

CURRICULUM VITAE

Michael Strober, Ph.D.

Resnick Endowed Professor of Eating Disorders
Professor of Child and Adolescent Psychiatry
Director, Eating Disorders Program
Senior Consultant, Youth Mood Disorders Program
David Geffen School of Medicine
University of California, Los Angeles

Business address: UCLA Semel Institute for Neuroscience & Human Behavior, and Stewart and Lynda Resnick Neuropsychiatric Hospital, David Geffen School of Medicine, 760 Westwood Pl., Los Angeles, CA 90024-1759

Email: mstrober@mednet.ucla.edu

Business phone: (310) 825-5730

Home address:

Home phone:

Date/place of birth: February 22, 1949/New York City

Citizenship: United States

Marital status: Married

EDUCATION

B.A.	Psychology	Queens College, CUNY	1971
M.S.	Clinical Psychology	University of Pittsburgh	1973
Ph.D.	Clinical Psychology	University of Pittsburgh	1975
Internship	Clinical Psychology	UCLA Neuropsychiatric Institute	1974-1975

LICENSURE

Psychologist (clinical) California (Psy 4983)

BOARD CERTIFICATION

Specialty Certification in Clinical Child and Adolescent Psychology by
American Board of Professional Psychology

National Register of Health Service Providers in Psychology

PROFESSIONAL EXPERIENCE

Current Position

- | | |
|--|-----------|
| Resnick Endowed Chair in Eating Disorders, | 2007- |
| Professor of Psychiatry, David Geffen School of Medicine, University of California at Los Angeles | 1989- |
| Associate Professor of Psychiatry, School of Medicine, University of California at Los Angeles | 1983-1989 |
| Assistant Professor of Psychiatry, School of Medicine, University of California at Los Angeles | 1976-1983 |
| Adjunct Assistant Professor of Psychiatry, School of Medicine, University of California at Los Angeles | 1975-1976 |
| Instructor, Department of Psychology, University of Pittsburgh | 1972-1974 |

PROFESSIONAL ACTIVITIES

Associations and Scholarly Societies

- | | |
|---|-------|
| Fellow, American Psychological Association | 1977- |
| New York Academy of Science | 1980- |
| American Psychopathological Association | 1987- |
| Fellow, Society of Biological Psychiatry | 1987- |
| Fellow, Academy for Eating Disorders | 1994- |
| Fellow, Eating Disorders Research Society | 1996- |
| President, Eating Disorders Research Society | 1998 |
| Fellow, American Academy of Child & Adolescent Psychology | 2007- |

Committee Service (within Department of Psychiatry)

Inpatient Services Committee	1976-1992
Medical Records Committee	1978-1981
Strategic Academic Planning Committee	1992-1993
Medical Student Thesis Committee	1992-1994
Committee Service (continued)	

Academic Appointments and Advancement Committee	2007-2010
Member, Medical Institutional Review Board 3	2008-

Community Service

Chairman, Division of Education and Training, California State Psychological Association	1981-1982
Advisor, Beverly Hills School District Psychological Services	1981-1982
Advisor, Marymount High School	1981-1982
Advisor, Marlborough School	1985-1988
Advisor, Maple Counseling Center, Beverly Hills	1985-1988

Consulting Activities

Consultant, Behavioral Medicine Grant Review Committee, and Psychopathology and Clinical Biology Review Committee, National Institute of Mental Health	1986-1988
Member, Psychopathology and Clinical Biology Grant Review Committee, National Institute of Mental Health	1988-1992
Member, Subcommittee on Affective Disorders in Childhood and Adolescence, Work Group for DSM-IV, American Psychiatric Association	1988-1989
Member, Task Force on Intervention in Childhood and Adolescent Mental Disorders, National Academy of Sciences, Institute of Medicine	1988-1989
Reviewers Reserve, Alcohol, Drug Abuse, and Mental Health Administration	1992-1994
Member, Eating Disorders Advisory Group, National Institute of Mental Health	1995-2000

Reviewer, Grants Committee, Ontario Mental Health Foundation	1992-
Consultant, American Academy of Child and Adolescent Psychiatry Work Group on Practice Parameters for Bipolar Affective Illness	1995-1996
Reviewer, Grants Committee, Austrian Science Foundation	1997-
Consulting Activities (continued)	
Reviewer, Grants Committee, The Wellcome Trust	1999/2006
Member, Clinical and Scientific Advisory Counsel, National Eating Disorders Association	2005-2006
Consultant Member, Data Safety and Monitoring Board (Children), National Institute of Mental Health	2006-
Consultant, Program on Adolescent Health Promotion, Rand Corporation	2007-
Reviewer, Special Emphasis Panel, National Institute of Mental Health	2007-
Consultant, The Brain Foundation of the Netherlands	2015-
Editorial Services	
Editor-in-Chief, International Journal of Eating Disorders Emeritus Editor	1983-2012 2013-
Member, Editorial Board:	
Eating Disorders: Journal of Prevention	1997-2002
Journal of Child and Adolescent Psychopharmacology	2002-2013
Current Pediatric Reviews	2004-
Ad hoc reviewer:

HONORS AND SPECIAL AWARDS

B.A., Magna Cum Laude
Phi Beta Kappa
Undergraduate Honors in Psychology
National Institute of Mental Health Undergraduate Research Award
National Institute of Mental Health Graduate Fellowship in
Psychology
Listed in Who's in the West
Fellowship invitation (declined), Center for Advanced Studies 1991
in the Behavioral Sciences
Distinguished Research Award, National Eating Disorders Association 2005
Named in Best Doctors in United States (for Childhood Mood Disorders

and Eating Disorders), Good Housekeeping Magazine		
Distinguished Clinical Service and Education Award, Academy for Eating Disorders		2006
Visiting Professor of Psychiatry, University of Pittsburgh		1984
Visiting Professor of Child Psychiatry, University of Pittsburgh	1990	
Visiting Professor of Child Psychiatry, Stanford University		1990
Visiting Professor of Child Psychiatry, University of Toronto		1994
Visiting Professor of Child Psychiatry, Northwestern University		1994
Visiting Professor of Psychiatry, University of Iowa		2001
Visiting Professor of Child Psychiatry, New York University		2003
Visiting Professor of Child Psychiatry, New York University		2007
Visiting Professor of Child Psychiatry, University of Washington		2007
Visiting Professor of Child Psychiatry, Tel Aviv University		2007
Resnick Endowed Chair in Eating Disorders, UCLA		2007
Distinguished Service Award, Academy for Eating Disorders		2012
Nominee, Departmental Teaching Award		2012

HONORS AND SPECIAL AWARDS (continued)

Klingenstein Third Generation Award for Best Paper Published on Depression and Suicide in Journal of the American Academy of Child & Adolescent Psychiatry		2012
Outstanding Senior Faculty House-staff Teaching Award		2014-2015
Visiting Professor, Child Mind Institute, New York		2016

RESEARCH GRANTS

 Title: Thought Disorder in Offspring of Schizophrenic Mothers: 15-Year Follow-up
 Role: Principal Investigator
 Dates: 01/01/77-12/31/78
 Amount: \$5,000

Source: William T. Grant Foundation (Fish)
 Title: Study of Early Development and its Effect on Personality
 Role: Co-Principal Investigator
 Dates: 07/1/78-6/30/79
 Amount: \$19,500

Source: National Institute of Mental Health, R01 MH41899-01 (Cantwell)
 Title: Adolescent Depression: Neuropharmacology and Biology
 Role: Co-Principal Investigator
 Dates: 07/01/86-6/30/89
 Amount: \$352,000

Source: McArthur Foundation (Weiner)
Title: The Neuro-endocrinology of Anorexia Nervosa,
Role: Co-Principal Investigator
Dates: 01/01/86-12/31/87
Amount: \$10,000

Source: National Institute of Mental Health (Kaye)
Title: Genetic Epidemiology of Alcoholism and Eating Disorders
Role: Co-Investigator
Dates: 07/01/91-6/30/94
Amount: \$818,000

Source: National Institute of Mental Health, R10 MH48878
Title: Lithium Prophylaxis in Adolescents with Bipolar Illness,
Role: Principal Investigator
Dates: 07/01/92-06/30/97
Amount: \$589,000

RESEARCH GRANTS (continued)

Source: Smith Kline Beecham Pharmaceuticals
Title: Paroxetine, Imipramine, and Placebo in Adolescent Major Depression
Role: Principal Investigator
Dates: 12/01/93-11/30/97
Amount: \$650,000

Source: Price Foundation (Geneva, Switzerland)
Title: Genetic Studies of Affected Sibling Pairs in Anorexia Nervosa
Role: Principal Investigator
Dates: 09/01/95-08/31/97
Amount: \$150,000

Source: Price Foundation (Geneva, Switzerland)
Title: Genetic Studies of Affected Relatives in Bulimia Nervosa
Role: Principal Investigator
Dates: 09/01/97- 08/31/98
Amount: \$130,000

Source: National Institute of Mental Health, UO1 MH61864
Title: Treatment of SSRI-Resistant Depression in Adolescents
Role: Principal Investigator
Dates: 09/01/00-09/30/05
Amount: \$681,248

Source: National Institute of Mental Health, RO1 MH59977

Amount: \$600,000

Source: National Institute of Mental Health, RO1 MH59977
Title: Course and Outcome in Children and Adolescents with Bipolar Illness,
Role: Principal Investigator
Dates: 07/01/06-06/30/15
Amount: \$1,250,000

RESEARCH GRANTS (continued)

National Institute of Mental Health, 1 RO1 MH093535 (PI: J. Feusner)
Title: Common and Distinct Phenotypes in Anorexia Nervosa and Body Dysmorphic Disorder
Dates: 04/01/12-12/31/2015
Role: Co-Investigator
Amount \$1,386,000

National Institute of Mental Health, 1 RO1 MH0935-02S1 (PI: J. Feusner)
Title: Interoception in Anorexia Nervosa and the Relationship to Anxiety and Eating
Role: Co-Investigator
Dates: 07/01/2012-12/31/13
Amount: \$145,000

National Institute of Mental Health, 1 R01 MH093676 (PI: D. Miklowitz)
Title: Early Family Intervention for Youth at Risk for Bipolar Disorder
Role: Investigator
Dates: 3/15/2012–12/31/16
Amount: \$3,394,761

National Institute of Mental Health, 1 RO1 MH105662 (PI: J. Feusner)
Title: Anxiety and Reward Circuit Interactions in Anorexia Nervosa
Dates: 07/01/15-06/30/2020
Role: Co-Investigator

Amount \$1,496,611

INVITED LECTURES AND PRESENTATIONS

"Treating Disruptive Behavior in the Classroom and Home through Contingency Management", Annual meeting of the American Association of Psychiatric Services for Children, Chicago, IL, November 1973

"Patterns of Emotional Disturbance Through Adolescence", Seminar on Child Development, Department of Pediatrics, UCLA, Los Angeles, CA, March 1976

"The Assessment of Thought Disorder in Psychodiagnostic Evaluation", Seminar in Clinical Methods, Department of Psychology, UCLA, Los Angeles, CA, November 1976

"The Structuring of Interpersonal Relations in Schizophrenia: A Decentering Analysis of TAT Stories", Annual meeting of the Western Psychological Association, Seattle, WA, April 1977

"Object Representation in Anorexia Nervosa: An Empirical Investigation", Sixth World Congress of Psychiatry, Honolulu, HI, September 1977

"Schizophrenia in Adolescence: Developmental Precursors, Differential Diagnosis, Course, and Treatment", Ventura County Community Mental Health Center, Ventura, CA, September 1977

"Manic-Depressive Illness in Early Adolescence", Annual meeting of the American Academy of Child and Adolescent Psychiatry, Houston, TX, October 1977

"The Differentiation of Schizophrenic and Affective Psychoses in Adolescence", Special Conference on Schizophrenia, Southern California Psychiatric Association, Ventura, CA, October 1977

"Psychological and Cognitive Dysfunction in Anorexia Nervosa", Family Studies Project Group, Department of Psychology, UCLA, Los Angeles, CA, November 1977

"Anorexia Nervosa: An Integrated Treatment and Research Program within the Inpatient Setting", Annual meeting of the American Association of Psychiatric Services for Children, Washington, DC, November 1977

"The Diagnosis and Long-term Treatment of Schizophrenia", Department of Mental Hygiene, County of San Luis Obispo, San Luis Obispo, CA, January 1978

"Psychology and the Medical Model: A Reappraisal in Light of Recent Biological and Clinical Research", Symposium on the Training of Psychologists in Medical Institutions, California State Psychological Association Convention, San Francisco, CA, January 1978

"The Diagnosis and Evaluation of Affective Disorders", Division of Family Practice Medicine, UCLA, Los Angeles, CA, September 1978

"Psychopathology in Hospitalized Adolescents", Annual meeting of the American Orthopsychiatric Association, Washington, DC, April 1979

"Major Depressive Disorder in Adolescents", Annual meeting of the American Psychiatric Association, San Francisco, CA, May 1980

"Current Trends in the Diagnostic Nosology of Psychiatric Illness", Seminar of Psychological Assessment Techniques, Department of Psychology, UCLA, Los Angeles, March 1981

"The Differentiation of Bipolar Illness in Adolescents with Major Depression", Seminar on Child Psychiatry, UCLA Harbor General Hospital, Los Angeles, CA, April 1981

"Clinical, Hereditary, and Pharmacologic Predictors of Bipolar Illness in Adolescents with Major Depressive Disorder", Annual meeting of the American Psychiatric Association, New Orleans, LA, May 1981

"Clinical, Genetic, and Longitudinal Aspects of Depressive Disorder in Early Adolescence", Special Academic Colloquium, Division of Child Psychiatry, UCLA, Los Angeles, CA, May 1981

"Familial Personality Deviance and Psychiatric Morbidity Associated with Binge Eating in Anorexia Nervosa", Annual meeting of the American Psychological Association, Los Angeles, CA, August 1981

"An Empirical Typology of Anorexia Nervosa", International Conference on Eating Disorders, Clarke Institute of Psychiatry, Toronto, Canada, September 1981

"Predicting Liability to Bipolar Illness in Adolescents with Major Depression", Grand Rounds, Department of Child Psychiatry, New York State Psychiatric Institute, Columbia University, New York, NY, September 1981.

"Developmental and Genetic Aspects of Major Affective Disorder in Adolescence", Grand Rounds, Division of Child and Adolescent Psychiatry, St. Luke's Hospital, Columbia University, New York, NY, September 1981

"Diagnosis and Treatment of Depression in Adolescence", Division of Family Medicine, UCLA, Los Angeles, CA, September 1981

"Theory and Treatment of Anorexia Nervosa", Grand Rounds, Department of Pediatrics, UCLA, Los Angeles, CA, September 1981

"Anorexia Nervosa and Bulimia," Department of Counseling Services, Claremont College, Pomona, CA, December 1981

"Family-Genetic Studies of Major Depression", Annual meeting of the American Psychiatric Association, Toronto, Canada, May 1982

"Family Genetic Studies of Pubertal Depression and Schizoaffective States", 10th Congress of the International Association of Child and Adolescent Psychiatry and Allied Professions, Dublin, Ireland, July 1982

"Familial Factors in Anorexia Nervosa and Bulimia: Implications for Theory and Methodology", European Congress of Psychosomatic Medicine, Amsterdam, Holland, September 1982

"Multidimensional Treatment of Anorexia Nervosa", Grand Rounds, Department of Psychiatry, Harbor-UCLA Hospital, Torrance, CA, June 1982

"The Subclassification of Eating Disorders: Implications for Theory Conceptualization and Research Methodology", Ross Laboratories Conference on Anorexia Nervosa, Phoenix, AZ, November 1982

"Anorexia Nervosa: Theory and Treatment," Grand Rounds, Good Samaritan Hospital, Portland, OR, November 1982.

"The Psychopathology of Anorexia Nervosa and Bulimia", Colloquium, Department of Psychology, Brigham Young University, Provo, UT, March 1983

"Manic Depressive Illness in Adolescence: Identification, Prediction and Treatment", Keynote Address, Annual meeting of the New York Society for Adolescent Psychiatry, New York, April 1983

"Familial Depression Associated with Anorexia Nervosa", Annual meeting of the American Psychiatric Association, New York, NY, May 1983

"The Course of Major Depression in Early Adolescence", Annual meeting of the American Psychiatric Association, New York, NY, May 1983

"Bio-genetic Aspects of Affective Illness in Early Adolescence", Annual meeting of the American Psychiatric Association, New York, May 1983

"Affectivity in Anorexia Nervosa", Keynote Address, Annual meeting of the Southern California Society for Adolescent Psychiatry, Los Angeles, CA, June 1983

"Family Studies of Adolescent Depression", Consortium for the Study of Childhood and Adolescent Affective Disorders, Boston, MA, September 1983

"Treatment of Anorexia Nervosa in Adolescents", Keynote Address, Annual conference on Eating Disorders, National Anorexia Nervosa Association, Columbus, OH, October 1983

"Familial Associations between Anorexia Nervosa and Affective Disorders", Keynote Address, International Conference on Eating Disorders, New York, NY, April 1984

"Role of the Hospital in the Treatment of Anorexia Nervosa", Annual meeting of the American Psychiatric Association, Los Angeles, May 1984

"A Controlled Family Study of Anorexia Nervosa", International Conference on Anorexia Nervosa and Allied Disorders, Swansea, Wales, September 1984

"Research Methods in the Eating Disorders", International Conference on Anorexia Nervosa and Allied Disorders, Swansea, Wales, September 1984

"A Genetic, Clinical, and Treatment Study of Bipolar Illness in Adolescents", Consortium for the Study of Childhood and Adolescent Affective Disorders, Boston, MA, September 1984.

"Comprehensive Treatment of Anorexia Nervosa in Adolescence", Annual meeting of the American Academy of Child and Adolescent Psychiatry, Toronto, Canada, October 1984.

"A Genetic, Clinical, and Treatment Study of Bipolar Illness in Adolescence", Annual meeting of the American Academy of Child and Adolescent Psychiatry, Toronto, Canada, October 1984.

"Family Studies of Psychiatric Illness in Adolescence: Developmental and Biological Implications", Grand Rounds, Department of Psychiatry, University of Arizona School of Medicine, Tucson, AZ, January 1985

"Clinical and Biological Implications of Affective Disorders and Anorexia Nervosa in Adolescence", Colloquium, Department of Psychology, Miami University, Miami, OH, March 1985.

"Depression in Adolescence," Keynote Address, University of Minnesota Conference on Controversies in Adolescent Mental Health, Minneapolis, MN, September 1985

"Familial Relationships between Anorexia Nervosa and Affective Illness", International Congress of Psychosomatic Medicine, Chicago, IL, September 1985

"The Course of Psychotic Depression in Adolescence", Annual meeting of the American Academy of Child and Psychiatry, San Antonio, TX, October 1985

"New Family Studies of Anorexia Nervosa", Grand Rounds, Department of Psychiatry University of California, Irvine, CA, November 1985

"Family Factors in the Etiology of Anorexia Nervosa", Colloquium, Department of Psychology, University of California, Santa Barbara, Ca, November 1985

"Relationships between Anorexia Nervosa and Depression", Keynote Address, Second International Conference on Eating Disorders, New York, NY, April 198

"Family-Genetic Studies of Anorexia Nervosa", National Institute of Mental Health Workshop on Eating Disorders, Bethesda, MD, September 1986

"Family and Outcome Studies of Depression and Manic Depressive Illness in Adolescence: Implications for Treatment and Nosology", National Institute of Mental Health Workshop on Affective Disorders in Adolescence, Bethesda, MD, September 1986

"Lithium Response in Adolescent Mania", Consortium for Research in Child and Adolescent Affective Disorders, Washington University, St. Louis, MO, October 1986.

"Manic-Depressive Illness in Adolescence", Grand Rounds, Kings View Hospital, Fresno, CA, October 1986

"Relationships between Anorexia Nervosa and Depression", Keynote Address, Bridge Foundation National Conference on Eating Disorders, Columbus, OH, October 1986

"New Findings in Early-Onset Affective Disorders," Colloquium, Department of Psychology, University of Illinois, Champaign, IL, November 1986

"The Genetics and Psychopharmacologic Treatment of Manic Depressive Illness in Adolescents", Grand Rounds, Department of Psychiatry, University of Wisconsin, Madison, WI, June 1987

"Multivariate Predictors of Outcome in Juvenile Anorexia Nervosa", International College of Psychosomatic Medicine, Sydney, Australia, September 1987

"The Treatment of Anorexia Nervosa and Bulimia", Annual meeting of the American Academy of Child and Adolescent Psychiatry, Washington, DC, October 1987

"The Psychopharmacologic treatment of Adolescent Depression", Annual meeting of the American Academy of Child and Adolescent Psychiatry, Washington, DC, October 1987

"Affective Disorders and Eating Disorders: Relationships and Treatment", Grand Rounds, Regent Hospital, New York, NY, January 1988

"Affective Disorders in Children and Adolescence", Colloquium, Department of Psychology, Fuller Theology Seminary, Fullerton, CA, February 1988

"The Pharmacotherapy of Adolescent Depression", Annual meeting of the American Psychiatric Association, Montreal, Canada, May 1988

"Lithium Carbonate and Antidepressants in the Treatment of Affective Disorders in Adolescents", Annual meeting of the NIMH New Clinical Drug Evaluation Unit, Key Biscayne, FL, June 1988

"Mood Disorders in Adolescence: Phenomenology, Genetics, and Pharmacotherapy", Grand Rounds, Department of Psychiatry, University of Michigan, Ann Arbor, MI, June 1988

"Genetic and Pharmacologic Aspects of Juvenile-onset Manic Depressive Illness", Annual meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico, December 1988

"The Course of Bulimia Nervosa in Adolescence", Annual meeting of the American Psychiatric Association, San Francisco, CA, May 1989

"Imipramine, Lithium, and Fluoxetine in the Treatment of Adolescents with Major Depression", Annual meeting of the NIMH New Clinical Drug Evaluation Unit, Key Biscayne, FL, June 1989

"The Treatment of Mood Disorders in Adolescents", Grand Rounds, Department of Psychiatry, Cedars Sinai Hospital, Los Angeles, CA, July 1989

"Genetic Heterogeneity in Juvenile Bipolar Illness", Annual meeting of the American Academy of Child and Adolescent Psychiatry, New York, NY, October 1989

"The Phenomenology, Course, and Treatment of Affective Disorders in Adolescents", Keynote Address, Department of Psychiatry Conference on Advances in Child Psychiatry, Duke University, Durham, NC, March 1990

"The Long-term Course of Anorexia Nervosa", Keynote Address, 4th International Conference on Eating Disorders, New York, NY, April 1990

"Diagnostic and Conceptual Issues in the Psychopharmacology of Adolescent Depression", National Institute of Mental Health Conference on Pediatric Mood Disorders, Bethesda, MD, June 1990

“Genetic Aspects of Eating Disorders”, Grand Rounds, Department of Psychiatry, Columbia University, New York, NY, September 2000

“Genetic Aspects of Eating Disorders”, Grand Rounds, Department of Psychiatry, Wayne State University, Detroit, MI, September 2000

“Bipolar Illness in Youth”, National Depression and Manic Depression Association Conference on the Treatment of Adolescent Mood Disorders, Washington, DC, October 2000

“Early-onset Manic Depression”, Grand Rounds, Department of Psychiatry, University of Iowa, Iowa City, IA, April 2001

“Genetic Advances in Eating Disorders”, Keynote Address, Conference on Eating Disorders, California State University at Northridge, Northridge, CA, February 2002

“Genetics of Eating Disorders”, Grand Rounds, Department of Psychiatry, School of Medicine, Indiana University, Indianapolis, IN, May 2002

“Advances in the Science of Eating Disorders”, Grand Rounds, Cottage Hospital, Santa Barbara, CA, June 2002

“Advances in the Treatment of Eating Disorders”, Grand Rounds, Tarzana Medical Center, Encino, CA, August 2002

“Advances in the Psychobiology and Treatment of Eating Disorders”, UCLA Annual Review of Psychiatry, Los Angeles, CA, October 2002

“Advances in the Biology and Treatment of Eating Disorders”, Annual meeting of San Diego Gynecological Society, San Diego, CA, November 2002

“New Models of Eating Disorders”, Keynote Address, Sacramento Eating Disorders Society, Sacramento, CA, December 2002

“Treatment of Depression in Adolescents”, Maple Counseling Center, Beverly Hills, CA, June 2003

“Advances in the Biology and Treatment of Eating Disorders”, Grand Rounds, Los Robles Hospital, Thousand Oaks, CA, October 2003

“Advances in the Biology and Treatment of Eating Disorders”, Grand Rounds, Tarzana Medical Center, Tarzana, CA, December 2003

“Current Approaches to the Treatment of Depression in Adolescents”, Grand Rounds, Antelope Valley Hospital, Lancaster, CA, January 2004

“The Biology and Genetics of Eating Disorders”, Keynote Address, Annual meeting of the Society of Adolescent Psychiatry, Los Angeles, March 2004

“Evidence Based Treatment for Eating Disorders”, Keynote Address, Second Annual Conference on Pediatric Psychopharmacology and Psychotherapy, Chicago, IL, May 2004

“Fear Conditioning in Anorexia Nervosa”, International Conference on Eating Disorders, Orlando, FL, May 2004

“Bipolar Illness in Children”, Grand Rounds, Children’s Hospital of Los Angeles, Los Angeles, CA, September 2004

“Identifying Bipolar Illness in Children”, UCLA Review of Psychiatry and Psychopharmacology, Los Angeles, CA, October 2004

“The Future of Research in Anorexia Nervosa”, Annual meeting of the Society for Research in Eating Disorders Research, Amsterdam, Holland, October 2004

“New Developments in Eating Disorders Research and Treatment”, Grand Rounds, Kaiser Permanente Hospital, Los Angeles, November 2004

“The New Biology of Eating Disorders”, Grand Rounds, Harbor-UCLA, Division of Child Psychiatry, Torrance, CA, December 2004

“Depression and Eating Disorders”, Grand Rounds, Department of Pediatrics, White Memorial Hospital, Los Angeles, January 2005

“Treatment of Depression and Eating Disorders in Adolescents”, Grand Rounds, Department of Family Practice, Glendale Adventist Hospital, Glendale, CA, February 2005

“The Treatment of Anorexia Nervosa: Recent Research and Clinical Realities”, Grand Rounds, Sutter Psychiatric Center, Sacramento, CA, February 2005

“Genetic Influences in Eating Disorders”, Annual meeting of the Academy for Eating Disorders, Montreal, Canada, April 2005

“Research Career Development in Eating Disorders”, Annual meeting of the Academy for Eating Disorders, Montreal, Canada, April 2005

“Pediatric Bipolar Illness”, Grand Rounds, Del Amo Hospital, Torrance, CA, June 2005

“New Paradigms for Studying Neurobehavioral Risk Factors in Anorexia Nervosa”, Keynote Address, Laureate Psychiatric Hospital, Tulsa, OK, September 2005

“Eating Disorders”, Sponsored by Friends of the Semel Institute, Los Angeles, CA, September 2005

“Treatment of Anorexia Nervosa”, Master Clinician Grand Rounds, UCLA Semel Institute, Los Angeles, CA, October 2005

“Treatment of Eating Disorders”, Grand Rounds, Los Robles Hospital, Thousand Oaks, CA, March 2006

“New Models in the Study of Eating Disorders”, St John’s Hospital, Santa Monica, CA, April 2006

“Controversies in Antidepressant Use with Children”, Grand Rounds, Northridge Hospital, Northridge, CA, June 2006

“Treatment of Eating Disorders”, Grand Rounds, Sherman Oaks Hospital, Sherman Oaks, CA, June 2006

“Novel Perspectives on the Etiology of Anorexia and Bulimia Nervosa”, Grand Rounds, Department of Psychiatry, New York University Medical School, New York, CA, October 2006

“Empirically Based Treatment of Eating Disorders”, Grand Rounds, Child Study Center, Division of Child Psychiatry, New York University, New York, NY, October, 2006

“Management of Chronic Illness in Anorexia Nervosa”, Keynote Address, Renfrew Center Conference on Eating Disorders, Philadelphia, PA, November 2006

“The Role of Anxiety and Fear Learning in Eating Disorders”, Keynote Address, Ontario Conference on Eating Disorders, Toronto, Canada, November 2006

“A Neurodevelopmental Model of Eating Disorders”, Grand Rounds, Department of Psychiatry, University of Washington, Seattle, WA, February 2007

“Treatment of Eating Disorders”, Grand Rounds, Division of Child Psychiatry, Department of Psychiatry, University of Washington, Seattle, WA, February 2007

“A Neurodevelopmental Perspective on the Psychopathology of Eating Disorders”, Feinberg Memorial Lecture, Department of Psychiatry, Tel Aviv University, Tel Aviv, Israel, March 2007

“Depression in Adolescents”, Salinas Valley Healthcare System, Salinas, CA, May 2007

Keynote address, “Comorbidity in Eating Disorders”, National Eating Disorders Association, San Diego, CA, October, 2007

Workshop, “Managing Anorexia Nervosa Across the Lifespan”, Renfrew Conference on Eating Disorders, Philadelphia, PA, October, 2007

Lecture, Translational Research in Eating Disorders: Implications of Anxiety and Fear Neurocircuitry for Informing Studies of Disease Pathogenesis”, Eating Disorders Research Society, Pittsburgh, PA, November, 2007

Keynote address, “Neuroscience and Eating Disorders”, Las Vegas Conference on Eating Disorders, Las Vegas, NV, June, 2008

Grand Rounds, “The Developmental Psychopathology of Eating Disorders”, Department of Psychiatry, Mayo Clinic, Rochester, MN, September, 2008

Invited lecture, “Treatment of Eating Disorders”, Los Angeles County Mental Health Conference, Los Angeles, CA, January, 2009

Invited lecture, “The Treatment of Eating Disorders in Adolescents, Mental Health Conference, Oakland, CA, June, 2009

Grand Rounds, “A Neurodevelopment Perspective on Anorexia Nervosa”, Department of Endocrinology, David Geffen School of Medicine at UCLA, July, 2009

Invited lecture, “Perspectives on the Psychopathology of Eating Disorders”, Department of Psychiatry, University of California, San Diego, November, 2009
Discussant, Pediatric Case Conference on Treatment of Eating Disorders, Cedars Sinai Hospital, Los Angeles, December, 2009

Grand Rounds, “The Nature of Eating Disorders”, Department of Pediatrics, Cedars Sinai Hospital, Los Angeles, January 2010

Grand Rounds, Division of Child & Adolescent Psychiatry, UCLA, “The Long Term Course of Pediatric Onset Bipolar Illness”, February, 2010.

Invited workshop, “Managing chronic disease in anorexia nervosa”, Annual meeting of the Academy for Eating Disorders, Salzburg, Austria, June 2010

Invited lecture, “Eating Disorders in Adults”, 14th Annual UCLA Primary Care Update, Las Vegas, NV, October, 2010

Invited lecture, “Comprehensive Treatment of Eating Disorders”, Renfrew Center, Philadelphia, PA, November, 2010

Invited Workshop, “Complex Paradigms in Eating Disorders”, Academy for Eating Disorders Miami, FL, May, 2011

Invited Workshop, “Complex Paradigms in Eating Disorders”, National Eating Disorders Association, Los Angeles, CA, June 2011

Invited Workshop, “Complex Paradigms in Eating Disorders”, Renfrew Conference on Eating Disorders, Philadelphia, PA, November 2011

Invited Workshop, "Recent Scientific Knowledge in Eating Disorders, National Eating Disorders Association, St. Petersburg, FL, October 2012

Invited Workshop, "Recent Scientific Knowledge in Eating Disorders and Implications for their treatment, Renfrew Conference on Eating Disorders, Philadelphia, PA October 2012

Invited lecture, "Animal Paradigms for Interrogating the Genetics and Biology of Eating Disorders," Eating Disorders Research Society, Porto, Portugal, October, 2012

Invited Workshop, "Identifying and Treating Bipolar Illness," Rancho Mirage, Ca., February 2013

Invited lecture, "The Nature of Complex Psychopathology in Eating Disorders," Van Nuys Hospital, Sherman Oaks, CA., February 2013

Invited lecture, "Eating Disorders," Annual Meeting of the International Association of eating Disorder Specialists, Henderson, NV March, 2013

Invited lecture, "Current Status of Eating Disorders," Holy Cross Hospital, Los Angeles, CA, October 2013.

Invited lecture, "Treatment of Eating Disorders," Los Robles, CA., January, 2014.

Invited lecture, "Treatment of Eating Disorders," Holy Cross, CA., March, 2014.

Invited Workshop, "Approaching the Patient with Anorexia Nervosa, Las Vegas, Nevada, May 2014

Invited Workshop, "The Empirical Truths of Family Based therapy for Anorexia Nervosa," International Conference of Eating Disorders, New York, March, 2014.

Plenary Address, "The Relevance of Science and Theory in Eating Disorder Treatment." Annual Renfrew Conference on Eating Disorders Treatment, Philadelphia, PA., November, 2014.

Invited Workshop, "Treating Complex Illness," Annual Renfrew Conference on Eating Disorders Treatment, Philadelphia, PA., November, 2014

Keynote address, "The Enduringness of Adversity," London conference on Eating Disorders, London, England, March, 2015

Keynote Address, "Treatment of Chronic Anorexia Nervosa," Summit Conference on Excellence, Charleston , south Caroline, June 2015

Invited presentation, "Iris Pigmentation in Anorexia Nervosa," Taormina, Italy, September, 2015
