

Ostomy Supply Information

- Ostomy supplies need a prescription and are covered by most insurances.
- If you go home with Home Health and have Medicare as your primary insurance, your Home Health Agency is responsible for ordering and providing your ostomy supplies while under their care.
- After discharge from Home Health and/or if you have private insurance you will be responsible for ordering your own supplies.

Steps to ordering supplies

1. Call one of the ostomy suppliers below by phone to set up an account.

2. When calling the supplier, make sure you have the following information ready.

<p>Your insurance name and insurance ID #</p>
<p>Your surgeon's or physician's contact information: Surgeon's/physician's name: _____ Address: _____ Phone number: _____</p>
<p>List of ostomy supplies you will need. See the back of this form</p>

3. Once your account is set up, the supplier will fax the ostomy order to your surgeon/physician who will sign it and fax it back to the supplier. The supplier will then mail out your ostomy supplies.

Ostomy Supply Tips:

- Set up an account with a supplier as soon as you get home.
- The Ostomy Service will do their best to give you a one-month's supply so you will have enough supplies to last as you wait for your products to be ordered.
- For help, ask your Home Health nurse to assist you with ordering supplies.
