UCLA Advanced Lung Disease and Lung Transplantation Symposium 2022

Available as both live in-person and live virtual learning

Saturday, March 5, 2022
UCLA Meyer & Renee Luskin Conference Center
425 Westwood Plaza
Los Angeles, CA 90095
Course Description
The 2022 UCLA Advanced Lung Disease and Lung Transplantation Symposium is a hybrid virtual and in-person conference, organized by UCLA Health, the UCLA Office of Continuing Medical Education, and a multi-disciplinary group of speakers. The goal of the program is to provide updated information on state-of-the-art therapies available for patients with end-stage lung disease, including medical and interventional approaches, as well as lung transplantation.

Target Audience
This conference is targeted at pulmonologists, cardiologists, critical care physicians, internists, cardiac and thoracic surgeons as well as allied health professionals who care for patients with advanced lung disease or refer patients for lung transplantation.

Learning Objectives
At the conclusion of the program participants will be able to:

- Identify when to refer patients for lung transplantation and recent advances in the field that may allow patients who were previously not eligible for transplantation to be considered
- Recognize the benefits and limitations of current therapies for interstitial lung disease as well as novel potential therapies under investigation
- Discuss current best practices in the treatment of pulmonary vascular disease
- Describe both diagnostic and therapeutic bronchoscopic procedures for patients with advanced lung disease

The UCLA Advanced Lung Disease and Lung Transplantation Symposium will also be available through a live virtual meeting web platform.

- Attendees who choose to attend the live virtual activity will receive a virtual meeting link and password to access the live virtual conference.
- All registrants (live or virtual) will be provided the opportunity to review recorded sessions up to 3 weeks following the conference.
- Attendees will be awarded CME credit commensurate with the extent of their participation in the live activity (either in-person or virtual). The recorded sessions are not certified for CME credit.

In the event in-person attendance is cancelled or capacity limits modified per CDC or public health guidelines, the UCLA Advanced Lung Disease and Lung Transplantation Symposium will be modified accordingly or presented entirely as a live virtual activity.
UCLA Advanced Lung Disease and Lung Transplantation Symposium 2022
Saturday, March 5, 2022

Program Schedule

7:00 Registration & Breakfast

8:00 Welcome and Introduction
David M. Sayah, MD, PhD & Abbas Ardehali, MD

8:10 Lung Transplantation in 2022
David M. Sayah, MD, PhD

8:30 Concomitant Cardiac Procedures and Multi-Organ Transplantation
Abbas Ardehali, MD

8:50 ECMO as Bridge to Transplant or Recovery
Vadim Gudzenko, MD

9:10 Panel Discussion

9:30 Break

9:50 Updates in ILD Treatment and Clinical Trials
S. Sam Weigt, MD

10:20 Rare Lung Diseases
Ariss DerHovanesian, MD

10:50 Interventional Pulmonology in Advanced Lung Disease
Scott Oh, DO

11:20 The ILD and Transplant Journey: A Patient’s Perspective
Allison Ramsey, MD

11:50 Panel Discussion

12:10 Lunch

1:10 Pulmonary Arterial Hypertension – Updates and Clinical Trials
Rajan Saggar, MD

1:40 Updates in Pulmonary Embolism and CTEPH
Richard Channick, MD

2:10 Panel Discussion

2:25 Closing Remarks
David M. Sayah, MD, PhD & Abbas Ardehali, MD

2:30 Adjourn
David Geffen School of Medicine at UCLA

COURSE CO-DIRECTORS

David M. Sayah, MD, PhD
Associate Clinical Professor of Medicine
Medical Director, Lung and Heart-Lung Transplant Programs

Abbas Ardehali, MD
Professor of Surgery and Medicine
Surgical Director, Heart, Lung and Heart-Lung Transplant Programs

FACULTY

Richard Channick, MD
Professor of Clinical Medicine
Director, Acute and Chronic Thromboembolic Disease Program
Co-Director, Pulmonary Vascular Disease Program

Ariss DerHovanessian, MD
Associate Clinical Professor of Medicine
Associate Medical Director, Lung and Heart-Lung Transplant Programs
Co-director, UCLA Lymphangioleiomyomatosis Program

Vadim Gudzenko, MD
Associate Clinical Professor of Anesthesiology
Medical Director, Adult ECMO/ECLS Program Chief, Critical Care Division
Department of Anesthesiology and Perioperative Medicine

Scott Oh, DO
Associate Clinical Professor of Medicine
Section Chief, Interventional Pulmonology

Rajan Saggar, MD
Clinical Professor of Medicine
Director, Pulmonary Hypertension Program
Co-Director, Pulmonary Vascular Disease Program

Allison Ramsey, MD
Assistant Clinical Professor of Medicine
Program Director, Lung Transplant Fellowship

S. Sam Weigt, MD
Associate Professor-in-Residence of Medicine
Director, Interstitial Lung Disease Center
Director of Clinical Research, Lung Transplant Program
Application for Enrollment (Please Print)

Proof of vaccination will be required to attend the in-person meeting.

Accreditation Statement

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, designates this live activity for a maximum of 5 AMA PRA Category 1 Credits.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California State Board of Registered Nursing accepts courses approved by the AMA for category 1 credit as meeting the continuing education requirements for license renewal. Nurses from states other than California should inquire with their local State Board for specific continuing education policies.

Disclosure Statement

The FDA has issued a concept paper that classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the provider adequately manage all identified potential conflicts of interest prior to the program. UCLA fully endorses the letter and spirit of these concepts.
