MEDICAL
EDUCATION

DAVID GEFFEN SCHOOL OF MEDICINE at **UCLA**

UCLA State-of-the-Art Urology

This course explores the most challenging management problems facing the practicing urologist. Distinguished faculty present current information and techniques in female pelvic medicine and reconstruction, stress urinary incontinence, overactive bladder, interstitial cystitis, recurrent UTI, nocturia, renal and ureteral stones, surgical therapies and technologies for BPH, chronic prostatitis and pelvic pain, Peyronie's disease, testosterone replacement therapy, urologic oncology (prostate, bladder, kidney, testis), imaging and ablative therapies, biomarkers for cancer detection and management, MRI fusion biopsy, active surveillance, robotic surgical procedures, BCG unresponsive bladder cancer, management of the small renal mass, GU dermatology, hemorrhagic cystitis, and practice management including coding, EHR strategies, and KPIs. The conference emphasizes interaction between participants and faculty and allows ample time for case presentations and group discussions, ensuring an outstanding educational experience for attendees.

At the completion of this program, participants should be better able to:

- Understand key aspects of new guidelines for bladder cancer, testosterone deficiency, and genetic screening for prostate cancer
- Utilize biomarkers and biopsy techniques for detection and active surveillance
- Determine the role for SBRT for prostate cancer
- Manage advanced prostate cancer
- Understand the present role for focal therapy for prostate cancer
- Utilize alternative intravesical chemotherapies for bladder cancer
- Understand bladder sparing treatment for advanced bladder cancer
- Manage the small renal mass
- Manage GU pelvic pain conditions
- Treat male and female voiding dysfunction, BPH, and kidney stones
- Treat testosterone deficiency
- Manage GU dermatologic conditions
- Manage hemorrhagic cystitis
- Navigate coding and related practice management issues

In addition to a paper syllabus provided at the meeting, a few days before the meeting you will be emailed a link and a password to download the individual speaker handouts.

Disclosure

The FDA has issued a concept paper that classifies the commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. Along with independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy now mandates that the sponsor adequately manage all identified potential conflicts of interest prior to the program. We at UCLA fully endorse the letter and spirit of these concepts.

The Department of Urology is a California Board of Nursing approved provider (#8888).

March is the ideal time of year to visit Southern California. Temperatures are usually in the mid 70s, and skies are sunny and clear. The Ritz-Carlton overlooks the world’s largest small craft harbor and offers spectacular coastline vistas from the balcony of every guestroom. Guests will enjoy two lighted tennis courts, a waterfront swimming pool and state-of-the-art fitness center/spa, as well as other amenities that give the Ritz-Carlton its uncompromising reputation.

Within walking distance of the hotel are a variety of restaurants, clubs, and shops, as well as biking paths, jogging trails and, of course, the Marina Beach. Close by are art galleries, popular restaurants, architectural showpieces, and the distinctive cultural scenes of Santa Monica and Venice Beach. Shopping in Beverly Hills, Century City, Abbott Kinney, and Santa Monica’s 3rd Street Promenade is close by. The Los Angeles area offers a variety of vacation entertainment for both adults and children. Disneyland, Knott’s Berry Farm, Six Flags Magic Mountain, and Universal Studios are just a few of the attractions that help make a visit to Southern California a memorable experience.

Accommodations

A block of rooms has been reserved at the Ritz-Carlton for conference participants at a special conference rate of **\$299.00 plus tax** per night for single/double occupancy. One night’s deposit is required to guarantee late arrival (after 5pm). Confirmation of reservations received after **February 6, 2018** is subject to availability.

For reservations call 310-823-1700 or 800-241-3333. Be sure to mention UCLA’s State-of-the-Art Urology Conference when calling in your reservations. You may also visit their website: <https://aws.passkey.com/go/UrologyConference2018>.
