DUO for multi-factor authentication (MFA) is required anytime you log into UC Learning Center. [Click Here to Learn More](#)

DUO for Multi-Factor Authentication Campus Application Tips

<https://mednet.uclahealth.org/it-files/duo-mfa-access-campus-applications-tips.pdf>

Mednet users use their Mednet username and password for UCLA Single Sign-On (SSO). For assistance using your Mednet Username and Password for Single Sign-On, or assistance with DUO, please contact Customer Care at 310-794-HELP (4357)

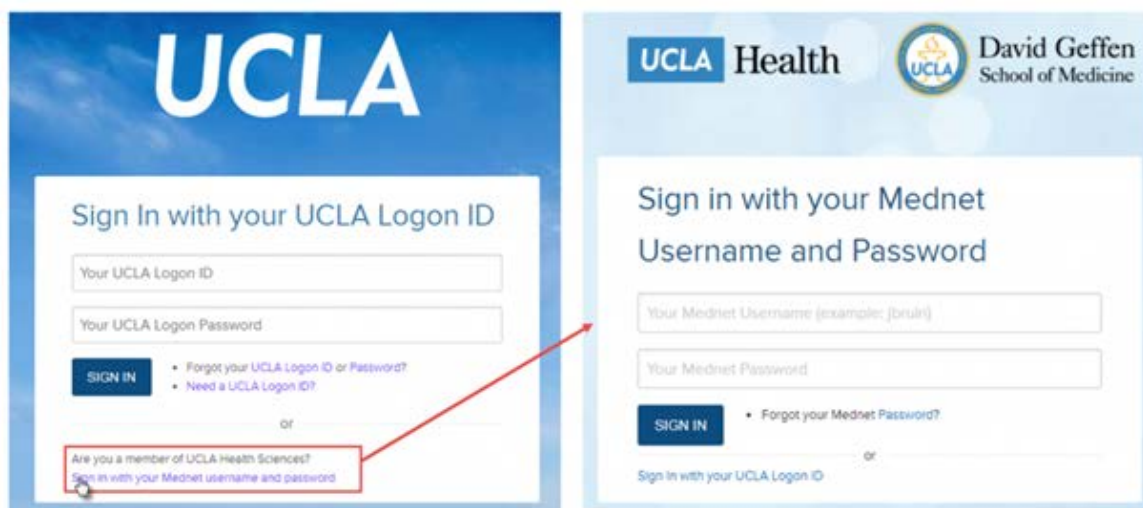

Taking the Training

Recommended web browsers: Internet Explorer or Firefox.

Please clear your web browser's cache and cookies before trying to access the UC Learning site.

Disable pop-up blockers. If you need assistance with pop-up blockers or other web browser technical issues, contact your IT staff or Customer Care at 310-794-HELP (4357).

1. Go to: <http://lms.ucla.edu>
2. Select Sign in with your Mednet username and password

3. After you click **SIGN IN**, you will receive a prompt to authenticate using DUO for multi-factor authentication. *If you do not already have a device enrolled in DUO, please visit <https://mfa.mednet.ucla.edu> to enroll (requires Mednet network to access).*

4. Once on the UC Learning Site, Click the "Required Training" Tile.

5. A listing of courses that you are required to complete is displayed.
6. Click the "Start" button to the left of the training to begin.

Note: Courses do not need to be completed all at once; if you need to return to the course, the program will take you to where you last were. Use instructions below to resume the course, or to review materials at a later date.
