Click here to get your discounted subscription to a BMW or Fiat

When the pandemic struck, Borrow launched an Essential Workers initiative that offered Cedars-Sinai employees a chance to get a free 3-month subscription for an all-electric Fiat 500e. After a lot of hard work, we recently gave away the last car dedicated to **that program.**

Although our free car program ended, we're launching a new program specifically designed for healthcare workers across Los Angeles. **Borrow is now discounting the cost of a 3-month subscription to either a Fiat 500e or BMW i3 by up to 40%.** Healthcare workers can sign up **here** and use the promo code #socialgood for the discounted prices listed below:

- \$299/month for a Fiat 500e
- \$449/month for a BMW i3

We know these subscriptions aren't completely free but for now Borrow thought this would be the best way we could continue helping our heroes on the front lines of the COVID-19 battle.

Place a reservation **here** with promo code #socialgood if you're interested in participating. Once again, thank you so much for your awe-inspiring work.
