

December, 2020

A. ABSTRACTS/POSTERS and PRESENTATIONS

1. **Conti, N.**, Broekema, N., Imperiale, M. *BK polyomavirus episomal persistence in urothelial cells*. Oral presentation at: University of Michigan Department of Microbiology and Immunology; July 2011. Ann Arbor, MI.
2. Tree, M. O., Johnson, U. G., Kieft, K. J., **Conti, N.**, Conway M. J. *Aedes aegypti endogenous NSI protein inhibits dengue virus replication*. Poster presented at: CMU Student Creative Research Endeavor; 2015, April. Mount Pleasant, Michigan.
3. Hemanth, R. 1, Errigo, E. 1, **Conti, N.** 2, Nassiri, R. 3, Cunningham, W 1,3. *Comparison of Post Reform Healthcare Use Patterns of Underserved Populations in Brazil, Mexico, and Southeast Michigan*. Poster presented at: Statewide Campus System Conference Michigan State University. 2016, May; East Lansing, MI.
4. Sharma, K., **Conti, N.**, Clements, J., Paulus, E. *Meta-Analysis: Assessing common bile duct injury, stone detection and OR time as outcomes during cholecystectomy with or without intraoperative cholangiogram*. Selected for oral presentation at: College of Medicine and CMU Health Research Symposium. 2016, May; Saginaw, Michigan.
5. **Conti, N.**, Zayout, M., Ghanem, M., Shaheen, S. *Robotic versus standard laparoscopic cholecystectomy: Clinical Outcomes*. Poster presented at: College of Medicine and CMU Health Research Symposium. 2016, May; Saginaw, Michigan.
6. **Conti, N.**, Rojas, L., Perez, F., Bonomo, R. *Dissection of Carbapenem Resistance in Enterobacter Cloacae Complex*. Poster presented at: University Hospitals Medicine Research Day. 2018, May; Cleveland, Ohio.
7. **Conti, N.**, Rojas, L., Perez, F., Bonomo, R. *Dissection of Carbapenem Resistance in Enterobacter Cloacae Complex*. Poster presented at: IDSA/NIAID Research Careers Meeting. 2018, June. NIH, Bethesda, Maryland.
8. Norwick, P. M, Shaheen, S., Blebea, J., **Conti, N.**, Heckburn, R., Zayout, M., Clements, J., Ghanem, M., *Robotic vs. standard laparoscopic cholecystectomy: clinical outcomes*. ePoster at: SAGES 2019 conference. 2019, April 3-6; Baltimore, Maryland.
9. **Conti, N. T.**, Mack, A. R., Bethel, C. R., Taracila, M. A., Bonomo, R. A. *Allosteric inhibition of Pseudomonas-derived cephalosporinase: a new approach to combating antimicrobial resistance*. Poster presented at: University Hospitals Medicine Research Day. 2019, May 17; Cleveland, Ohio.
10. **Conti, N.**, Hornick A., Emesiani, D., Brouch, D. *Assessment of elapsed time of antibiotic administration from physician order to bedside and multidisciplinary intervention to*

reduce time to administration at Louis Stokes VA Medical Center tertiary hospital. Poster presented at: University Hospitals Medicine Research Day. 2019 May 17; Cleveland, Ohio.
