2. How many emergency kits do we have in Oppenheimer Suite 1800, and where are they located?

ANSWER: Two, one in Laura's office and one in the Supply/Copy Room

3. In the event of an active shooter, what is the three-word phrase to help you remember what to do?

ANSWER: Run, Hide, Fight

Ordering Furniture *(or anything remotely resembling furniture)

- UCLA policy restricts the purchase of furniture*, limiting what we are allowed to purchase to specific vendors, and sometimes, specific items.
- The following items MUST be purchased from Steelcase, Inc. (Tangram), we cannot use any other vendor for these items:
 - Filing cabinets
 - Free-standing steel and laminate desks
 - Steel bookcases
 - Paneled office systems
 - Task chairs and side chairs

You can use vendors other than Steelcase when buying furniture such as lounge pieces and bookcases. For wood furniture, UC has established agreements with Haworth, Kimball and Steelcase.

- For any other furniture* purchase, you must use one of the vendors on Purchasing's [Vendor Agreements List](#) that has a negotiated agreement with UCLA.

Ordering Furniture (cont.)

Below are the 3 main line furniture manufacturers to the UC system. These are the preferred manufacturers for UCLA and the associated aligned dealership. Furniture sales is similar to automotive sales in that it uses a dealership model with the largest manufacturers requiring dealer alignment. IE. A Ford dealer can't sell Toyotas in the same way Tangram can't sell Miller-Knoll.

UC CONTRACTED FURNITURE SUPPLIERS

Tangram Interiors; Main Furniture Line: Steelcase
Sales Rep: Rhonda Law, rlaw@tangraminteriors.com (Health)

M3 Office; Main Furniture Line: Miller-Knoll
Sales Rep: Manny Gomez, manny@m3office.com

CPM One Source; Main Furniture Line: Kimball
Sales Rep: Ignacio Negrete Jr, ignacio@cpmonesource.com

Ordering “Furniture”

Per Purchasing: Office furniture generally includes task chairs, guest chairs, desks, and storage.

However: some other items are being classified as furniture, e.g. desk additions that convert a regular desk to a standing desk.

What about mail carts and safes?

- These items can be purchased from either office furniture or office supply vendors. Office Depot would be a good match for a reasonably priced locking pedestal or a file cart. Grainger is also another place to find more commercial/industrial items such as mail carts or safes. Grainger and Office Depot are both contract UC suppliers and have supplier sites in BruinBuy.

Gift Cards

- [New form available](#) with guidelines on how to order gift cards
- Relevant for both human subject payments AND non-employee/non-IRB gift cards
- THE PROCESS HAS RECENTLY CHANGED
- Response time is slow, allow for extra time when ordering
