

VA Community Living Center (CLC)

Updated 4/1/2022

The VA CLC is made up of 4 units at two different locations

CLC is made up of Sepulveda (in Northridge) CLC (G-35), West Los Angeles CLC (213-2, 215-2, 215-3)

G-35 30 patients approximately
213-2 51 patients approximately
215-2 50 patients approximately
215-3 50 patients approximately

1. CLC Call

Please contact the appropriate CLC medical provider (email/phone call) regarding any issues that need to be communicated for follow up regarding the veterans you were contacted while you were on call. This is to ensure communication between on call providers for the CLC and the CLC primary providers.

2. CLC Attending back up

Please do not hesitate to call the CLC back up monthly attending (listed on the CLC call list). If you are unable to reach the CLC monthly back up attending, please contact Dr. Linda Sohn 310-903-9692.

You must contact the back up attending if a veteran refuses to be transferred to a higher level of care and discuss the case. Other issues that you may need attending support include: questions regarding processes related to medical care or nursing care in the CLC, clinical scenarios, etc..

3. Pass orders for CLC patients

Weekend passes should have been arranged by the primary provider during normal work hours. Weekend passes may be granted for special, unexpected situations. Please contact Dr. Sohn if this happens.

3. Conflict with your CLC Call dates

After the call list is finalized and forwarded to you via email for the quarter, it is the **physician's responsibility** to:

- 1) Find coverage if you are unable to be on call on the assigned date
- 2) Inform Zoraida Valdivia, Zoraida.Valdivia@va.gov regarding the changes in call dates. Please CC: Dr. Sohn, and the person who is willing to switch call dates. Zoraida needs to be informed so she can update the SharePoint site that has the call list. All staff at GLA utilize the SharePoint site including the CLC nursing to contact the on call CLC physician.

Prior to the quarterly call list being finalized there will be an opportunity to block off dates that you are unable to take call. Zoraida will contact you regarding any dates you cannot take CLC call during the quarter. Zoraida can be reached at 310-478-3711 x43083.
