Good afternoon team,

Please join me in congratulating Rey Divinagracia as the recipient of the AP Employee of the Month for May!

Facts about Rey:

- Rey is a Hospital Laboratory Technician II in Histology
- He has been working at UCLA for 18+ years!
- He is a very reliable and responsible employee!
- Rey is attentive to the accuracy of all specimen blocks with appropriate documentation
- He is very conscientious about any errors and/or missing blocks
- His efficient and timely communication prevents blocks from going missing!

In your own words:

- “Rey plays an integral part of the laboratory system. The lab is dependent on his innate ability to be reliable, attentive and accurate in his work!”
- “His efficiency on his job makes the rest of our workflow continuously smooth. He never lets a bad day disrupt his efficiency or get in the way of his daily duties.”
- “He perseveres and continues to get on his work, this is what sets Rey apart from the rest and it is very effective.”
- “Without Rey, we couldn’t function!”
- “I’ve known him for about 20 years. He is a very dependable and reliable person. He knows his responsibility and he finishes the job in a timely manner.

Rey’s daily commitment to patient care embodies the principles of CI-CARE. He carries out the Cultural North Star elements by always “coming to work to make an impact!”

If you see Rey on campus, please congratulate him on this achievement! This announcement will also be presented on a poster in the A7 corridor of CHS. Come check it out!
