

Family Medicine Grand Rounds

**“Primary Care:
The essential, not basic, foundation of **Health** Systems”**

ANDREW BAZEMORE, MD, MPH

Dr. Bazemore serves as the Senior Vice President of Research and Policy for the American Board of Family Medicine (ABFM). As Senior Vice President for Research and Policy, Dr. Bazemore is responsible for managing all ABFM research functions and staff, development and implementation of an enterprise-wide strategy for research, co-directing the new ABFM Center for Professionalism and Value in Health Care in Washington DC, coordinating and developing an existing and expanding ABFM leadership/scholarship portfolio that includes ABFM Visiting Scholars & Fellowship, Pisacano Scholars & Puffer Fellowship programs, developing national and international collaborative research partnerships, and continuing to grow his own research in measures that matter for primary care, workforce & training, and access to primary health care for vulnerable populations.

**Friday,
Mar 24
2023**

**12:00 -1:00 pm
(PST)**
