

CAPC Campus Online™

Complimentary E-Learning Courses Offered for Hospice and Palliative Medicine (HPM) Fellows

What is CAPC Campus Online™?

CAPC Campus Online™ is the e-learning space where you'll find courses covering all the structural, operational and financial essentials of palliative care program development and sustainability. Our e-learning courses offer you complete flexibility because they are available when you are available, 24 hours a day, seven days a week.

- ▶ **HPM Fellows may enroll in all current course offerings free of charge**

Enroll Now

Step 1: Go to [CAPC Campus Online™](http://campus.capc.org/) to learn more about our current e-learning courses: <http://campus.capc.org/>

Step 2: If you don't already have an account, follow the instructions to create a "New Account" here: <https://campus.capc.org/login/index.php#loginnow>

Step 3: On the "New Account" screen enter the registration coupon code: **FELLOW10**
NOTE: If you already have login username and password for [CAPC Campus Online™](http://campus.capc.org/), you must select "Enroll Now" and then enter the registration coupon code: **FELLOW10**

Step 4: At any time, you can enroll in additional courses, when you return to [CAPC Campus Online™](http://campus.capc.org/).
Log-in with your unique username and password at <http://campus.capc.org/>, select "Enroll Now" and then enter the registration coupon code: FELLOW10

CME and Continuing Education Credits

- Continuing education credits are NOT currently available. Upon completion, a CAPC Certificate of Completion (no credit designation) will be available.
- Fellows must complete their enrolled courses within 1-year.
- The FELLOW10 coupon currently has no expiration date. This is subject to change.

How are CAPC e-learning courses applicable to HPM Fellows?

- Fellows who will be starting, or joining an existing palliative care program, are ideal candidates for CAPC e-learning courses. Course content will provide excellent background for assisting fellows in their job search.
- E-learning courses provide new concepts in program development; instructional design; consultation etiquette and systems-change work that fellows will be able to put to use *during their fellowship*.

- Completion of e-learning courses will fulfill several of the HPM Competencies as indicated in the below table:

**CAPC Campus Online™
E-Learning Competency Crosswalk**
