

UCLA PEDIATRICS:

Know Your Code Sepsis

WHEN TO RESPOND:

If patient meets two or more NEW onset SIRS criteria with a suspected infection

HOW TO ACTIVATE:

Call #36 to report and activate a Pediatric Code Sepsis
(No overhead page)

WHO WILL RESPOND:

1. Pediatric Hospitalist
2. Pediatric Senior Resident
3. Charge RN

This team is immediately paged and available at the patients bedside to provide the pediatric sepsis order set

HOW WILL **U** MAKE A DIFFERENCE?

Our goal is to obtain blood cultures and administer antibiotics/ IVF (if ordered) within 60 minutes.

These bundle elements are time sensitive, and our best patient outcomes are achieved only when all elements have been successfully implemented.

*** Starting March 2017**
