1. Go to https://mednet.uclahealth.org and hover over Medical References tab and click on the Biomedical Library.
2. On the Biomedical Library webpage, click on the Subject Guides and then click on Nursing.
3. Click on the Evidence-Based Practice link.
4. Click on the Joanna Briggs Institute EBP Database link.
5. Click on EBP Tools tab.
5. Select the tool you want to use.
5. Before you can use JBI tools, you need an Ovid Personal Account. You will be prompted to create this when you first use a JBI tool, if you do not already have one. If you already have a Personal Account, log in to it. Otherwise, create one. To successfully log in, this webpage must show UCLA IP authentication and/or UCLA's Ovid credentials.
