## Care Extender Internship Program

### Important Areas to Know (SM) Reference Guide

The Six Zones:

Zone 100 – Orthopedic Wing

Zone 200 – North Wing

Zone 300 – Central Wing

Zone 400 – Merle Norman Pavilion

Zone 500 – South West Wing

All room numbers have 4 digits – the first number indicates the floor, the second number indicates the pod or zone, the third and fourth numbers indicate the room number. For example, room 6204 is on the 6<sup>th</sup> floor, in the North Wing because it is zone 200. Frequently visited places are highlighted in red below.
