

MARK S. LITWIN, MD, MPH

UCLA Department of Urology
300 Stein Plaza, 3rd Floor
Los Angeles, CA 90095

Tel (310) 794-8113
Fax (310) 794-0987
mlitwin@mednet.ucla.edu

PROFESSIONAL

- 1993 – 1999 Assistant Professor of Urology, UCLA School of Medicine, Los Angeles, CA
Assistant Professor of Health Services, UCLA School of Public Health, Los Angeles, CA
- 1999 – 2003 Associate Professor of Urology, UCLA School of Medicine, Los Angeles, CA
Associate Professor of Health Services, UCLA School of Public Health, Los Angeles, CA
- 2003 – present Professor of Urology, David Geffen School of Medicine at UCLA, Los Angeles, CA
Professor of Health Policy and Management, UCLA Fielding School of Public Health, Los Angeles, CA
- 2011 – present Chair, UCLA Department of Urology (The Fran and Ray Stark Foundation Chair in Urology)
- 2016 – present Professor of Nursing, UCLA School of Nursing, Los Angeles, CA
- 1993 – present Health Policy Consultant, RAND Health, Santa Monica, CA
Member, UCLA Jonsson Comprehensive Cancer Center
Member, UCLA Center for Health Promotion and Disease Prevention

EDUCATION

- 1981 A.B., Duke University, Durham, North Carolina, *magna cum laude* in Economics
- 1985 M.D., Emory University School of Medicine, Atlanta, Georgia
- 1987 Surgery Junior Residency, Harvard Program in Surgery, Brigham and Women's Hospital, Boston, MA
- 1991 Urology Residency, Harvard Program in Urology, Brigham and Women's Hospital, Boston, MA
1988–89 Research Fellow with M. Judah Folkman, MD, Children's Hospital, Boston, MA
1990–91 Chief Resident in Urology, Harvard Program in Urology
- 1993 M.P.H. (Health Policy and Planning), University of California, Los Angeles
1991–93 Robert Wood Johnson Clinical Scholar
American Foundation for Urologic Disease, Health Policy Scholar
Clinical Fellow, UCLA Division of Urology

AWARDS AND HONORS

- 1983 Honorary Society for Collegiate Journalists
- 1984 Medical Association of Atlanta Essay Award, First place winner
- 1985 American Medical Association Jerry L. Pettis Award for excellence in scientific communication
- 1990 Resident Research Contest, Second place winner, American Urological Association, New England Section
- 1991 Basic Science Prize, Society of University Urology Residents, First place winner
- 1991 J. Hartwell Harrison Award in Urology, Brigham and Women's Hospital, Boston
- 1992 American Urological Association Socioeconomics Research Essay Contest, Second place winner
- 1993 American Urological Association Socioeconomics Research Essay Contest, Second place winner
- 1993 American Foundation for Urologic Disease New Investigator Award
- 1996 American Urological Association Socioeconomics Research Essay Contest, Third place winner
- 2001 American Urological Association Gold Cystoscope Award for outstanding contributions to urology
- 2007 Franklin D. Murphy Prize for research demonstrating innovation and leadership, Stein/Opppenheimer Foundation
- 2009 Leonard Tow Humanism in Medicine Award, David Geffen School of Medicine at UCLA
- 2009 International Society for Quality of Life Research, Outstanding Article of the Year Award nominee
- 2010 Distinguished Mentor Award, American Urological Association Foundation
- 2011 Distinguished Service Award, American Urological Association
- 2011 Whitmore Lecture, Society of Urologic Oncology
- 2013 *Alpha Omega Alpha*
- 2014 Distinguished Scholar Alumni Award, American Urological Association, Urology Care Foundation
- 2016 Barringer Medal, American Association of Genitourinary Surgeons
- 2016 The *Journal of Urology* lecturer, American Urological Association
- 2017 Community Service and Praxis to Diversity, Equity and Inclusion Award, UCLA

TEACHING AWARDS

- 1996 UCLA School of Medicine, Doctoring Program, Certificate of Distinction in Medical Education
- 1997 UCLA School of Medicine, Commencement Marshall
- 1997 UCLA School of Medicine Award for Excellence in Education

FUNDED PEER-REVIEWED RESEARCH GRANTS

- 1993 – 1995 Principal Investigator: Cost-Efficacy in the Treatment of Patients with Urinary Tract Infection, Urinary Stone Disease, and Erectile Impotence
\$100,000, American Foundation for Urologic Disease
- 1993 – 1998 Principal Investigator: Health-Related Quality of Life in Men with Metastatic Prostate Cancer
\$63,750, Integrated Therapeutics
- 1995 – 1996 Principal Investigator: Health-Related Quality of Life in Men Treated for Localized Prostate Cancer
\$20,000, University of California Cancer Research Coordinating Committee (CRCC)
- 1995 – 1996 Investigator: California Hospital Outcomes Project (PI: Gerald Kominski, PhD)
\$300,000, California Office of Statewide Health Planning and Development
- 1997 – 2002 Principal Investigator: Chronic Prostatitis Collaborative Clinical Research Studies
\$1,390,631, National Institutes of Health (R01-DK-53738)
- 1997 – 1998 Principal Investigator: Prostate Cancer Patient Outcomes and Choice of Providers
\$575,000, The Bing Fund (Los Angeles, CA)
- 1998 – 2000 Consultant: A Study of Black & White Men with a Family History of Prostate Cancer (PI: Roshan Bastani, PhD)
\$388,744, U.S. Department of Defense
- 1998 – 2000 Principal Investigator: Patient Utilities for Health States in Early Stage Prostate Cancer
\$461,000, American Cancer Society
- 1999 Principal Investigator: Quality of Life in Men Treated for Early Stage Prostate Cancer
\$20,000, Stein-Oppenheimer Endowment for the Health Sciences
- 1999 – 2001 Research Career Development Award
\$150,000, Stop Cancer Foundation
- 1999 – 2001 Principal Investigator: Quality of Life in Men with Early Stage Prostate Cancer
\$648,043, California Department of Health Services, Cancer Research Program (99-00536V-10127)
- 2001 – 2003 Co-Investigator, Professional Education in Prostate Cancer Screening: Primary Care Providers
(PI: Michael Wilkes, MD, PhD)
\$1,035,494, Centers for Disease Control
- 2001 – 2007 Principal Investigator, Urologic Diseases in America
\$7,211,942, National Institutes of Health (N01-DK-1-2460)
- 2001 – 2021 Principal Investigator: Improving Access, Counseling & Treatment in Californians with Prostate Cancer**
\$109,433,463, California Department of Public Health (00-91891, 05-46124, 05-46234, 10-10413, 12-89326, 16-93293)
\$49,357,133 (2001-03) + \$11,100,000 (2003-05) + \$2,400,000 (2005-06) + \$10,721,330 (2006-09)
+ \$3,050,000 (2009-10) + \$2,700,000 (2010-11) + \$9,282,375 (2011-14) + \$5,770,125 (2014-16)
+ \$3,010,500 (2016-17) + \$3,010,500 (2017-18) + \$9,031,500 (2018-21)
- 2002 – 2008 Co-Investigator, Survivor Quality-of-Life and Spouse Satisfaction after Prostate Therapy (PI: Martin Sanda, MD)
\$3,025,003, National Institutes of Health (R01-CA95662-01)
\$361,674 subcontract to UCLA (P.I.: Christopher S. Saigal, MD, MPH, Co-P.I.: Litwin)
- 2003 – 2006 Mentor and Co-Investigator, The Meaning of Incontinence and Impotence for Low Income African American and Latino Men with Prostate Cancer (PI: Sally L. Maliski, PhD, RN)
\$340,920, Department of Defense New Investigator Award
- 2003 – 2009 Principal Investigator: Chronic Prostatitis Collaborative Clinical Research Studies – II
\$1,600,000, National Institutes of Health (U01-DK-65257)
- 2005 – 2006 Mentor, Volume-Outcomes in Incontinence Surgery (PI: Jennifer T. Anger, MD)
\$58,000, National Institute of Diabetes and Digestive and Kidney Diseases (F32 DK072874)
- 2005 – 2008 Mentor and Co-Investigator, Quality of Care Indicators for Early Stage Prostate Cancer
(PI: Benjamin A. Spencer, MD, MPH)
\$699,605, Department of Defense New Investigator Award
- 2006 Principal Investigator, Assessing California's Prostate Cancer Treatment Resources for the Working Poor
\$25,000, California Program on Access to Care, University of California
- 2006 – 2007 Mentor, Unwarranted Surgical Variation for Early-Stage Kidney Cancer (PI: David C. Miller, MD, MPH)
\$50,000, American Cancer Society
- 2007 – 2008 Mentor, Variation in Surgical Care for Early-Stage Kidney Cancer (PI: David C. Miller, MD, MPH)
\$58,036, National Cancer Institute (F32 CA123819)
- 2007 – 2009 Co-Investigator, Impact of Prostate Cancer Treatment-Related Symptoms on Low-Income Latino Couples
(PI: Sally L. Maliski, RN, PhD)
\$463,500, Department of Defense
- 2007 – 2008 Principal Investigator: Reducing Prostate Cancer Treatment Barriers with Low Literacy Education Materials
\$75,000, California Attorney General's Office

- 2007 – 2012 Principal Investigator, Urologic Diseases in America - II
\$9,964,000, National Institutes of Health (N01-DK-7-0003)
- 2008 – 2010 Co-Investigator, Prostate Cancer Clinical Decision Making by Diagnosed and High Risk Latino Men
(PI: Sally L. Maliski, RN, PhD)
\$423,500, National Institute of Nursing Research (R21-NR-01083)
- 2007 – 2012 Mentor and Co-Investigator, Quality-of-Care Indicators for Overactive Bladder Symptoms
(PI: Jennifer T. Anger, MD, MPH)
\$500,000 National Institute of Diabetes and Digestive and Kidney Diseases (K23-DK-080227)
- 2009 – 2011 Mentor, Quality of Care in Patients with Bladder Cancer
(PI: Karim Chamie, MD)
National Cancer Institute (F32)
- 2009 – 2011 Mentor, Quality of Care in Patients with Bladder Cancer
(PI: Karim Chamie, MD)
\$94,000, American Cancer Society (117496-PF-09-147-01-CPHPS)
- 2010 – 2012 Mentor, Utilization of Hospice Resources by Men Dying of Prostate Cancer
(PI: Jonathan Bergman, MD)
\$44,000, American Cancer Society
- 2010 – 2012 Mentor, Patterns of Care in Patients with Bladder Cancer & Validation of Bladder Cancer Surgery Coding Scheme
(PI: Karim Chamie, MD)
\$243,000, National Cancer Institute (SEER Award)
- 2010 – 2015 Co-Investigator, Comparative Effectiveness Analysis of Surgery And Radiation for prostate cancer (CESAR)
(P.I.: David F. Penson, MD, MPH)
\$7,600,000, Agency for Healthcare Research and Quality
- 2011 – 2012 Co-Principal Investigator, Evaluating Genetic and Socio-economic Effects on Prostate Tumor Biology – A Novel Model System for Deciphering Factors Involved in Health Disparity
\$25,000, UCLA Specialized Program of Research Excellence in prostate cancer
- 2011 Mentor, Disease Understanding among Spanish-Speaking Latinas with Pelvic Floor Disorders (PI: Claudia Sevilla)
\$2,750, Herbert Brendler Medical Student Fellowship, American Urological Association Foundation
- 2011 – 2014 Associate Investigator, Measuring and Explaining Variation in Outcome Following Diagnosis of Prostate Cancer
(PI: Sue Evans)
\$627,607, Cancer Australia
- 2012 Mentor, Impact of hospital transfers on pediatric testicular torsion outcomes (PI: Lynne Chang)
\$3,000, Herbert Brendler Medical Student Fellowship, American Urological Association Foundation
- 2012 – 2014 Mentor, Impact of comorbidity on decision making in men with prostate cancer, (PI: Timothy Daskivich, MD)
\$40,000, American Urological Association Foundation
- 2012 – 2015 Principal Investigator, Urologic Diseases in America - III
\$6,527,489, National Institutes of Health (HHSN276201200016C)
- 2013 – 2015 Mentor, Comorbidity and decision making in men with prostate cancer (PI: Timothy Daskivich, MD)
\$98,000, American Cancer Society
- 2013 – 2015 Mentor, Understanding use of expectant management in prostate cancer patients in an integrated delivery system
(PI: Christopher P. Filson)
\$40,000, Urology Care Foundation Research Scholars Program
- 2013 Principal Investigator, Innovative methods to improve the health of African American men
\$5,000, National Institutes of Health, UCLA CTSI Catalyst Symposium Award (UL1TR000124)
- 2014 Co-Mentor, Factors implicated in management decisions for small renal masses (PI: Ryan Chuang)
\$3000, Herbert Brendler Medical Student Fellowship, Urology Care Foundation
- 2014 – 2016 Mentor, Utilization and effectiveness of geriatric care in kidney cancer (PI: Hung-Jui [Ray] Tan)
\$107,500, American Cancer Society
- 2014 – 2019 Site Principal Investigator, Staying strong and healthy during androgen deprivation therapy for Latino men
(PI Sally Maliski)
\$3,125,261, National Institutes of Health (R01NR014518-01A1)
- 2015 – 2019 Principal Investigator, Men's experiences transitioning from disease-specific to Affordable Care Act coverage
\$792,000, American Cancer Society (RSGI-15-017-01 CPHPS)
- 2017 – 2020 Principal Investigator, Prostate Cancer Outcomes - Global Initiative to Compare and Reduce Variation
\$891,135 Movember Foundation (20172657)
- 2016 – 2017 Mentor, Value-based care redesign in urology: Can quality and cost data feedback change physician behavior?
(PI: Alan L. Kaplan)
\$40,000, Urology Care Foundation

- 2016 – 2019 Mentor, Constructing a relational bridge to achieve high-quality prostate cancer care for African Americans
(PI: Nynikka Palmer)
\$300,000, CTSI KL-2, University of California, San Francisco
- 2017 – 2019 Site Principal Investigator and Co-Investigator, Precision Medicine for Early Prostate Cancer: Integrating Biological and Patient Complexity Variables to Predict Treatment Response (PI: Sheldon Greenfield)
\$1,186,430, California Initiative to Advance Precision Medicine (CIAPM)
- 2017 – 2019 Mentor, Projecting the Financial Impact of Value Based Payment Reform for Men Treated Surgically for Prostate Cancer
(PI David C. Johnson, MD, MPH)
\$80,000, Urology Care Foundation Research Scholar Award
- 2017 Mentor, Mental and physical health effects on low-income men with prostate cancer transitioning from a disease-specific treatment program to insurance under the Affordable Care Act
(PI, Ruby Kuang)
David Geffen School of Medicine at UCLA, Short Term Training Program for medical students
- 2018 – 2021 Principal Investigator, Graphical Representations of Symptoms of Prostate Cancer (GRASP): Preferences for Quality of Life Presentation Among Underserved Prostate Cancer Patients
\$823,257, US Department of Defense (PC170169)

VISITING PROFESSORSHIPS

1994	University of Washington Department of Urology
1996	University of Massachusetts Department of Urology
1996	University of British Columbia Division of Urology
2000	Madigan Army Medical Center Division of Urology
2004	Columbia University College of Physicians & Surgeons Department of Urology
2005	Louisiana State University Division of Urology
2005	Karolinska Institute Departments of Oncology and Urology, Stockholm, Sweden
2006	University of Rochester Department of Urology

2008	University of California, Davis, Department of Urology
2008	Duke University Division of Urologic Surgery
2009	Stanford University Department of Urology (Dorothy Fenmore Lecturer)
2009	University of Minnesota Department of Urology
2009	University of Michigan (Reed Nesbit Lecturer)
2010	University of Kentucky Division of Urology
2012	Vanderbilt University Department of Urology (Rhamy-Shelley Lecturer)
2013	Washington University Division of Urologic Surgery (Justin J. Cordonnier Lecturer)
2013	University of Toronto Division of Urology (Vincent Colapinto Lecturer)
2013	Johns Hopkins University Brady Urological Institute
2014	University of California, Irvine, Department of Urology
2014	University of California, San Francisco, Department of Urology (Emil A. Tanagho Visiting Professor)
2014	University of Wisconsin, Department of Urology (Uehling Lecturer)
2015	Northwestern University
2015	University of Iowa (Rubin H. Flocks Visiting Professor)
2016	Emory University
2016	Harvard Program in Urology, Brigham & Women's Hospital (J. Hartwell Harrison Professor)
2017	Memorial Sloan Kettering Cancer Center

DOCTORAL COMMITTEES

1995 – 1997	Mary Anne Schultz, The influence of hospital characteristics and financial indices on patient outcomes in California acute care hospitals, UCLA School of Nursing
1995 – 1999	Nasreen Dhanani, Physician specialization and practice styles: the impact on resource use and outcomes UCLA School of Public Health
1996 – 1999	Lisa Korst, Using the medical record to monitor and improve the quality of obstetrical care UCLA School of Public Health
2001 – 2002	Stephanie Teleki, An examination of consumer advertising and its impact on prescriptions UCLA School of Public Health
2008 – 2009	David Buchbinder, Psychological outcomes in siblings of childhood cancer survivors UCLA School of Public Health
2010 – 2012	Jeanette Broering, Response issues with mixed-mode survey methods to measure health-related quality of life UCSF School of Nursing
2010 – 2014	Erin Hahn, Cancer survivors and survivorship care UCLA School of Public Health

POST-DOCTORAL FELLOWS AND RESEARCH RESIDENTS

1997 – 1998, 2000 – 2001	Christopher Saigal, MD, MPH, Patient utilities for health states in early stage prostate cancer <i>Currently: Professor of Urology, UCLA</i>
1999 – 2000	Judd Brandeis, MD, Quality of life in men with early stage prostate cancer
2000 – 2001	Luc Cormier, MD, Screening behavior in brothers and sons of men with prostate cancer <i>Currently: Associate Professor of Urology, University Hospital, Nancy-Brabois, France</i>
2001 – 2002	Jim Hu, MD, MPH, The effect of provider volume on outcomes in radical prostatectomy <i>Currently: Professor of Urology, Cornell University</i>
2001 – 2004	Benjamin Spencer, MD, MPH, Quality of care indicators for early stage prostate cancer <i>Formerly: Assistant Professor of Urology, Columbia University Medical Center</i>
2001 – 2004	Sally Maliski, RN, PhD, Outcomes in low-income, uninsured men with prostate cancer <i>Currently: Professor and Dean, School of Nursing, University of Kansas</i>
2003 – 2005	Tracey L. Krupski, MD, MPH, Disparities in care of men with early stage prostate cancer <i>Currently: Professor of Urology, University of Virginia</i>
2004 – 2005, 2007 – 2009	John L. Gore, MD, Practice pattern variations in bladder cancer surgery <i>Currently: Associate Professor of Urology, University of Washington</i>

- 2004 – 2006 Jennifer Tash Anger, MD, MPH, The effect of provider volume on outcomes following sling surgery
Currently: Adjunct Assistant Professor of Urology, UCLA
- 2005 – 2006 Susan Logan, MD, An evaluation of California’s statewide prostate cancer treatment program
Currently: Assistant Professor of Surgery, University of California, San Francisco, Fresno
- 2006 – 2007 Leonard D’Avolio, PhD, Using artificial intelligence to dissect quality of care from radical prostatectomy operative notes
Currently: Assistant Professor of Health Informatics, Northeastern University, Boston
- 2006 – 2008 David C. Miller, MD, MPH, Variation in surgical treatment of patients with early-stage kidney cancer
Currently: Associate Professor of Urology and Epidemiology, University of Michigan
- 2007 Shunichi Namiki, MD, Cross-cultural differences in quality of life among Japanese and American men with prostate cancer
Currently: Assistant Professor of Urology, Tohoku University, Miyagi, Japan
- 2007 Lonneke van de Poll-Franse, The impact of comorbid cardiovascular disease on health-related quality of life after prostate cancer treatment
Currently: Senior Researcher, Comprehensive Cancer Centre South, The Netherlands
- 2008 – 2009, 2011 – 2013 Jonathan Bergman, MD, Hospice care in patients with urological malignancies
Currently: Assistant Professor of Urology and Family Medicine, UCLA
- 2009 – 2010, 2012 – 2014 Timothy Daskivich, MD, The role of comorbidity in decision making for men with prostate cancer
Currently: Assistant Professor of Urology, Cedars-Sinai Health System, Los Angeles
- 2009 – 2011 Karim Chamie, MD, Quality of care in patients with bladder cancer
Currently: Associate Professor of Urology, UCLA
- 2009 – 2010 Stan Frencher, MD, Prostate Education Project (PEP) Talk: Cutting through the uncertainty of prostate cancer screening among African American men through barbershop outreach
Currently: Assistant Professor of Urology, UCLA
- 2011 – 2012 Jennie Yiee, MD, Timing of pediatric Orchiopexy in the United States: A quality-of-care indicator
Currently: Staff Urologist, Kaiser Permanente, Anaheim
- 2011 – 2012 Lisa Rogo-Gupta, MD, Quality of care in women with urinary incontinence
Currently: Assistant Professor of Obstetrics and Gynecology, Stanford University
- 2011 – 2013 Charles D. Scales, MD, MPH, Quality of care for patients with urolithiasis
Currently: Assistant Professor of Urology, Duke University
- 2013 – 2015 Hung-Jui (Ray) Tan, MD, MS, Quality of care for elderly patients undergoing kidney cancer surgery
Currently: Assistant Professor of Urology, University of North Carolina
- Christopher Filson, MD, Active surveillance for prostate cancer in an integrated delivery system
Currently: Assistant Professor of Urology, Emory University
- 2016 – 2017 Alan L. Kaplan, MD, Value-based care redesign: can quality and cost data feedback change physician behavior?
Currently: Assistant Professor of Urology, UCLA
- 2016 – 2018 Jamal Nabhani, MD, Evaluation of an online treatment decision aid for men with BPH
- 2017 – 2019 David C. Johnson, MD, MPH, Impact of value-based payment reform in men treated surgically for prostate cancer

UCLA COMMITTEES AND ADMINISTRATIVE SERVICE

1993 – present	Committee on Quality Assurance, Department of Urology, School of Medicine
1993 – 1996	Coordinator, UCLA Department of Surgery Grand Rounds, School of Medicine
1994 – 1999	Subcommittee on Trauma Patient Care, Medical Staff
1995 – 1996	Committee on Financial Awards, Department of Health Services, School of Public Health
1995 – 1996	Search Committee, Epidemiology faculty position, School of Public Health
1995 – 1997	Surgical and Invasive Procedures Oversight Committee (Tissue Committee), Medical Staff
1995 – 1997	Committee on Personnel Actions, Department of Health Services, School of Public Health,
1995 – 1996	Development Task Force, Office for the Protection of Research Subjects (OPRS), Campus
1995 – 1998	Management Oversight Group for Contracting, Medical Group
1996 – present	Surgery Education Committee, Department of Surgery, School of Medicine
1996 – 1997	Academic Computing Committee, School of Public Health
1996 – 2001	Academic Senate Legislative Assembly, Campus
1997 – 1998	Equipment and Laboratory Committee, School of Public Health
1997 – 1998	Medical Colleges Task Force for the new curriculum, School of Medicine
1997 – 1998	Chair, Subcommittee on Teaching Excellence, Surgery Education Committee, School of Medicine
1998 – 1999	Research Committee, School of Public Health
1998 – 1999	Dean’s Advisory Committee on Health Services Research Policy, School of Medicine
1998 – 2001	Committee on Diversity and Equal Opportunity, Academic Senate
1999	Applied Anatomy College Planning Team, School of Medicine
1999 – 2000	Search Committee, faculty position in General Internal Med / Health Services Res, School of Medicine
2000	Committee to revise curriculum for Metabolism, Nutrition and Reproduction, School of Medicine
2000 – 2001	Community & Alumni Relations Committee, School of Public Health
2001 – 2002	Laboratory & Equipment Committee, School of Public Health
2002 – present	Advisory Board, Tedd Mann Family Resource Center, Jonsson Comprehensive Cancer Center
2002 – present	Committee on Gender and Power Abuse, School of Medicine
2002 – 2004	Coordination of Care Process Improvement Team, Medical Center
2003	Ad hoc committee for personnel action, Department of Health Services, School of Public Health
2003	2 ad hoc committees on personnel action, Committee on Academic Personnel, Academic Senate
2003 – 2006	Council on Planning and Budget, Academic Senate
2003 – 2004	Chair, Search Committee, outcomes research faculty position in Div General Surgery, School of Medicine
2005 – present	Board of Directors, UCLA Faculty Practice Group
2005 – 2006	Member, 5-year review committee to evaluate the performance of a School of Medicine Department Chair
2006	Nominating Committee, Medical Staff
2006 – 2008	Chair, Finance Committee, Department of Urology
2007 – present	Compliance Oversight Committee, UCLA Medical Center
2007 – present	Dean’s Liaison for the MD-MPH concurrent degree program, School of Public Health
2008 – 2009	Search Committee, faculty position in Radiation Oncology, School of Medicine
2002 – present	Robert Wood Johnson Clinical Scholars Program Research Advisory Committee, Core Faculty, and Mentor
2010 – present	Executive Oversight Board, Electronic Health Record (HER), UCLA Health System
2011 – present	Clinical Chairs Committee, School of Medicine
2011 – present	Medical Staff Executive Committee, UCLA Health System
2011 – present	Surgical Services Committee, UCLA Health System
2011 – present	Innovation Leadership Council, Health System
2011 – 2012	Liaison Committee on Medical Education (LCME) Task Force, School of Medicine
2012 – 2015	Informational technology (IT) Steering Committee, UCLA Health System
2012 – 2013	Chair, xDR Oversight Board, UCLA Health System
2012	Chair, Search Committee, Kuiper Chair in Nephrology and Renal Transplantation, School of Medicine
2012	Growth Strategy Group, UCLA Health System
2012	Clinical Strategy and Services Council, UCLA Health System
2015	Chair, 5-year review committee to evaluate the performance of a School of Medicine Department Chair
2015 – present	Gold Humanism Honor Society Selection Committee, School of Medicine
2017 – present	Chair, Quality Council, UCLA Health System

EDITORIAL SERVICE

1982 – 1983	Editor-in-Chief, ANLAGE, Newspaper of the Emory Medical Community, Atlanta, GA
1983 – 1985	Board of Editors, MEDICINE AT EMORY magazine, Atlanta, GA
1984 – 1985	Editor, VITAL SIGNS, Emory University School of Medicine Yearbook, Atlanta, GA
1984 – 1985	Editor, PULSE, the medical student segment in JAMA
1984 – 1985	Editor, AMA Monograph on Residency Selection for 30,000 US medical students
1985	JAMA Medical Student Fellow in medical journalism
1987 – 1990	Editorial Board, Journal of the American Medical Association
1995 – 1996	Contributing Editor, The Yearbook of Urology, (JB deKernion and SS Howards, eds.)
1997 – present	Associate Editor, Prostate Cancer and Prostatic Diseases
1998 – 2001	Associate Editor, Urologic Oncology
2001 – 2004	Editorial Board, Current Opinion in Urology
2002 – present	Editorial Board, Health and Quality of Life Outcomes
2004 – 2012	Editorial Board, Journal of Urology
2007 – 2011	Associate Editor, AUA News
2009 – 2012	Editorial Board, British Journal of Urology International
2018 – 2021	Editorial Board, Current Opinion in Urology
Reviewer	JAMA, Ann Int Med, Medical Care, J Urology, Urology, Cancer, J Clinical Oncology, Urologic Oncology, J Natl Cancer Inst, Quality of Life Research, Health and Quality of Life Outcomes, Acta Oncologica, Preventive Medicine, Social Science & Medicine, J Am Geriatrics Soc, J Am Coll Surg, Arch Int Med, J Endourol, , BJU Int, Prostate Cancer and Prostatic Diseases, Intl J Impotence Res, PsychoOncology

ELECTED OFFICES

1984 – 1985	Delegate, Medical Student Section, American Medical Association
1985 – 1993	Delegate, Resident Physicians Section, American Medical Association
1984 – 1985	Governing Council, Medical Student Section, Medical Association of Georgia
1987 – 1991	Councilor, Massachusetts Medical Society
1988	Secretary, Resident Physicians Section, American Medical Association
1988 – 1989	Chair-Elect, Resident Physicians Section, American Medical Association
1988 – 1991	Governing Council, Resident Physicians Section, Massachusetts Medical Society
1988 – 1992	Alternate Delegate, House of Delegates, American Medical Association
1989 – 1990	Chair, Resident Physicians Section, American Medical Association
1991 – 1993	Councilor, California Medical Association
1991 – 1993	Governing Council, California House Officer Medical Society
1996	Secretary, Los Angeles Urological Society
1997	Vice-President, Los Angeles Urological Society
1998	President-Elect, Los Angeles Urological Society
1999	President, Los Angeles Urological Society

MEMBERSHIP ON INTERNATIONAL, NATIONAL AND STATE COMMITTEES (SELECTED)

1993 – 1997	Board of Directors, American Association of Physicians for Human Rights
1994 – 1998	National Kidney and Urologic Diseases Advisory Board ad hoc Data Committee, NIH (National Institute of Diabetes and Digestive and Kidney Diseases)
1995	Ad hoc Advisory Panel on Epidemiology Training for Nephrologists, NIH (National Institute of Diabetes and Digestive and Kidney Diseases)
1995	Chair, Panel on Epidemiology, Costs, and Outcomes in Chronic Prostatitis, NIH (National Institute of Diabetes and Digestive and Kidney Diseases)
1995 – 2001	External Advisory Board, Medical Treatment of Prostate Symptoms (MTOPS) Trial, NIH (National Institute of Diabetes and Digestive and Kidney Diseases)
1996 – 1998	Prostate Cancer Outcomes Research Task Force, American Urological Association
1996 – present	Program Abstract Review Committee, American Urological Association
1996 – present	Research Grants/Scholar Review Committee, American Foundation for Urologic Disease
1997 – 1999	Planning Committee, Conference on Prostate Disorders in Minorities, NIH (National Institute of Diabetes and Digestive and Kidney Diseases)
1998 – 1999	Deputy Chair, Quality of Life Committee, 2 nd International Consultation on Prostate Cancer, World Health Organization & International Union Against Cancer
1998 – 1999	Consensus Panel for the Evaluation of Microhematuria, American Urological Association
1998 – 1999	Co-chair, Health Policy Research Committee, American Urological Association
1998 – present	Prostate Initiative Team, American Cancer Society – California Division
1999	Co-chair, Quality of Life Committee, 2 nd International Consultation on Prostate Cancer, World Health Organization and International Union Against Cancer
1999 – 2005	Data Safety and Monitoring Board, Saw Palmetto Treatment for Enlarged Prostate (STEP) trial, NIH, (National Institute of Diabetes and Digestive and Kidney Diseases)
2001 – 2002	Cancer Outcomes Measurement Working Group, NIH (National Cancer Institute)
2002	Planning Committee, Conference on Urology and Gynecology Academic Careers NIH (National Institute of Diabetes and Digestive and Kidney Diseases)
2002 – 2003	Committee to Study the Need for Studies of Testosterone Replacement Therapy, Institute of Medicine
2002 – 2006	Research Council, American Urological Association
2003 – 2005	Data Safety and Monitoring Board, Complementary and Alternative Medicine for Urological Symptoms (CAMUS) Trial, NIH (National Institute of Diabetes and Digestive and Kidney Diseases)
2003 – 2008	Chair, Steering Committee, Urologic Pelvic Pain Collaborative Research Network NIH (National Institute of Diabetes and Digestive and Kidney Diseases)
2004 – 2005	Committee on Cancer Survivorship: Improving Care and Quality of Life, Institute of Medicine
2004 – 2005	Committee on Radical Prostatectomy Outcomes Reporting, American Urological Association
2004 – 2007	Prostate Health Council, American Foundation for Urologic Disease
2005 – present	Data Safety and Monitoring Board, Effects of Testosterone Replacement on Muscle Performance and Physical Function in Older Men, NIH (National Institute on Aging)
2007	Integration Panel, US Department of Defense Prostate Cancer Research Program, <i>ad hoc</i> member
2007 – 2011	Urologic and Kidney Development and Genitourinary Diseases (UKGD) Study Section, NIH
2011	Participant, NIH State-of-the-Science Consensus Conference on the role of active surveillance in the management of men with localized prostate cancer
2011 – 2016	Publications Committee, American Urological Association
2011 – 2013	Steering Committee, Yale Open Data Access (YODA) Project
2013	Co-Chair, <i>ad hoc</i> review panel, Expansion of Symptoms of Lower Urinary Tract Dysfunction Research Network, NIH (National Institute of Diabetes and Digestive and Kidney Diseases)
2014	AQUA Patient Reported Outcomes Steering Committee, American Urological Association
2014	Search Committee, editor of <i>The Journal of Urology</i> , American Urological Association
2014 – 2015	Vice-Chair, Publications Committee, American Urological Association
2015 – 2019	Project Lead, International Prostate Cancer Health Outcomes Network, Movember Foundation
2015 – 2020	Membership Committee, American Association of Genitourinary Surgeons
2015	Rising Stars Award Selection Committee, Urology Care Foundation, American Urological Association
2016	Cancer Control and Prevention: Health Policy and Health Services Research Grant Review Committee, American Cancer Society
2017 – 2020	Rising Stars Award Selection Committee, Urology Care Foundation, American Urological Association

SOCIETY MEMBERSHIPS

1981	American Medical Association
1981 – 1985	Medical Association of Georgia
1985	American College of Surgeons (Fellow since 1996)
1985 – 1991	Massachusetts Medical Society
1990	American Urological Association New England Section (1987 – 1991) Western Section (1991 – present)
1991	California Medical Association
1991	Los Angeles County Medical Association
1991	California Urological Association
1991	American Association of Physicians for Human Rights
1993	Los Angeles Urological Society
1994	Society of University Urologists
2002	Society of Urologic Oncology
2005	American Association of Genitourinary Surgeons
2012	Clinical Society of Genitourinary Surgeons

PROFESSIONAL APPOINTMENTS

1991 – present	Attending Urologist, Sepulveda Veterans Affairs Medical Center, Sepulveda, CA Attending Urologist, Harbor-UCLA Medical Center, Torrance, CA
1992 – present	Attending Urologist, UCLA Center for Health Sciences, Los Angeles, CA Attending Urologist, Olive View Medical Center, Sylmar, CA
1992 – 2011	Attending Urologist, Wadsworth Veterans Affairs Medical Center, Los Angeles, CA
1994 – 2011	Director of Medical Student Education, UCLA Department of Urology
2009 – present	Director, Testicular Cancer Program, UCLA Institute of Urologic Oncology
1988 – 1991	Coordinator of Clinical Applications, Resource-Based Relative Value Study, Harvard School of Public Health
1992 – 1993	Co-Chief, Urology Section, Sepulveda Veterans Affairs Medical Center, Sepulveda, CA

LICENSES AND CERTIFICATIONS

1986	Diplomate, National Board of Medical Examiners
1986	Licensure in Massachusetts
1991	Licensure in California
1995	American Board of Urology

COMMUNITY SERVICE

1992 – 1998	Volunteer physician, Jeffrey Goodman Special Care HIV Clinic, Los Angeles, CA
1992 – 1998	Medical Advisory Committee, Jeffrey Goodman Special Care HIV Clinic, Los Angeles, CA
1993	Certified mohel, Berit Mila Board of Reform Judaism
1994 – 1995	Chair, Affiliation Committee, Congregation Kol Ami, Los Angeles, CA
1995 – 1999	Liaison from Congregation Kol Ami to the Union of American Hebrew Congregations
1996 – 1997	Ethics Committee Chair, National Organization of American Mohelim/ot
1996 – 1999	Professional Practice Committee, Congregation Kol Ami, Los Angeles, CA
1996 – 1999	Professional Advisory Committee, STD Program, Los Angeles County Department of Health Services
2014 –	Advisory Board, Fans for the Cure, fans4thecure.org

SELECTED INVITED LECTURES AND PRESENTATIONS (SINCE 2004)

- 2004 Quality of care assessment in early stage prostate cancer: Perspectives of patients, payers, and providers.
Michigan Urologic Society, Ann Arbor
Critical issues in quality of life
UCLA State-of-the-Art in Urology, Marina del Rey, CA
Review of prostate cancer and BPH
UCLA Intensive Course in Geriatric Medicine, Marina del Rey, CA
Quality of life after prostate cancer treatment – plenary lecture
Societe Internationale d’Urologie, Honolulu, HI
- 2005 Retroperitoneal lymphadenectomy vs chemotherapy for stage I non-seminomatous germ cell carcinomas
UCLA State-of-the-Art in Urology, Marina del Rey, CA
Update on prostate cancer and benign prostatic hyperplasia
UCLA Family Practice Refresher Course, Los Angeles, CA
UCLA Intensive Review in Geriatrics, Los Angeles, CA
- 2006 Patient evaluation and follow-up: the importance of validated data gathering
Advanced Robotics Techniques Symposium, Irvine, CA
Quality of life in men with prostate cancer
Swedish Urological Association, Stockholm
- 2007 Outcomes research in surgery: methods, applications, and the real world
Surgery Grand Rounds, University of California, Irvine
Testicular cancer management
UCLA State-of-the-Art in Urology, Marina del Rey, CA
The burden of urologic diseases in America
Urology Grand Rounds, University of California, San Francisco
Update on prostate cancer and benign prostatic hyperplasia
UCLA Family Practice Refresher Course, Los Angeles, CA
Caring for the Uninsured and Disenfranchised with Prostate Cancer in California
City of Hope Conference on Innovative Treatment Strategies for GU Malignancies, San Diego, CA
- 2008 The case for retroperitoneal lymphadenectomy; The case for radical prostatectomy
UCLA State-of-the-Art in Urology, Marina del Rey, CA
The burden of urologic diseases in America
Plenary state-of-the-art lecture, American Urological Association, Orlando, FL
Informing clinical quality improvement
American College of Surgeons Commission on Cancer Annual Meeting, San Francisco, CA
Quality of care in men with prostate cancer
Caring for California’s uninsured with prostate cancer
University of California, Davis, Department of Urology, Sacramento, CA
Quality of life in men treated for early-stage prostate cancer
Duke University Division of Urologic Surgery, Durham, NC
- 2009 The burden of urologic diseases in America; Caring for California’s uninsured with prostate cancer
Quality of care in men with prostate cancer; Quality of life in men with prostate cancer
Stanford University Department of Urology
California’s IMPACT program for the uninsured with prostate cancer; The burden of urologic diseases in America
Quality of life in men with prostate cancer
University of Minnesota Department of Urology
Critical issues in the management of testis cancer
UCLA State-of-the-Art in Urology, Marina del Rey, CA
Urologic Diseases in America
Richard D. Williams, MD Silver Jubilee Festschrift, Iowa City, IA
- 2010 Chemotherapy for early-stage testis cancer
UCLA State-of-the-Art in Urology, Marina del Rey, CA
Screening and prevention for bladder, renal, and testis cancer
International Society of Men’s Health Consensus Conference, New York, NY

- The demographic burden of urologic diseases in America
 Association Française d'Urologie, San Francisco, CA
- Screening and prevention for prostate cancer
 Grand Rounds, UCLA Department of Medicine
- Prostate cancer decision making : a new primer for primary care
 Grand Rounds, UCI Department of Medicine
- 2011 The health care reform act of 2010: Down to the details
 Grand Rounds, UCLA Department of Surgery
- Adjuvant radiation after radical prostatectomy, regardless of PSA
 Update on early-stage non-seminomatous germ cell testis cancer
 UCLA State-of-the-Art in Urology, Marina del Rey, CA
- Caring for California's uninsured with prostate cancer
 UCLA Center for Health Policy Research
- Caring for California's uninsured with prostate cancer: the IMPACT Program
 Keynote address, Innovative Minds in Prostate Cancer Today
 U.S. Department of Defense symposium, Orlando, FL
- Documenting outcomes with patient-reported questionnaires
 Advantages and limitations of current quality of life instruments
 Prostate Cancer: Predictive Models For Decision Making
 Memorial Sloan Kettering Cancer Center, New York, NY
- The public health impact of lower urinary tract symptoms
 National Institute of Diabetes and Digestive and Kidney Diseases
- The health-related quality of life impact of active surveillance for men with prostate cancer
 National Institutes of Health State of the Science Conference
- 2012 Patient-doctor communication: the trust equation
 School of Foreign Languages, The National and Kapodistrian University of Athens (by Skype)
- Contemporary management of patients with testicular cancer
 Therapy vs surveillance for men with intermediate-risk prostate cancer
 UCLA State-of-the-Art in Urology, Marina del Rey, CA
- The current landscape of health services research in urology
 Ann Arbor Health Services Research Symposium, University of Michigan
- Outcomes and quality in urologic oncology
 American Urological Association North Central Section annual meeting, Chicago, IL
- 2013 State of the art in bladder cancer management
 UCLA State-of-the-Art in Urology, Marina del Rey, CA
- Keynote address, *Alpha Omega Alpha* induction, David Geffen School of Medicine at UCLA
- Quality and outcomes in urologic oncology; Prostate cancer screening 2013
 University of Toronto Urology Update
- 2015 Patient-centered care in urologic oncology
 Developing and managing an academic medical center urology department
 International Forum on Frontiers in Urology, Wu Jieping Medical Foundaiton, Beijing, China
- Global initiative to compare health outcomes and reduce variation for men with localized prostate cancer
 Movember Foundation symposium, Cairns, Australia
- 2016 Treatment of testicular cancer
 Confederacion Americana de Urologica, San Diego, CA
- Policy panel expert roundtable
 AUA Residents Forum, San Diego, CA
- 2017 Caring for the uninsured at the intersection of policy an dpolitics
 Minority Training Program in Cancer Control Research, UCLA
- 2018 Robotic retroperitoneal lymphadenectomy
 UCLA State of the Art in Urology, Marina del Rey, CA

CLASSROOM TEACHING

1991 – 1995	M 101, Interactive Teaching (IAT) Seminar "Is it cancer" and "Can I still have sex" . . . what patients really want to know. UCLA School of Medicine, first year students Fall 1991, Winter 1992, Spring 1992, Fall 1993, Fall 1994, Fall 1995
1992 – 2005	M 202, Pathophysiology of Disease (renamed Human Biology & Disease 403 in 2004) UCLA School of Medicine, second year students Co-director, genitourinary disease section Annual lectures on hematuria, prostate and bladder diseases, and testicular diseases
1992 – 2011	SU 011, SU 021, Core Surgery UCLA School of Medicine, third year students Lectures on principles of general urology and practical module on genitourinary examination Quarterly throughout the academic year
1992 – 2004	M 101, Doctoring-I UCLA School of Medicine, first year students Annual lecture on taking a sexual history
1993 – 1997	M 101, Doctoring-I UCLA School of Medicine, first year students Core faculty (7 hours per month classroom time) 1993-1994, 1994-1995, 1995-1996, 1996-1997
1993 – 2000	MED 204, Fundamentals of Clinical Medicine UCLA School of Medicine, second year students Annual lecture introducing the genitourinary examination
1993 – 1998	Health Services 200C, Health Policy Analysis and Management UCLA School of Public Health Annual lecture on medical outcomes and quality of life research
Spring 1994	Health Services 100, Introduction to Health Services UCLA School of Public Health Course co-director
Winter 1995	Health Services 214, Measurement of Effectiveness and Outcomes in Health Care UCLA School of Public Health Course co-director
Spring 1995	Health Services 100, Introduction to Health Services UCLA School of Public Health Course director
Fall 1995	Community Health Science 411, Issues in Cancer Prevention and Control UCLA School of Public Health Lecture on Prostate cancer prevention, diagnosis, and treatment
Fall 1995	M 201, Neurobiology, Cell & Tissue Biology UCLA School of Medicine, first year students Lecture on radiographic manifestations of renal disease
1995 – 2000	UCLA Internal Medicine Resident Lecture Series Prostate cancer screening, diagnosis and management in the primary care setting Twice per year
Winter 1996	Health Services 214, Measurement of Effectiveness and Outcomes in Health Care UCLA School of Public Health Course director
Spring 1996	Health Services 100, Introduction to Health Services UCLA School of Public Health Course co-director
June 1996	Faculty member at Postgraduate course: Prostatic Disease--Insights and Innovations, Vail, CO
1996 – 2011	SU 492.01, Core Clerkship in Urology Course director
1996 – 2000	UCLA Surgical Intern Lecture Series Annual lecture on common urological problems
Spring 1997	Health Services 100, Introduction to Health Services UCLA School of Public Health Course director

Fall 1997	Health Services 100, Introduction to Health Services UCLA School of Public Health Lectures on health care financing and quality of care assessment
Spring 1998	Health Services 100, Introduction to Health Services UCLA School of Public Health Lecture on quality of care assessment
1998 – 2005	Health Services 443, The Biological and Social Bases of Prevention UCLA School of Public Health Annual lecture on primary, secondary, and tertiary prevention in prostate cancer
Spring 1999	Health Services 100, Introduction to Health Services UCLA School of Public Health Course director
Winter 2000	Health Services 214, Measurement of Effectiveness and Outcomes in Health Care UCLA School of Public Health Course director
Spring 2000	Health Services 100, Introduction to Health Services UCLA School of Public Health Lectures on health care financing and quality of care assessment
Spring 2001	Health Services 100, Introduction to Health Services UCLA School of Public Health Course director
2001 – present	Community Health Sciences 411, Issues in Cancer Prevention and Control UCLA School of Public Health Annual lecture on health-related quality of life
Winter 2002	Health Services 214, Measurement of Effectiveness and Outcomes in Health Care UCLA School of Public Health Course director
January 2003	Health Services 200B, Health Policy Analysis and Management UCLA School of Public Health Lecture on quality of care
Spring 2003	Health Services 100, Introduction to Health Services UCLA School of Public Health Course director
Winter 2004	Health Services 214, Measurement of Effectiveness and Outcomes in Health Care UCLA School of Public Health Course director
2004 – 2006	M 407, Human Biology and Disease UCLA School of Medicine, fourth year students Lecture on principles of grant writing
Spring 2005	Health Services 100, Introduction to Health Services UCLA School of Public Health Course director
2005 – 2009	Outcomes Research Primer Instructional course taught at annual American Urological Association meeting Course director
Winter 2006	Health Services 214, Measurement of Effectiveness and Outcomes in Health Care UCLA School of Public Health Course director
Fall 2008	Health Services 200A, Health Policy Analysis and Management UCLA School of Public Health Lecture on organization of medical practice
Spring 2009	Health Services 100, Introduction to Health Services UCLA School of Public Health Lecture on health care financing
Spring 2010	Health Services 100, Introduction to Health Services UCLA School of Public Health Course director
Spring 2011	Health Services 100, Introduction to Health Services UCLA School of Public Health Lecture on health care financing
