

UCLA ANESTHESIOLOGY CA3 RESIDENTS

	<p>AZAD HIRPARA</p> <p>Email: ahirpara@mednet.ucla.edu Hometown: Jersey City, NJ Medical School: Rutgers Undergraduate: U of Pittsburgh, BS Neuroscience Interests: Sports (basketball, football, tennis), fitness, nutrition, travel/adventure, technology, documentaries.</p>
	<p>JEFFREY "JEFF" KIM</p> <p>Email: jkkim@mednet.ucla.edu Hometown: Los Angeles, CA Medical School: U of Arizona—Phoenix Graduate: Georgetown U, MS Physiology and Biophysics Undergraduate: UCLA, BS Physiological Sciences Interests: I love to watch and play football, basketball, and soccer. I have been an avid golfer since my youth and love a good round of golf with friends. I enjoy grilling and potluck dinners, and love to experiment with new recipes especially in Korean cuisine. I enjoy board games, good photography, <i>Game of Thrones</i>, and <i>Marvel</i> movies.</p>
	<p>LIBING "LIBBY" WANG</p> <p>Email: Hometown: Huo Qiu, China Medical School: NYU Undergraduate: UCB, BS Bioengineering Interests: Reading, painting, ballet, board games, public policy, listening to podcasts, and Star Wars.</p>
	<p>YUSUKE AKAHOSHI</p> <p>Email: yakahoshi@mednet.ucla.edu Hometown: Portland, OR Medical School: USC Undergraduate: USC, BA Biological Sciences, Minor: Cultural Competence in Medicine Interests: Playing games, cooking Japanese dishes, watching TV shows/movies</p>
	<p>SUSAN ALAEI</p> <p>Email: salaei@mednet.ucla.edu Hometown: Mesa, AZ Medical School: U of Nevada Undergraduate: U of Nevada, BS Biochemistry and Molecular Biology Interests: Trail running, rollerblading, musical theater, escape rooms, cooking and baking.</p>
	<p>NICOLE ANDONIAN</p> <p>Email: nandonian@mednet.ucla.edu Hometown: Los Angeles, CA Medical School: Ohio State Undergraduate: UCLA, BS Psychobiology Interests: Cooking and baking; working out, being active, staying healthy; world travel, language and culture; spending time with family and friends.</p>

	<p>STEFAN BESADA</p> <p>Email: sbesada@mednet.ucla.edu Hometown: Wurzburg, DEU Medical School: Baylor Undergraduate: UCLA, BS Anthropology Interests: Weight training, cycling, hiking, fine arts: particularly drawing and calligraphy, nature, photography, cooking: especially central European dishes, American Cinema (especially films from the AFI's Top 100), gardening, automotive news, visiting fine arts and natural science museums, learning about and trying new craft beers, brewery tours, reading (preferred genres: drama, hermeneutics); Countries visited: Germany, Austria, Netherlands, England, Czech Republic, and Egypt.</p>
	<p>SHAUN DISNEY</p> <p>Email: sdisney@mednet.ucla.edu Hometown: Edmonton, AB Medical School: UCI Undergraduate: U of Notre Dame, BS Pre-Professional Studies Interests: Avid music fan and record collector. Favorite album of all time is Elvis Costello's "My Aim Is True" and I own stereo and mono copies of every Beatles record. Love learning about and making great coffee, mostly pour-over coffee and manual espresso. Been running most of my life and recently started cycling a few years ago. I have completed one century ride and two marathons and am currently training for a third. Ardent supporter of Notre Dame football and Anaheim Ducks hockey.</p>
	<p>XUEZHI "ZHI" DONG</p> <p>Email: xdong@mednet.ucla.edu Hometown: Dalian, China Medical School: UCSD Graduate: Harvard, MPH Health Management and Public Leadership (Degree expected 06/2017) Undergraduate: Harvard, BA Molecular and Cellular Biology & East Asian Studies minor Interests: Hiking and outdoor activities, international traveling, weightlifting, blogging (ventureinmedicine.com), freshwater aquascaping and fishkeeping. Technical skills: Data analysis in R and Stata. Basic programming in C. Web design with Wordpress.</p>
	<p>CRAIG FLATH</p> <p>Email: cflath@mednet.ucla.edu Hometown: Salinas, CA Medical School: Vanderbilt Undergraduate: UCI, BS Biological Sciences Interests: College radio show host, music festival enthusiast, pickling hobbyist, brewing and fermentation science club member, intramural softball player, board game hobbyist</p>
	<p>BRYANT HONG</p> <p>Email: bhong@mednet.ucla.edu Hometown: Orange County, CA Medical School: George Washington U Undergraduate: UCI, BS Public Health Science Interests: As a former pasta and pizza chef, I genuinely enjoy cooking. My best dishes are roasted rack of lamb and maple salmon. As a former indie band member in high school, I also enjoy playing guitar, producing beats, and going to concerts. Since I grew up next to a beach, I love swimming, paddle boarding, and setting up bonfires. Spend the majority of my time outdoors bicycling, hiking, bouldering, shooting, weightlifting, and travelling with my family and friends.</p>
	<p>ALBERT LEE</p> <p>Email: albertlee@mednet.ucla.edu Hometown: Los Angeles, CA Medical School: U of Chicago Undergraduate: Occidental College, BA Biochemistry Interests: I enjoy rock and ice climbing, hiking, lacrosse, and guitar.</p>

	<p>HEWENFEI "ELWEN" LI</p> <p>Email: hewenfeili@mednet.ucla.edu Hometown: Chengdu, Sichuan P.R.China Medical School: U of Utah Undergraduate: Brigham Young U—Hawaii, BS Biological Science, BS Exercise & Sports Science Interests: I love traveling and experiencing new cultures. Tibet holds a special interest for me and I hope to visit there someday. I enjoy cooking and dining out (esp. spicy food), particularly with family and friends. I meditate regularly and find that along with Tai Chi I am able to find consistent inner peace and maintain overall balance and well-being. I enjoy hiking and its combination of a strong fitness component, the beauty and sometimes harsh reality of nature, and the peace that comes from quiet time.</p>
	<p>JERRY MARKAR</p> <p>Email: jjmarkar@mednet.ucla.edu Hometown: Brighton, England Medical School: U of Illinois Undergraduate: UCLA, BS Molecular, Cell, and Developmental Biology Interests: My wife and I are the proud parents of our newborn son, who has become our new favorite pastime! That said, I also enjoy traveling, hiking, camping, live theater, and professional basketball. Recently, I spent a week in Aruba snorkeling and exploring the island. I have also just hiked Devil's Lake in Wisconsin and Starved Rock in Illinois. My favorite live performance thus far has been Wicked and, on my list, to see are The Lion King and Hamilton. And when I can, I love catching a basketball game on TV!</p>
	<p>SARA NAVAB</p>
	<p>AMY NGUYEN</p> <p>Email: amynguyen@mednet.ucla.edu Hometown: Oxnard, CA Medical School: UCLA Undergraduate: UCSD, BS Human Biology Interests: Mi Zhong Lo Han style kung fu, traditional Chinese lion dance, hiking, piano.</p>
	<p>HAYLEY OSEN</p> <p>Email: hosen@mednet.ucla.edu Hometown: Pasadena, CA Medical School: U of Michigan Graduate: Harvard, MS Health Policy & Management Undergraduate: John Hopkins, BA Public Health Studies Interests: Traveling, tennis, swimming, and hiking. Reading and listening to podcasts about economics, health, politics, and pop culture. Learning about technology and trying new gadgets.</p>
	<p>JASON PIA</p> <p>Email: jpia@mednet.ucla.edu Hometown: San Jose, CA Medical School: UCLA Graduate: John Hopkins U, MHS Molecular Microbiology & Immunology (Degree Earned 05/2012) & UCLA, MPH Health Policy and Management (Degree Expected 06/2017) Undergraduate: UCLA, BS Physiological Sciences Interests: Have a pet fish named Sushi and a shiba inu named Sayuri. Try to stay active with weightlifting, hiking, snowboarding, and badminton. Swim and often go stand-up paddle boarding and kayaking. Cook a majority of my meals (know a few traditional Filipino dishes) and also bake (currently experimenting with new French macaron recipes). Have a DSLR camera that I use for photography. Like architectural and nature/landscape photography, and use Photoshop to edit my photos. Research interest in HIV.</p>

	<p>AANCHAL PRAKASH</p> <p>Email: aanchalprakash@mednet.ucla.edu Hometown: Santa Clara, CA Medical School: Northwestern U Undergraduate: UCB, BA Psychology & BA Molecular and Cell Biology– Neuroscience Interests: Traveling: I traveled with my family and moved to India for 3 years as a child. As I grew older I sought out opportunities to experience diversity in culture, food, and landscape. Cooking: This hobby evolved from emulating home-cooked meals to staying healthy and being creative. Dancing: I trained in Indian Folk Dance for over 10 years and continue to perform and teach workshops. Making jewelry: I enjoy working with clay, leather, wire, and stones to make accessories like rings and headbands.</p>
	<p>DANE SAKSA</p> <p>Email: dsaksa@mednet.ucla.edu Hometown: Wichita, KS Medical School: Columbia Graduate: Columbia, MBA Business Administration Undergraduate: Stanford, BA Human Biology Interests: Music (classical piano and cello, guitar, singer, songwriter, past-performer in rock band, and avid concert-goer), reading for pleasure, world travel, exercise/Running, snow-skiing, playing tennis, camping, hiking, backpacking, and wilderness travel, seeing Broadway plays and musicals.</p>
	<p>MARIAM SARWARY</p> <p>Email: msarwary@mednet.ucla.edu Hometown: Quetta, Pakistan Medical School: George Washington U Undergraduate: UC Berkeley, BA Molecular & Cellular Biology Interests: Outdoor activities including hiking, camping, kayaking, surfing, snorkeling, and biking. Cooking and baking, I am always ready to try a new recipe. Traveling, allows me to learn about new cultures and traditions. Photography and Scrap Booking, I enjoy the unique view of the world through the camera lens.</p>
	<p>LIAM SULLIVAN</p> <p>Email: liamsullivan@mednet.ucla.edu Hometown: Providence, RI Medical School: Brown Undergraduate: Brown, BA Music Interests: Discovering new music, cooking and baking for friends, bodyweight exercise, meditating, and learning Spanish.</p>
	<p>EMILY WALTERS</p> <p>Email: ewalters@mednet.ucla.edu Hometown: Groton, CT Medical School: U of Rochester Graduate: U of Rochester, PhD Undergraduate: Pittsburg State U, BS Mathematics and Biology Interests: In my free time, I enjoy sailing, baking, watching soccer, supporting local artists, backpacking, board games, building computers, and trivia contests.</p>
	<p>IAN WORDEN</p> <p>Email: iworden@mednet.ucla.edu Hometown: Sacramento, CA Medical School: Chicago Med Graduate: Rosalind Franklin U, MS Biomedical Sciences Undergraduate: UCI, BS Biological Sciences Interests: Lacrosse. Hiking & Backpacking: Sierra Nevada Mountains, Lake Tahoe, Point Reyes, Yosemite, Death Valley, New Mexico. Travel: Scotland, Europe, China, Charleston, South America (planned). Intramural Flag Football. Transcendental Meditation. Medical Simulation: "Managing Cardiovascular Emergencies" Elective. Pub Trivia Nights.</p>
