

**CURRICULUM VITAE****Dinesh K. Chhetri, MD****ACADEMIC OFFICE ADDRESS:**

62-132 CHS, Department of Head and Neck Surgery  
David Geffen School of Medicine at UCLA  
University of California, Los Angeles, CA 90095, USA  
Office: (310) 794-4225  
Fax: (310) 206-1393  
E-mail: dchhetri@mednet.ucla.edu

**EDUCATION:**

1993 BA, *magna cum laude*, with Honors in Biochemistry, Brown University, Providence, RI  
1997 MD, *with Distinction*, University of California, Los Angeles (UCLA), School of Medicine  
1999 Basic Surgical Training Program (BSTP), UCLA Medical Center  
2003 Residency in Otolaryngology – Head and Neck Surgery, UCLA Medical Center  
2005 Fellowship in Laryngology (Voice, Airway, Swallowing Disorders), UCLA Medical Center  
2005 Fellow, K30 Program, Graduate Training Program in Translational and Clinical Investigation, UCLA Medical Center  
2014 Da Vinci Transoral Robotic Surgery (TORS) Training, Intuitive Surgical, Inc.

**LICENSURE:**

1998 California, Physician and Surgeon, Certificate Number A67539

**BOARD CERTIFICATION:**

2004 American Board of Otolaryngology, Initial Certification  
2011 Recertification, American Board of Otolaryngology (Valid until 2024)

**PROFESSIONAL EXPERIENCE:**

2016 – present Professor-in-Residence, Head and Neck Surgery, UCLA  
2012 – present Chief of Otolaryngology, Olive View UCLA Medical Center, Sylmar, CA  
2011 – 2016 Associate Professor-in-Residence, Head and Neck Surgery, UCLA  
2009 – present Attending Physician and Surgeon, Santa Monica UCLA Medical Center  
2006 – present Co-Director, Laryngology Fellowship, UCLA Medical Center  
2005 – present Director, Swallowing Disorders Center, UCLA Medical Center  
2005 – 2013 Attending Physician, West LA Veterans Administration Medical Center  
2005 – present Physician Specialist, Olive-View UCLA Medical Center, Sylmar, CA  
2005 – 2011 Assistant Professor-in-Residence Series, Surgery, UCLA  
2003 – 2005 Clinical Instructor in Surgery, UCLA

**HONORS AND SPECIAL AWARDS:**

1989 University Scholar, Brown University (1989-1993)  
1989 Starr Community Service Fellowship Award, Brown University  
1989 Early Admission to the Program in Liberal Medical Education (PLME), Brown University  
1992 Program in Liberal Medical Education (PLME) Research Grant, Brown University

- 1992 Howard Hughes Undergraduate Research Grant, Brown University
- 1993 Albert Arnold Bennett Prize in Biology for Academic Excellence, Brown University
- 1994 Short Term Training Program (STTP) Research Grant, UCLA School of Medicine
- 1997 Dean's Scholar for *Outstanding Graduation Thesis in Otolaryngology*, UCLA School of Medicine
- 2002 Winner of Resident Research Award for research presentation "*Histology of nerves and muscles in adductor spasmodic dysphonia*". Annual Meeting of the American Laryngological Association (ALA), Boca Raton, FL
- 2002 Winner of Third Place Prize in Basic Clinical Research for basic science project "*Lamina propria replacement therapy with cultured autologous fibroblasts for vocal fold scars*". American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS)
- 2005 Winner of Young Faculty or Practitioner Award for research presentation "*Long Term Follow-up of Selective Adductor Denervation – Reinnervation Surgery for Adductor Spasmodic Dysphonia*". Annual meeting of the American Laryngological Association (ALA), Boca Raton, FL
- 2006 **Full Time Academic Faculty Teaching Award.** Voted best full time academic faculty by resident physicians in the UCLA Division of Head and Neck Surgery.
- 2010 Inducted as Active Fellow of the Triological Society (TRIO), upon completion of research thesis: "*Treatment of Vocal Fold Scars with Autologous Fibroblasts*"
- 2011 Chairperson, Lumenis Laser Surgery Lectureship, 7<sup>th</sup> SAARC Conference, Kathmandu, Nepal
- 2011 Inducted Active Fellow of the American Laryngological Association (ALA)
- 2013 **Full Time Academic Faculty Teaching Award.** Voted best full time academic faculty by resident physicians in the UCLA Department of Head and Neck Surgery.
- 2013 Keynote Speaker and Featured International Faculty, 7<sup>th</sup> Annual Phonosurgery Workshop, Mumbai, India
- 2014 Keynote Speaker and Featured International Faculty, Phonosurgery Masterclass, Pokhara, Nepal
- 2014 One year acceleration in Associate Professor-in-Residence Series, UCLA
- 2015 Professor Naresh Bhatia Memorial Orator and Featured International Faculty, 5<sup>th</sup> Voice-Conference, Meeting of the Otolaryngology Association of India, December 5<sup>th</sup> 2015, Lucknow, India

### PROFESSIONAL ACTIVITIES:

#### COMMITTEE SERVICE:

##### **Intramural (UCLA Health System and School of Medicine)**

- 2004 – Present *Curriculum committee*, Division of Head and Neck Surgery, UCLA School of Medicine, Member 2004 – 2006, Co-Chair since 2007
- 2006 – 2010 Member, *CME Committee*, Olive View – UCLA Medical Center
- 2009 – 2016 Representative from the Department of Surgery, *UCLA Academic Senate Legislative Assembly*
- 2009 – Present Chair, *Laser Safety Committee*, UCLA Health System

- 2010 – Present Ad Hoc *Pediatric Airway Management Committee*, Chair, Santa Monica UCLA Medical Center
- 2012 – Present *Resident Selection Committee*, Department of Head and Neck Surgery
- 2013 – Present Member, Internal Advisory Committee, UCLA Center for World Health (CWH)
- 2014 – Present Member, *Program Evaluation Committee* (PEC), UCLA Department of Head and Neck Surgery
- 2015 – Present Member, *Resident Research Committee*, UCLA Department of Head and Neck Surgery
- 2016 – Present Member, *Academic Personnel Committee* (APC), UCLA Department of Head and Neck Surgery

### **Extramural (National)**

- 2006 – 2007 Member, Neurology subcommittee, American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS)
- 2007 – Present Member, Airway and Swallow Disorders Committee, American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS)
- 2008 – 2013 Member, Maintenance of Certification (MOC) Module Development Committee, American Board of Otolaryngology, Tasked to Develop Modules for Continuing Certification in Otolaryngology
- 2011 – 2016 American Board of Otolaryngology, Maintenance of Certification Module, Reviewer in Laryngology
- 2009 – 2012 Member, Task Force Member for Examinations, American Board of Otolaryngology, Tasked to Develop Examination Questions for Board Certification in Otolaryngology – Head and Neck Surgery
- 2012 – 2015 Board Examiner, American Board of Otolaryngology (2012, 2013, Alternate 2014, 2015)
- 2012 – Present Program Committee Member, The Triological Society (2012, 2013, 2014, 2015)
- 2012 – Present Moderator, Scientific Session, Annual Meeting of the American Laryngological Association (2012, 2013, 2015), Annual Meeting of the American Broncho-Esophagological Association (2012, 2013), SAARC ENT Conference (2013), Annual Meeting of the Triological Society (2014, 2015)
- 2014 – Present Program Committee Member, American Laryngological Association (2014, 2015)
- 2014 – Present Program Committee Member, Fall Voice Conference (2014, 2015)
- 2015 – Present Council Member, American Laryngological Association
- 2015 Member, Special Emphasis Panel for Voice, Speech, and Language Fellowship Application Review, NIDCD Fellowship Application Review
- 2016 – present Member, Financial Review Committee, American Laryngological Association (ALA)
- 2017 – present Chair, American Laryngological Association (ALA) Educational Advisory Committee
- 2017 – present Editor, American Laryngological Association (ALA)
- 2017 2018 Annual Meeting Program Chair, American Laryngological Association (ALA)

### **PROFESSIONAL AND SCHOLARY ASSOCIATIONS:**

- 2003 – Present Member, American Academy of Otolaryngology - Head and Neck Surgery
- 2005 – Present Member, Acoustical Society of America
- 2007 – Present Member, American Broncho-Esophagological Association
- 2010 – Present Fellow, The Triological Society
- 2011 – Present Fellow, American Laryngological Association

2015 – Present Pan American Vocology Association (PAVA)

### **EDITORIAL SERVICES**

#### Reviewer

2004 – Present Laryngoscope  
 2004 – Present Archives of Otolaryngology – Head and Neck Surgery  
 2004 – Present Annals of Otolaryngology Rhinology Laryngology  
 2005 – Present Otolaryngology – Head and Neck Surgery  
 2010 – Present Acta Otolaryngologica  
 2010 – Present Annals of Biomedical Engineering  
 2012 – Present Journal of the Acoustical Society of America (JASA)  
 2015 – Present Dysphagia

#### Editorial Board

2011 – Present *Nepalese Journal of ENT-Head & Neck Surgery,*  
 2011 – Present *Case Reports in Otolaryngology*

### **GRANT REVIEW PANELS:**

2011 – 2014 Grant Reviewer and ALA Representative, CORE (Centralized Otolaryngology Research Efforts)  
 2011 – Present Grant Reviewer, The Triological Society Career Advancement Research Grant  
 2010 – 2014 Grant Reviewer, Medical Research Council, United Kingdom  
 2012 – 2014 Grant Reviewer, Austrian Science Fund, Austria  
 2014 – Present Research Committee, American Laryngological Association (ALA)  
 2015 National Institute of Health (NIH), Special Emphasis Panel

### **RESEARCH GRANTS AND FELLOWSHIPS RECEIVED:**

#### **COMPLETED:**

Bioform Inc., Dinesh K. Chhetri (Co-PI) 1/2002 – 8/2003  
*Injection laryngoplasty with calcium hydroxylapatite in an in vivo canine model.*

Isolagen Inc., Dinesh K. Chhetri (PI) 11/30/2005 – 11/28/2007  
*Phase I Trial: Treatment of Vocal Fold Scars with Autologous Cellular Fibroblasts*

ALVRE Research Grant Dinesh K. Chhetri (PI) 9/1/2008 – 8/31/2009  
 American Laryngological Association Grant, *In Vivo Measurements of Vocal Fold Viscoelasticity*

NIH/NIDCD Dinesh K. Chhetri (PI) 10/1/2008 – 9/30/2010  
 3R01DC003072-13S1  
*Neuromuscular Control of the Larynx*

Fibrocell Inc. Dinesh K. Chhetri (PI) 4/2014 – 4/2017

*Phase II, Randomized, Double-Blind, Placebo-Controlled Study to Evaluate the Safety and Efficacy of Azficef-T for the treatment of Vocal Fold Scarring and Age-Related Dysphonia.*

**ACTIVE:**

NIH/NIDCD Dinesh K. Chhetri (PI) 4/1/2011 – 6/30/2022  
1 R01DC011300 *Neuromuscular Control of the Larynx*

NIH/NIDCD David A. Berry (PI) 04/1/2014 – 3/31/2019  
1 R01DC013323  
*Mechanisms of Vocal Registers (10% effort as Investigator)*

**INVITED NATIONAL AND INTERNATIONAL LECTURESHIPS AND PANELS:**

1. “*Treatment of Unilateral Vocal Cord Paralysis*”, Annual Meeting of the Ear Nose Throat Physicians of Nepal, Kathmandu, Nepal, April 2003
2. “*Treatment of White Lesions in Professional Voice Patients*”, UCSF Voice Conference, San Francisco, California, October, 2004
3. “*Voice Disorders – Meeting the Clinical Challenge*”, UCLA Primary Care Update, Las Vegas, Nevada, April, 2005
4. “*Selective Adductor Denervation Reinnervation Surgery for Adductor Spasmodic Dysphonia*”, NSDA Symposium, Portland, Oregon, April 15, 2005
5. “*Injection vs. Thyroplasty - Which is the optimal treatment?*”, UCSF Voice Conference, San Francisco, California, October 20-22, 2005.
6. “*Update on Treatment of Laryngopharyngeal Reflux and Dysphagia*”, Annual Meeting of the Los Angeles Otolaryngology Society, February 27, 2006
7. “*Surgery for Laryngeal Disorders: Laryngotracheoplasty and Selective Adductor Denervation and Reinnervation*”, Society of Otorhinolaryngology and Head-Neck Nurses, Spring Seminar Series, San Diego, California, April 2007
8. “*Surgical Management of Dysphagia*”, Miniseminar, Annual Meeting of American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), Washington D.C., September 2007
9. “*Evaluation and Surgical Management of Dysphagia*”, Annual Meeting of the Los Angeles Research Study Club, January 11-12, 2008
10. “*Endoscopic Treatment of Chemoradiation-Related Esophageal Stenosis*”, at the Head and Neck Meeting titled “*New Surgical Strategies for Treatment of Head and Neck Tumors: Maximizing Outcomes and Minimizing Morbidity*”, Newport Beach, California, June 1, 2008
11. “*Management of the Difficult Airway*”, Pulmonary Grand Rounds, West Los Angeles VA Medical Center, September 18, 2008
12. “*Long Term Outcomes of Selective Denervation Surgery for Spasmodic Dysphonia*”, UCSF Voice Conference, San Francisco, California, October 2008
13. “*Contemporary Issues in Endoscopic Sinus Surgery*”, 77<sup>th</sup> Meeting of the Research Study Club of Los Angeles, Los Angeles, California, January 17, 2009
14. “*Common Dilemmas in Clinical Laryngology – A Rock and a Hard Place*”, Panel Member, Triologic Society, Western Section Meeting, January 29-31, Las Vegas, Nevada

15. *"Outcomes of Selective Adductor Denervation Reinnervation surgery for Adductor Spasmodic Dysphonia."*, UCLA Voice Conference, Los Angeles, California, February 27-29, 2009
16. *"Fiberoptic Endoscopic Evaluation of Swallowing"*, Miniseminar, Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), San Diego, California, October 2009
17. *"Endoscopic Treatment of Early Laryngeal Cancer"*, Advances and Controversies in Laryngology, Chicago, Illinois, November 14-15, 2009
18. *"Benign Vocal Fold Lesions"*, Kaiser Permanente Head and Neck Surgery Symposium, Redondo Beach, California, April 17, 2010
19. *"Dysphagia Evaluation and Management"*, Kaiser Permanente Head and Neck Surgery Symposium, Redondo Beach, California, April 17, 2010
20. *"Laryngology Case Presentation and Expert Panel"*, Kaiser Permanente Head and Neck Surgery Symposium, Redondo Beach, California, April 17, 2010
21. *"Management of Subglottic and Tracheal Stenosis"*, Miniseminar, Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), Boston, Massachusetts, September 2010
22. *"Treatment of Vocal Fold Paralysis: an Anatomic Dissection Course"*, Invited Guest Faculty Lecture, 1<sup>st</sup> Hands On Cadaveric Dissection Workshop, Kathmandu, Nepal, December 26-29, 2010
23. *"Airway Stenosis: Endoscopic and Open Management"*, Invited Guest Faculty Lecture, 1<sup>st</sup> Hands-on Cadaveric Dissection Workshop, Kathmandu, Nepal, December 29, 2010
24. *"Office Dysphagia Assessment"*, Invited Guest Faculty Lecture, Research Study Club of Los Angeles, January, 2011
25. *"Dysphagia: Evaluation and Management"*, Invited Guest Faculty Lecture, Otolaryngology Grand Rounds Lectureship at the Medical College of Wisconsin, Milwaukee, Wisconsin, January, 2011
26. *"Global Healthcare and Humanitarian Medicine: A Personal Experience in Nepal"*, Invited Guest Faculty Lecture, Meeting of the Milwaukee Society of Head and Neck Medicine and Surgery, Milwaukee, Wisconsin, January 2011
27. *"Percutaneous Injection Laryngoplasty"*, Invited Guest Faculty Lecture, Combined Section Meeting of the Triologic Society, Scottsdale, Arizona, January 2011
28. *"Endoscopic treatment of cricopharyngeal achalasia and Zenker's Diverticulum"*, Invited Guest Faculty Lecture, 7<sup>th</sup> Annual SAARC Conference, Kathmandu, Nepal, May 25-26, 2011
29. *"Management of Airway Stenosis"*, Invited Guest Faculty Lecture, 7<sup>th</sup> Annual SAARC Conference, Kathmandu, Nepal, May 25-26, 2011
30. *"Office based TEPs and other procedures using the Trans-nasal Esophagoscopy Scope"*, Invited Guest Faculty Lecturer and Moderator, Head and Neck Cancer Symposium for the Advanced Practitioner, Milwaukee, Wisconsin, September 23-24, 2011
31. *"Lamina Propria Replacement Therapy for Vocal Fold Scars"*, Invited Guest Faculty Lecturer, Fall Voice Conference, San Francisco, California, November 4, 2011
32. *"Airway Stenosis and Management"*, Invited Special Guest Lecturer, Annual Meeting of the Kansas City Society of Ophthalmology and Otolaryngology, Kansas City, Kansas, January 6, 2012
33. *"Dysphagia, Evaluation and Treatment"*, Invited Special Guest Lecturer, Annual Meeting of the Kansas City Society of Ophthalmology and Otolaryngology, Kansas City, Kansas, January 6, 2012
34. *"Common Voice Disorders and Management"*, Invited Special Guest Lecturer, Annual Meeting of the Kansas City Society of Ophthalmology and Otolaryngology, Kansas City, Kansas, January 6, 2012

35. “*Laryngology Panel*”, Moderator, 80<sup>th</sup> Annual Meeting of the Research Study Club, Los Angeles, California, February 11, 2012
36. “*Augmentation Injection Laryngoplasty*”, “*Quality of Life after Treatment of Head and Neck Cancer*”, and “*Vocal Fold Scar and Sulcus Vocalis*”, IFOS 2013, Seoul, Korea, June 3-5, 2013.
37. “*Improving Quality of Life after Head and Neck Cancer Therapy: Treatment of Pharyngoesophageal Stenosis*”, 97<sup>th</sup> Annual Meeting of the Pacific Coast Oto-ophthalmological Society, Maui, Hawaii, June 20-24, 2013
38. “*Evaluation of Dysphonia and Common Voice Problems*”, 97<sup>th</sup> Annual Meeting of the Pacific Coast Oto-ophthalmological Society, Maui, Hawaii, June 20-24, 2013
39. “*Laryngeal Reinnervation for Vocal Fold Paralysis and Denervation Reinnervation Surgery for Spasmodic Dysphonia*”, Featured International Guest Faculty Lecturer, 7<sup>th</sup> Workshop on Phonosurgery, Mumbai, India, August 16-18, 2013.
40. “*Funding Opportunities in Laryngology*”, Fall Voice Conference, 17<sup>th</sup> October 2013, Atlanta GA.
41. “*Laryngeal Reinnervation*”, Advances and Controversies in Laryngology (ACL) Conference, Chicago, Illinois, December 7-8, 2013.
42. “*Indications and Technique of In-Office TEP*” and “*Evaluation and Management of post-XRT Dysphagia*”, 9<sup>th</sup> Annual Advanced Practices in Voice and Dysphagia Conference, Las Vegas, Nevada, February 23-25, 2014.
43. “*Laryngeal Physiology*”, Los Angeles Society of Otolaryngology Meeting, Los Angeles, California, March 24, 2014.
44. “*HPV in Different Subsites—Clinical Importance and Effect on Therapy*”, Annual Meeting of the Triological Society, Las Vegas, Nevada, May 14-18, 2014.
45. “*Objective Measures of Voice Quality*”, Fall Voice Conference, San Antonio, Texas, October 25, 2014.
46. “*Evaluation and Management of Vocal Fold Paralysis: Injection Laryngoplasty and Type 1 Thyroplasty*”, “*Vocal Fold Paralysis: Arytenoid Adduction and Laryngeal Reinnervation*”, and “*Endoscopic Management of Early Glottic Cancer*”, Phonosurgery Masterclass 2014, Pokhara, Nepal December 26, 2014.
47. “*Post Treatment Dysphagia and Management*”, Southern California Head and Neck Cancer Consortium, City of Hope, Duarte, California, March 7, 2015.
48. “*Laryngopharyngeal Reflux*”, 3<sup>rd</sup> Annual UCLA-Mellinkoff Gastroenterology and Hepatology Symposium, Beverly Hills, California, March 13-15, 2015.
49. “*Management of Posterior Glottis Stenosis*”, Annual Meeting of the American Laryngological Association (ALA), Boston, Massachusetts, April 22-23, 2015.
50. “*Endoscopic Management of Adult Airway Stenosis*”, Annual Meeting of The Triological Society (TRIO), Boston, Massachusetts, April 24-25, 2015.
51. “*Botulinum Toxin Injections for Spasmodic Dysphonia*”, National Spasmodic Dysphonia Association (NSDA) Symposium, May 16, 2015.
52. Multiple Topics in Laryngology. Keynote International Guest Faculty at the 5<sup>th</sup> Voice Con, Gave multiple lectures on Laryngology and Head and Neck Surgery Basic and Clinical Topics, December 4-6, 2015, Lucknow, India.
53. “*Office Laryngology Procedures*” and “*Laryngology Panel*”. Research Study Club 84<sup>th</sup> Mid-Winter Clinical Conference, January 30, 2016, Los Angeles, CA.
54. “*Selective Adductor Denervation Reinnervation Surgery for Spasmodic Dysphonia*”. World Phonocon 2017, February 17-19, 2017, Delhi, India.

55. “*Instruction Course: Trans-nasal Esophagoscopy*”. World Phonocon 2017, February 17-19, 2017, Delhi, India.
56. “*Treatment of Vocal Fold Paralysis*” and “*Evaluation and Management of Dysphagia*”, Invited Keynote Speaker, Meeting of the Otolaryngologists of Kuwait, March 2017.

#### **National Instruction Courses:**

1. “*Improving Patients’ Quality of Life Following Cancer Treatment*”, Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS); 2009, 2010, 2011, 2012
2. “*Spasmodic Dysphonia – Evaluation and Management*”, Instruction Course, Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS); 2009, 2010, 2011, 2012
3. “*Strategies to Manage Chemoradiation Associated Dysphagia*”, Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS); 2015, 2016
4. “*Management of Airway Stenosis*”, Instruction Course, Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS); 2012, 2013, 2014, 2015, 2016
5. “*Tough to Swallow: Dysphagia for the General Otolaryngologist*”, Miniseminar Panelist, Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS); 2015, 2016

#### **SCIENTIFIC PRESENTATIONS:**

1. *Ansa cervicalis nerve: review of the topographic anatomy and morphology*. Western Section Triological Meeting (TRIO), Tucson, AZ, January 1997. Oral Presentation.
2. *Combined arytenoid adduction and laryngeal reinnervation vs. arytenoid adduction for unilateral vocal fold paralysis*. Paul Ward Society Meeting, Los Angeles, CA, June 1998. Oral Presentation.
3. *Carcinoma of the buccal mucosa*. Annual meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), New Orleans, LA, September 1999. Oral Presentation.
4. *Office-based treatment of laryngeal papillomatosis with percutaneous injection of cidofovir*. Annual meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), Denver, CO, September 2001. Oral Presentation.
5. *BB-gun pellet injury of the ethmoid sinus*. Annual meeting of the Society for Ear, Nose and Throat Advances in Children (SENTAC), San Diego, CA, December 2001. Oral Presentation.
6. *BB-gun pellet injury of the ethmoid sinus*. Annual Scientific Meeting of the Southern California Chapter of the American College of Surgeons (ACS), Santa Barbara, CA, January 2002. Oral Presentation.
7. *Histology of nerves and muscles in adductor spasmodic dysphonia*. Annual meeting of the American Laryngological Association (ALA), Boca Raton, FL, May 2002, Oral Presentation. **Winner: Resident Research Award**
8. *A scheduled treatment protocol for treatment of juvenile respiratory papillomatosis with cidofovir*. Annual meeting of the Association of Pediatric Otolaryngology (ASPO), Boca Raton, FL, May 2002. Oral Presentation.
9. *Lamina propria replacement therapy with cultured autologous fibroblasts for vocal fold scars*. Annual meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), San Diego, CA, September 2002, Oral Presentation. **(Winner: Third Place Prize in Basic Clinical Research)**.

10. *Local and systemic effects of intralaryngeal injection of cidofovir.* Western Section Meeting of the Triological Society (TRIO), Indian Wells, California, February 2003. Oral Presentation.
11. *Development of a canine model of recurrent respiratory papillomatosis.* Annual Meeting of the American Laryngological Association (ALA), Opryland, TN, May 2003. Oral Presentation.
12. *Injection laryngoplasty with calcium hydroxylapatite in an in vivo canine model.* Annual Meeting of the American Laryngological Association (ALA), Opryland, TN, May 2003. Oral Presentation.
13. *Long term follow-up of selective adductor denervation – reinnervation surgery for adductor spasmodic dysphonia.* Annual meeting of the American Laryngological Association (ALA), Boca Raton, FL, May 2005, Oral Presentation. **(Winner: Young Faculty or Practitioner Award)**.
14. *Useful external landmarks in performing an arytenoid adduction and laryngeal reinnervation.* Western and Middle Section Meeting of the Triologic Society (TRIO), San Diego, CA, February 2006, Poster Presentation.
15. *Kymographic and videostroboscopic findings of unilateral superior laryngeal nerve paralysis and paresis.* Annual meeting of the American Laryngological Association (ALA), Chicago, IL, May 2006, Oral Presentation.
16. *Videostroboscopic findings in unilateral SLN paralysis and paresis.* Annual meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), Toronto, Canada, September 2006, Oral Presentation.
17. *Safety of percutaneous injection of bovine dermal crosslinked collagen for glottic insufficiency.* Annual meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), Toronto, Canada, September 2006, Oral Presentation.
18. *An ex vivo perfused living larynx model of phonation: A preliminary study.* Annual meeting of the American Laryngological Association (ALA), San Diego, CA, May 2007, Oral Presentation.
19. *Perceptual evaluation of spasmodic dysphonia.* Annual meeting of the American Laryngological Association (ALA), San Diego, CA, May 2007, Poster Presentation.
20. *Ex vivo perfused living larynx.* UCLA Meeting of the Alternative Models for Animal Research, Los Angeles, CA, January 2008, Poster Presentation.
21. *Dysphagia after lung transplantation.* Western Section Meeting of the Triologic Society (TRIO), Rancho Las Palmas, CA, February 2008, Poster Presentation.
22. *Effect of vocal cord height asymmetry on the aerodynamic properties and vibratory pattern of phonation.* Western Section Meeting of the Triologic Society (TRIO), Rancho Las Palmas, CA, February 2008, Poster Presentation.
23. *Control of vocal fold cover stiffness by laryngeal muscles.* Annual meeting of the American Laryngological Association (ALA), Orlando, FL, May 2008, Oral Presentation.
24. *Patterns of dysphagia in hospital inpatients.* Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), Chicago, IL, September 2008, Poster Presentation.
25. *Current practice in laryngovideostroboscopy.* Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), Chicago, IL, September 2008, Poster Presentation.
26. *Benign and malignant lipogenic tumors of the retropharynx.* Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), Chicago, IL, September 2008, Poster Presentation.

27. *Recovery of vocal fold paralysis after cardiovascular surgery.* Triologic Society, Western Section Meeting (TRIO), January 29-31, 2009, Las Vegas, Nevada, Oral Presentation.
28. *Photodocumentation of the development of interarytenoid adhesions.* Triologic Society - Western Section Meeting (TRIO), January 29-31, 2009, Las Vegas, Nevada, Poster Presentation.
29. *Primary cryptococcal infection of the larynx in a patient with severe chronic obstructive pulmonary disease: A case report.* Triologic Society, Western Section Meeting (TRIO), January 29-31, 2009, Las Vegas, Nevada, Poster Presentation.
30. *Office-based endoscopic diagnosis of esophageal diverticulum.* Triologic Society, Western Section Meeting (TRIO), January 29-31, 2009, Las Vegas, Nevada (**Winner: 2<sup>nd</sup> Place, Poster Presentation**)
31. *Epithelial differentiation of adipose derived stem cells for laryngeal tissue engineering.* 130<sup>th</sup> Annual Meeting of the American Laryngological Association (ALA), May 28-29, 2009, Phoenix, Arizona, Oral Presentation.
32. *Measurement of young's modulus of the vocal fold by Indentation.* 130<sup>th</sup> Annual Meeting of the American Laryngological Association (ALA), May 28-29, 2009, Phoenix, Arizona, Poster Presentation.
33. *Endoscopic repair of anterior glottic web using a false vocal fold microflap as a biological keel.* 112<sup>th</sup> Annual Meeting of the Triological Society (TRIO), May 28-30, 2009, Phoenix, Arizona. Poster Presentation.
34. *Endoscopic management of esophageal strictures after head and neck cancer therapy.* 112<sup>th</sup> Annual Meeting of the Triological Society (TRIO), May 28-30, 2009, Phoenix, Arizona, Poster Presentation.
35. *Improved tracheoesophageal prosthesis sizing in office-based tracheoesophageal puncture.* Annual Meeting of the American Bronchoesophagological Association (ABEA), May 28-29, 2009, Phoenix, Arizona, Oral Presentation.
36. *Unsedated office-based TEP: A novel guidewire technique.* Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), San Diego, California, Oct 4-7, 2009, Oral Presentation.
37. *Safety of balloon dilation for pharyngoesophageal stenosis.* Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), San Diego, California, Oct 4-7, 2009, Oral Presentation.
38. *Functional testing of a tissue-engineered vocal fold cover.* Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), San Diego, California, Oct 4-7, 2009, Oral Presentation.
39. *Tissue Engineering Approaches to Treatment of Vocal Fold Scars.* UCLA Voice Conference, Los Angeles, California, February 2010, Oral Presentation.
40. *Neuromuscular control of F0 control.* Annual Meeting of the American Laryngological Association (ALA), Las Vegas, Nevada, April 2010, Oral Presentation.
41. *Risk factors for injection into the superficial lamina propria layer during injection laryngoplasty.* Annual Meeting of the American Laryngological Association (ALA), Las Vegas, Nevada, April 2010, Poster Presentation.
42. *Effects of asymmetric vocal fold activation on phonation.* Annual Meeting of the Acoustical Society of America (ASA), Baltimore, Maryland, April 2010. Poster Presentation.
43. *Rabbit Model of Vocal Fold Vibration.* Annual Meeting of the American Bronchoesophagological Association (ABEA), San Diego, California, April 2012. Oral Presentation.

44. *Influence of medialization depth, implant shape, and implant stiffness in Medialization Thyroplasty.* Acoustics 2012/Meeting of the Acoustical Society of America (ASA), Hong Kong, May 13-18, 2012. Poster Presentation.
45. *Endoscopic management of supraglottic stenosis.* Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), San Francisco, California, Sept 11, 2011. Poster Presentation.
46. *Stem cells and voice.* Fall Voice Conference (FVC), San Francisco, California, November 4, 2011. Oral Presentation.
47. *Management of Subglottic and Tracheal Stenosis Using CO2 Laser, Balloon Dilation, and Mitomycin C.* Triological Society Combined Sections Meeting (TRIO), Miami Beach, Florida, January 26-28, 2012. Poster Presentation.
48. *The dynamics of intrinsic laryngeal muscles to graded stimulation in an in vivo canine.* The 8<sup>th</sup> International Conference on Voice Physiology and Biomechanics (ICVPB), Erlangen, Germany, July 5, 2012. Oral Presentation.
49. *Graded Neuromuscular Activation of the Larynx to Study Laryngeal Paresis and Asymmetries.* Fall Voice Conference (FVC), New York City, New York, October 4, 2012. Oral Presentation.
50. *The Effect of Implant Stiffness, Shape, and Medialization Depth on the Phonatory Outcomes of Medialization Thyroplasty.* Fall Voice Conference (FVC), New York City, New York, October 4, 2012. Oral Presentation.
51. *Effects of Superior Laryngeal Nerve Asymmetries on Laryngeal Vibration.* The Triological Society Combined Sections Meeting (TRIO), Scottsdale, Arizona, January 24, 2012. Oral Presentation.
52. *Cricopharyngeal myotomy: outcomes and lessons learned.* The Triological Society Combined Sections Meeting (TRIO), Scottsdale, Arizona, January 24-26, 2013. Poster Presentation.
53. *Role of Epiglottidectomy in Dysphagia after Chemoradiation Therapy.* Annual Meeting of the Triological Society (TRIO), Orlando, Florida, April 13, 2013. Oral Presentation.
54. *Neuromuscular control of Fundamental Frequency.* Annual Meeting of the American Laryngological Association (ALA), Orlando, Florida, April 10-12, 2013. Poster Presentation.
55. *Staged Laryngotracheoplasty for the Reconstruction of Laryngotracheal Stenosis: a 12-year experience.* Annual Meeting of the American Laryngological Association (ALA), Orlando, Florida, April 10-12, 2013. Poster Presentation.
56. *Vocal Registers and glottal posture in an in vivo canine model of phonation.* Fall Voice Conference (FVC), Atlanta, Georgia, October 17-19, 2013. Oral Presentation.
57. *Role for epiglottidectomy in dysphagia.* Fall Voice Conference (FVC), Atlanta, Georgia, October 17-19, 2013. Poster Presentation
58. *Effects of asymmetric laryngeal activation on vibration, acoustics and posture.* 9<sup>th</sup> International Conference on International Conference on Voice Physiology and Biomechanics (ICVPB), Salt Lake City, Utah, April 10-12, 2014. Oral Presentation.
59. *Phonatory Effects of Type I Thyroplasty Implant Shape and Depth in Unilateral Vocal Fold Paralysis.* Annual Meeting of the American Laryngological Association (ALA), Las Vegas, Nevada, May 14-15, 2014. Oral Presentation.
60. *Posterior Cricoarytenoid Muscle Dynamics in Canines and Humans.* Annual Meeting of the American Laryngological Association (ALA), Las Vegas, Nevada, May 14-15, 2014. Oral Presentation.
61. *Esophageal Stenosis after Chemoradiation Therapy: Management Considerations and Outcomes.* Annual Meeting of the American Bronchoesophagological Association (ABEA), Las Vegas, Nevada, May 14-15, 2014. Oral Presentation.
62. *In vivo vocal fold cover replacement.* Annual Meeting of the American Laryngological Association (ALA), Las Vegas, Nevada, May 14-15, 2014. Oral Presentation.

63. *Reinnervation for Bilateral Vocal Fold Paralysis*. Fall Voice Conference (FVC) 2014, San Antonio, Texas, October 25, 2014. Oral Presentation.
64. *Effects of Laryngeal Adductors on Phonatory Acoustics, Aerodynamics, and Vibration*. Triological Society Combined Sections Meeting (TRIO), San Diego, California, January 22-24, 2015. Oral Presentation.
65. *Phonation onset Pressure Revisited: Role of Intrinsic Laryngeal Muscle Activation*. 11<sup>th</sup> International Conference on Advances in Quantitative Laryngology (AQL), London, England, April 8-9, 2015.
66. *Interactions of Subglottal Pressure and Neuromuscular Activation on Vocal Parameters*. Annual Meeting of the American Laryngological Association (ALA), Boston, Massachusetts, April 22-23, 2015. Oral Presentation.
67. *Maximizing Endoscopic Exposure for Zenker's Diverticulectomy*. Annual Meeting of the American Bronchoesophagological Association (ABEA), Boston, Massachusetts, April 22-23, 2015. Poster Presentation.
68. *Early Diagnosis and Management of Hypopharyngeal and Esophageal Perforations due to Cervical Spine Hardware*. Annual Meeting of the American Bronchoesophagological Association (ABEA), Boston, Massachusetts, April 22-23, 2015. Poster Presentation.
69. *In Vivo Tissue Engineered Vocal Fold Cover Layer Replacement*. Annual Meeting of the American Academy of Otolaryngology – Head and Neck Surgery (AAO-HNS), September 30, 2015. Oral Presentation
70. *Quantitative Evaluation of the Vocal Fold Medial Surface Contour upon Selective Activation of the Intrinsic Laryngeal Muscles*. Triological Society Combined Sections Meeting (TRIO), Miami Beach, Florida, January 22-24, 2016. Oral Presentation.
71. *Using the in vivo Canine Model to Assess and Treat Laryngeal Disorders*. 10<sup>th</sup> International Conference on Voice Physiology and Biomechanics (ICVPB), March 14-17, 2016, Vina del Mar, Chile. Oral Presentation.
72. *Control of Glottal Channel Geometry by Intrinsic Laryngeal Muscle Activation*. 10<sup>th</sup> International Conference on Voice Physiology and Biomechanics (ICVPB), March 14-17, 2016, Vina del Mar, Chile. Poster Presentation.
73. *Changes in 3-Dimensional Geometry of the Vocal Fold Medial Surface Resulting from Individual and Combined Intrinsic Laryngeal Muscle Activation*. Annual Meeting of the American Laryngological Association (ALA), Chicago, Illinois, May 18-19, 2016. Oral Presentation. **(Winner: Resident Research Prize)**
74. *Neuromuscular Compensation Mechanisms in Vocal Fold Paralysis and Paresis*. Annual Meeting of the American Laryngological Association (ALA), Chicago, Illinois, May 18-19, 2016. Oral Presentation.
75. *A Novel Approach to in-Office Retrieval of an Aspirated Tracheoesophageal Prosthesis*. Annual Meeting of the American Bronchoesophagological Association (ABEA), Chicago, Illinois, May 18-19, 2016. Poster Presentation.
76. *Unilateral Vocal Fold Immobility: Cough Strength and Patterns*. Annual Meeting of the American Bronchoesophagological Association (ABEA), Chicago, Illinois, May 18-19, 2016. Poster Presentation.
77. *Open Resection of Long Segment Laryngotracheal Resection in High Risk Patients*. Annual Meeting of the Triological Society (TRIO), Chicago, Illinois, May 19-21, 2016. Oral Presentation.
78. *Toward an Empirical Model Linking Intrinsic Laryngeal Muscle Activation to Vocal Fold Geometry and Stiffness*. 172<sup>nd</sup> Meeting of the Acoustical Society of America (ASA), Nov 28-Dec2, 2016. Poster Presentation.
79. *Development of Otolaryngology Flexible Bronchoscopy Skills and Tasks Assessment (FBSTAT)*. Combined Sections Meeting of the Triological Society (TRIO), New Orleans, Louisiana, January 19-21, 2017. Oral Presentation
80. *Vocal Fold Tissue Stiffness and Glottal Channel Shape Control with Implications for Voice Production and Rehabilitation*. World Phonocon 2017, Delhi, India, February 17-19, 2017. Oral Presentation.

### **BOOK CHAPTERS**

1. Nelson S, **Chhetri DK**. Pediatric Swallowing Disorders. In *Handbook of Pediatric otolaryngology*, Nina L. Shapiro, Editor, World Scientific Publishing Company, Inc., 2011
2. **Chhetri DK**, Long JL. Chapter 140: Selective Laryngeal Denervation-Reinnervation Surgery for Adductor Spasmodic Dysphonia. In *ENT Atlas*, Vicky Khattar, Editor. 2013 ISBN 978-93-5090-199-1
3. Jamal N, **Chhetri DK**. Chapter: Vocal Fold Paralysis and Paresis. In *International Textbook of Otolaryngologic Principles and Practice.* *In Press*
4. **Chhetri DK**, Salinas J. Management of Dysphagia after Chemoradiation Therapy. *Textbook of Otolaryngology.* **2015.**
5. Frederick JW, Shiba TL, **Chhetri DK**. Glottic web. *Textbook of Laryngology.* Nupur Nerurkar and Amitabha Roychoudhury, Editors. **2017.**

### **CLINICAL REVIEWS**

1. **Chhetri DK**, Berke GS. Treatment of adductor spasmodic dysphonia with selective laryngeal adductor denervation and reinnervation surgery. *Otolaryngol Clin North Am.* **2006**;39:101-9.
2. Salinas J, **Chhetri DK**. Injection Laryngoplasty: Technique and Choices of Fillers. *Current Otorhinolaryngology Reports.* January **2014.**
3. Jamal N, Ebersole B, Erman A, **Chhetri D**. Maximizing Functional Outcomes in Head and Neck Cancer Survivors: Assessment and Rehabilitation. *Otolaryngol Clin North Am.* **2017** Aug;50(4):837-852.

### **ABSTRACTS**

1. **Chhetri DK**, Neubauer J. Effects of asymmetric vocal fold activation on phonation. *Journal of the Acoustical Society of America.* **2010**;127: 2021

2. Berry D, **Chhetri DK**, Neubauer J. The role of the posterior cricoarytenoid muscle in phonation. *J Acoust Soc Am*. 2013 Nov;134(5):4203.
