

You may now schedule a whole blood appointment and access your blood type*, donation, and appointment history online. After 24 hours from your donation, please follow the steps below to create your online donor account:

1. Enter www.ucedonor.com into your web browser.
2. Click the “Access Your Profile” link and then select the “Set Up” button.
3. Enter:
 - a. **Last Name.** Enter name without hyphens, punctuations or spaces. For example: Smith-Jones, Smith Jones, or O’Riley should be entered as Smithjones or Oriley.
 - b. **Date of Birth.** Enter in the following format: mm/dd/yyyy
 - c. **Email.** Enter email address provided at the time of your donation.
Note: If email entered is different from the email provided at the time of donation, the system will prevent access to create an account.
4. An email confirmation will be sent to your email address on file.
5. Open the email. Click on the link or enter URL into web browser.
6. To finish the account creation process, setup your Username, Password and Security Questions.

For appointments other than whole blood, such as, platelets, autologous or directed donations; or if you experience any problems, please contact us for assistance.

*If donating for the first time, please wait 3 days to view your blood type.

On behalf of our patients and staff, we thank you for your life saving donation.
