pediatric Orthopedics. UCLA Extension Course for Family Practice, May 27, 1987, Santa Monica, Ca.
101. Congenital Dislocation of the Hip. Guest Professor, Symposium on Pediatrics, Huntington Memorial Hospital, May 30, 1987, Pasadena, Ca.
102. The Technique of closed Femoral Shortening. Girdlestone Orthopedic Society, September 4, 1987, Nuffield Orthopaedic Centre, Oxford, England.
103. Arthrogyposis of the Foot and Ankle. American Academy of Cerebral Palsy and Developmental Medicine. October 8, 1987, Boston, Mass.
104. Arthrogyposis of the Foot and Ankle. American Academy of Cerebral Palsy and Developmental Medicine. American Academy of Orthopedic Surgeons, February 6, 1988, Atlanta, Georgia.
105. The Hip in Renal Osteodystrophy. Pediatric Orthopedic Society of North America. May 7, 1988. Colorado Springs, Colorado.
106. The Case for Rhizotomy. Pediatric Orthopedic Society of North America. May 6, 1988. Colorado Springs, Colorado.
107. Pediatric Trauma, Introduction and the Battered Child. The Upper Extremity. J.V. Luck West Coast Review Course. May 28, 1988.
108. The Symes Amputation. International Association of Prosthetics and Orthotics. Heidelberg, West Germany. August 31, 1988
109. The Congenital Dislocated Neglected Hip. The Van Nes Procedure. Western Orthopedic Out of Town Meeting, April 30, 1988.
110. Pediatric Orthopedics. UCLA Extension Course for Family Practice, May , 1988, Santa Monica, Ca.
111. The Treatment of Sprengel's Deformity. American Academy of Orthopedics, February, 1989, Las Vegas, Nevada.
112. The Rhizotomy Procedure, Symposium at the American Academy of Orthopedics, February, 1989, Las Vegas, Nevada.
113. Clavicle Fractures in New Borns. Rocky Mountain Trauma Society, Aspen, Colorado, January, 1989.
114. Proximal Femoral Deficiency and the Van Nes Procedure. Pediatric Orthopedic Society, Hilton Head, South Carolina, May, 1989.
115. The Background of Selective Posterior Rhizotomy. American Academy of Cerebral Palsy and Developmental Medicine, San Francisco, California, October 26, 1989.
115. The Treatment of Proximal Femoral Deficiency. International Association of Prosthetics and Orthotics, Kobe, Japan, November 17, 1989.
116. Proximal Femoral Deficiency Treated by Tibial Rotational Osteotomy. American Academy of Orthopedic Surgeons, New Orleans, February, 1990.

117. Review of Fifty Cases of Closed Femoral Shortening. American Academy of Orthopedic Surgeons, New Orleans, February, 1990.
118. Rhizotomy is the Solution to Spasticity in Cerebral Palsy. A Debate. American Academy of Orthopedic Surgeons, New Orleans, February, 1990.
119. Gait Analysis of the Flex Versus Sach Foot for Childhood Below Knee Amputees. Pediatric Orthopedic Society, San Francisco, May 9, 1990
120. Orthopedic Management of Rhizotomy Patients in Cerebral Palsy. American Academy of Orthopedic Surgeons Continuing Education Course, May 6, 1990, San Francisco.
121. Pediatric Elbow Fractures, West Coast Orthopedic Review Course, June 3, 1990, Santa Monica.
122. Use of Flexible Prosthetic Feet in Childhood Amputees, 25th Anniversary, Department of Orthopedics, University of Washington, Seattle, June 22, 1990.
123. Calculating the Force of Growth. With M. Safran, J.E. Eckardt. American Academy of Pediatrics, October 5, 1990, Boston, MA.
124. The Pediatric Foot, American Foot Society Regional Course, October 21, 1990, Los Angeles.
125. The Uses and Abuses of Selective Posterior Rhizotomy, Children's Hospital Ground Rounds, February 20, 1991, Cincinnati, OH.
126. Congenital Malformations of the Lower Extremity. University Hospital Ground Rounds, February 20, 1991, Cincinnati, OH.
127. Unicameral Bone Cysts. Pediatric Orthopedic Society Speciality Day, American Academy of Orthopedic Surgery, March 10, 1991, Anaheim, CA.
128. Determining the Force of Epiphyseal Growth. Pediatric Orthopedic Society, Annual Meeting, May 14, 1991, Dallas, TX.
129. Fractures of the Elbow in Children. West Coast Orthopedic Review Course, May 23, 1991. Santa Monica, CA.
130. Surgical Management of Osteogenesis Imperfecta. Regional Meeting of the Osteogenesis Imperfecta Society. Bonaventure Hotel, Los Angeles, August 31, 1991.
131. The Scientific Basis for Selective Posterior Rhizotomy. Combined Meeting of the English Speaking Orthopedic Associations, Toronto, June, 1992.
132. Dynamics of An Energy Storing Prosthesis. Combined Meeting of the English Speaking Orthopedic Associations, Toronto, June, 1992.
133. Below Knee Amputee Gait in Children. International Society of Prosthetics and Orthotics, Chicago, July, 1992.
134. The Spine in Osteogenesis Imperfecta. NIH Development Conference, September 25, Bethesda, MD. 1992

135. Leg Lengthening in Achondroplasia, American Academy of Pediatrics, San Francisco, October, 1992.
136. Selective Posterior Rhizotomy for Cerebral Palsy, International Symposium of Cerebral Palsy, Heidelberg, November, 1992.
137. Foot and Ankle Trauma in Children. International Symposium on Children's Orthopedics. Taipei, Taiwan Republic of China, March - April, 1993.
138. Evaluation and Treatment of Cerebral Palsy. International Symposium on Children's Orthopedics. Taipei, Taiwan Republic of China, March - April, 1993.
