Course Description
This course is designed to provide the learner with the most up-to-date knowledge of lead management in patients with implanted pacemaker and ICD devices. An in-depth review of indications for lead extraction and management of device infections will be presented, and the most up-to-date information on new techniques and technologies will be discussed. Approaches to minimize device-related infections will be highlighted. The program will feature multiple sessions with case-based presentations and interactive panel discussions.

Target Audience
This course is targeted to cardiac electrophysiologists, cardiac surgeons, cardiologists, infectious disease specialists, cardiac electrophysiology and cardiology fellows, nurses, lab techs and associated professionals.

Course Objectives
At the conclusion of this course, participants should be able to:

• Discuss the indications and techniques for lead extraction with review of the current guidelines
• Identify and manage device complications including infections
• Provide the latest information and recommendations on the management of recalled leads
• Identify current best practice to avoid device infections and lead complications

Accreditation
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement
The FDA has issued a concept paper that classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the provider adequately manages all identified potential conflicts of interest prior to the program. UCLA fully endorses the letter and spirit of these concepts.
