

Community Survey of Lifestyle Medicine Needs of Transgender and Gender Diverse Patients

A UCLA Research Study

- Anonymous, online, voluntary survey of nutritional, counseling and exercise needs
- Ages 18+
- 10-20 minutes long
- Help researchers understand the needs for behavioral services
- Help guide future programs
- Chance to win one of six \$25 gift cards

Decision to participate or not in this study does not affect the services received by the Gender Health Program. Participation in the study is not required to participate in the raffle. Odds of winning will vary based on participation, but we expect them to be no lower than 1 in 1,000.
