**Fun facts about Inna:**
- Inna likes visiting the ocean, listening to jazz, reading, and watching documentaries
- She loves summer and strawberries!
- Inna loves when her family is all together and she can cook for them
- She enjoys traveling and visiting new places

**A little more about Inna:**
- She is a histotechnologist II in IHC
- She has been working at UCLA since 2005
- Inna is responsible for sectioning and staining both fresh and fixed tissue for Immunofluorescent and Immunohistochemical testing
- She ensures that orders are correctly placed in CareConnect and that proper control tissues are used for each test
- Inna reviews slides to ensure quality results and assists with send outs to reference labs

**In your own words:**
- “Inna is great to work with!”
- “She always bring a smile to the lab!”
- “Inna is eager to learn new skills.”
- “She is always happy to cover other duties when the lab is short-staffed!”
- “Inna’s work is ALWAYS high quality!”

Inna is a great example of CI-CARE in action. She greets everyone with a smile! She carries out the Cultural North Star elements on a daily basis by “making things better!”

If you see Inna on campus, please congratulate her on this achievement! This announcement will also be presented on a poster in the A7 corridor of CHS. Come check it out!
