HOUSING RESOURCE GUIDE FOR UCLA

Craigslist (best option for finding a summer sublet)
http://losangeles.craigslist.org/wst/
Many rooms/apartments are available for sublet in Westwood and surrounding areas. It is common for UCLA students to have a year lease, but need to rent their room for the summer. Westwood is within walking distance to UCLA (no car necessary), but if you will have car access, you can expand your search to include Brentwood, Santa Monica, Venice Beach, Culver City, Mar Vista, and West LA, some of which may be cheaper than Westwood.
