

Jason Patrick Ng, MD
Curriculum Vitae
Last Updated June 2019

Personal History

- Place of Birth
 - San Mateo County, CA, USA
- Languages
 - English, Cantonese – fluent, Mandarin - proficient
- Business Address
 - 1250 16th St., C2304. Santa Monica, CA 90404
- Business Telephone
 - 310-319-4698

Education and Training

- University of California, Berkeley
 - September 2006 to June 2010
 - Bachelors of Arts in Molecular and Cellular Biology
- Tufts University School of Medicine
 - August 2012 to May 2016
 - Doctor of Medicine
- NYU Internal Medicine Residency Program – Bellevue Hospital/Manhattan VA/Tisch-Kimmel
 - Intern - July 2016 to June 2017
 - Resident – July 2017 to June 2019

Awards and Honors

- Golden Key Honor Society, April 2008
- Dean’s Honors List, October 2009
- Resident of the Year – NYU Internal Medicine – July 2018-June 2019

Research and Presentations

- Research at the University of California, San Francisco
 - From June 2013 to August 2013
 - International Federation of Head and Neck Oncologic Societies – “*Magnetic Resonance Imaging to Detect Extranodal Extension in Squamous Cell Carcinoma of the Head and Neck.*” G. Tsao, MD, J. Ng, BA, A. Uzelac, MD, S. Calkins, MD, A. vanZante, MD, PhD, S. Wang, MD. University of California, San Francisco. Poster. July 2014.
- Society of General Internal Medicine
 - March 2015

- “The Problem with Pyelonephritis – A Case of Premature Closure.” J. Ng, L. Snyderman, MD. Tufts University School of Medicine. Poster.
- Society of Hospital Medicine
 - May 2017
 - “Still’s A Mystery Mystery: A Diagnosis of Exclusion.” A. Guttman, MD, J. Ng, MD, Ramon Jacobs-Shaw, MD. NYU IM. Poster.
- Clinical Research at the Manhattan VA
 - From July 2017 to Present
 - A retrospective chart review of n = 184 patients in the Manhattan VA with castrate resistant prostate cancer, evaluating whether anti-androgen therapies such as enzalutamide, abiraterone were used past disease progression (defined as PSA increase or interval development of new lesions on imaging). A descriptive study detailing practice habits of MVA Oncologists.
 - Supervision by Dr. Daniel Becker, MD
- QI Research at the Manhattan VA, Outpatient
 - February 2018 to Present
 - QI initiative at the Manhattan VA to increase the rates of Prevnar vaccination amongst those with FDA indications, by means of counseling and creation of educational pamphlets.
 - A QI initiative at the Manhattan VA aiming to utilize the Care Assessment Needs (CAN) score to risk stratify patients with high risk of annual event (either ED visits, inpatient admission, or mortality), with efforts and outreach to recall these patients to primary and subspecialty outpatient continuity clinics.
- Society of General Internal Medicine/Society of Hospital Medicine
 - April 2018
 - “New Onset Hypertensive Urgency Following Renal Artery Embolization.” J. Ng, MD, N. Beccarino, MD, C. Fang, MD. Poster. NYU IM.
 - “Acute Mononucleosis – A Case of Red Herrings, Wide Nets and Atypical Features.” J. Ng, MD, N. Beccarino, MD, A. Mednick, MD. Poster. NYU IM.
- QI Research at the Manhattan VA, Inpatient
 - May 2018 to Present
 - “A.D.V.O.C.A.T.E. - Advanced directives at Veteran’s Outpatient Clinic and Trainee education” – a QI project at the Manhattan VA addressing the lack documented advanced directives among veterans and focused on minimizing aggressive interventions at the end of life. Involved with orchestrating a resident run advanced care planning clinic, capturing the highest risk patients using EMR (CPRS) quality metrics.
- American College of Gastroenterology
 - October 2018
 - “Hepatocellular Carcinoma Presenting as Right-Sided Heart Failure.” O. Fass, MD, J. Ng, MD, N. Jia, BS, C. Li, BS, N. Sathe, MD. Poster. NYU IM.
- Society of General Internal Medicine
 - May 2019
 - “Now Watch Me Whippets: An Atypical Cause of Peripheral Neuropathy.” J. Ng, A. Arbach. Poster. NYU IM. *Submitted.*

- NYU Quality and Safety Day & Patient Safety Conference – PI Competition
 - March 2019 (Jacobi Hospital)
 - June 2019 (Bellevue Hospital)
 - “Increasing EKG Capture Rates in the Bellevue CCU.” Poster Presentation. Jason Ng, MD, Norma Keller, MD. *Submitted*
 - “Medication Reconciliation After Discharge to a Nursing Facility.” Poster presentation. Jason Ng, MD, Christian Torres, MD, Andrew Dikman, MD, Scott Statman, MD, Seagram Villagomez, MD. *Submitted*

Other Work Experience

- Undergraduate Research Apprentice - UC Berkeley
 - From May 2008 to May 2010
 - Projects involving study of aquatic mantis shrimp, including high speed video capture of mantis shrimp strike, comparisons of raptorial appendages across varying subspecies, and routine maintenance of aquatic environments
 - Supervision in the lab of Sheila Patek
- Intern/Co-op – Genentech, Inc.
 - From May 2010 to May 2012
 - Multiple projects investigating iron homeostasis in diabetic mice, the use of Cre-lox and Dre-rox recombinase systems for potential of inducible expression of DNA sequences in series, efforts to isolate cell-specific mRNA transcripts (Ribo-tag) and mass production of bispecific antibodies. Proficiency in RNA extraction, rtPCR, luciferase assays, mouse handling and dissection
 - Supervision under Bernard Allan, PhD, Søren Warming, PhD, Lisa Johnson, PhD and Domingos Ng, PhD.

Committees

- Physician Wellness Committee Representative
 - April 2017 to Present
 - New York University, Department of Medicine
- Housestaff Representative
 - June 2017 to Present
 - New York University, Department of Medicine

Teaching & Volunteer Experience

- Undergraduate Student Instructor
 - Anatomy 131L
 - From March 2010 to June 2010
- Volunteer
 - Sharewood Free Clinic
 - From September 2014 to May 2016

- Tutor
 - Josiah Quincy High School – PSAT/SAT/SAT II
 - From September 2014 to May 2016
- Section Leader
 - Problem Based Learning
 - From September 2015 to April 2016

Certifications/Licensure

- New York – 291659 – November 7, 2017
- ACLS/BLS March 2018
- California – A160933 – February 22, 2019
- ABIM Certification – Anticipated Exam Date August 14, 2019

Professional Associations

- American Medical Association
- American College of Physicians
- Society of General Internal Medicine

Bibliography

Peer-reviewed publications

J. Ng, MD, T. Getzug, MD. Familial Mediterranean Fever Revisited. UCLA Proceedings 2018, submitted.

D. Berg, MD et. al. “Epidemiology of Shock in Contemporary Cardiac Intensive Care Units – Data from the Critical Care Cardiology trials Network.” Circ Cardiovasc Qual Outcomes. 2019;12:e005618.

Non peer-reviewed publications

J. Ng, MD, N. Keller, MD. Case Report: Anterior Wall ST Elevation Myocardial Infarction. NYS Chapter of ACC, in collaboration with the Medical Society of State of New York. Submitted in 11/2018 to the Post-Graduate Program in Advanced Cardiology, India.

J. Ng, MD, N. Keller, MD. Case Report: Posterior Wall Myocardial Infarction. NYS Chapter of ACC, in collaboration with the Medical Society of State of New York. Submitted in 11/2018 to the Post- Graduate Program in Advanced Cardiology, India.
