

# SAVE THE DATES

## walk with purpose

UCLA Health is embarking on another year of support for two important causes: the America Heart Association's [Heart & Stroke Walk](#) to help the fight against Heart Disease and Stroke, and The Leukemia and Lymphoma Society's (LLS) [Light The Night Walk](#) to help make a difference in the lives of those battling cancer.

Our participation in these events helps to save lives and improve outcomes for so many. This year UCLA has the honor of being the presenting sponsor for the Light The Night Walk, with our President, Johnese Spisso as Chair Emeritus *and* the F.A.S.T. Stroke Sponsor for the Heart & Stroke Walk, with our Chief Operating Officer, Richard Azar serving as UCLA Health Executive Leader.

Once again we have set some ambitious fundraising goals for both walks, so we need all hands on deck. We ask that you consider the organization that is closest to you and commit to supporting that cause. If you are able to support both causes, that's even better! To learn how you can get involved, email or call [Patrese Kirsch](#) at 310-592-0777.

**Win a \$50 Target Gift Card!**

**Early Bird Registration Challenge for BOTH walks**

- Register by July 1 = 1 entry into drawing
- Register and donate/raise a minimum of \$25 by July 1 = 2 entries

**NOTE:** If you register & or fundraise for both walks, you get entries for each drawing

## Join or start a UCLA Health team today!

### Light The Night Walk

Saturday, November 9, 2018

CENTERPIECE PARK

AT CENTURY PLAZA TOWERS
