

# **First Annual UCLA Ginsburg Symposium 2022 in Precision Health**

## **Frontiers in Gene Editing**

### **Lightning Round Speaker Bios**

**George Chen, PhD**

**Postdoctoral Scholar at University of  
California, Los Angeles**

**Los Angeles, CA**

George got his start in biomedical research with Dr. Thomas Kipps at UC San Diego. He completed his Ph.D. in Biomedical Sciences with Dr. Marian Waterman at UC Irvine. He has been a postdoctoral researcher in the lab of Dan Geschwind since October 2018, where he uses organoid models to study human cortical development

and how development is perturbed by mutations linked to autism.
