

From Westwood Plaza, enter Medical Plaza Driveway.

### Patient Drop-off Option #1: (street level)

Patients may be dropped off while drivers park. We have seating in the lobby or in clinic on the 4th floor.

**Enter the parking lot on your left** immediately past the clinic entrance.

Drive down & stay in the right lane to follow signs to the **100 Medical Plaza parking**.

Take a ticket from the ticket dispenser and follow signs for **"Parking and exit on Lower level"** to **level B2**.

### Patient Drop-off Option #2:

Once on level B2, follow signs for 100 Medical Plaza. If "X" indicates no more parking spaces available, you may still drop off. There is bench seating outside and in the clinic on the 4th floor.

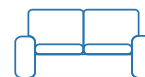

Look for parking as close to **section K** as possible.

The **clinic entrance** is on the 4th floor.  
**We look forward to seeing you!**
