

ABOUT Shirley Taam:

Shirley Taam has been with UCLA Olympic Laboratory for 17 years as an Instrument Analyst. She is a dependable and dedicated team player, exhibiting many Cultural North Star Attributes. Shirley shows great care and commitment in her work, with emphasis on producing consistent and accurate analytical results, even in times of heavy workload. She is willing to put in extra time and effort to take on new tasks and projects to assist across departments in the lab. Shirley takes the initiative and seek opportunities to learn or improve her skills and is happy to share helpful information to the team with an aim to make things better for the day-to-day operations.

Shirley practices CICARE and shows a positive attitude when communicating with colleagues and visitors alike. She values and respects advice and input from the team to collaborate and further streamline our high throughput operations.
