

Together, we can “build a pathway to care” at UCLA Medical Center, Santa Monica. For a limited time only, you can purchase a brick or garden pathway paver to pay tribute to or memorialize a person or occasion. In addition to creating a lasting tribute, your tax-deductible gift will support Partners for Care, which provides valuable programs and compassionate services that offer dignity and hope in the healing process.

Bricks and cement pavers are located in the Harman Gardens fronting Wilshire Boulevard between 15th and 16th Streets. By making a donation to Partners for Care, you will preserve your place in history at UCLA Medical Center, Santa Monica, while also providing much-needed financial support.

I am pleased to support Santa Monica-UCLA Partners for Care.
