N95 Fit Testing :

- N95 sessions will run in groups (not individually)
- The trainer can fit test 9 employees per session
- Admittance is on a first come, first serve basis
- Anyone with facial hair that comes in contact with the seal; cannot be fit tested per OSHA
- We advise no smoking, eating and/or drinking 5-10 minutes beforehand (or rinse out with water), as this is a taste test

****PAPR Training has been added to the schedule for employees with facial hair or employees who can not wear the N95 for medical reasons**
