

Please note: The following visitor guidelines apply to all patient care areas.

- All visitors must be healthy and remain masked at all times.
- If you are experiencing cough, cold or any symptoms of flu, COVID-19 or any infectious disease, please stay home.
- If you’ve tested positive for COVID-19, please postpone any patient visitation until 10 days have passed.
- We strongly recommend that all visitors are vaccinated and have received the boosters for which they are eligible.
- We strongly recommend that visitors refrain from eating in the patient care areas.
- Children must be at least 6 years old to visit our patient care areas.
- Children must be at least 12 years old to visit patient care areas in the Ronald Reagan NICU and the Ronald Reagan Bone Marrow Transplant Unit (6 East).

Visitation may be restricted based on the patient's clinical status.
