

PARTNER WITH A GLOBAL LEADER IN CLINICAL RESEARCH

EXCEPTIONAL ACHIEVEMENT & CLINICAL EXPERTISE

-  **13,000+** Active Study Participants
-  **1,700+** Active Clinical Research Studies
-  **1,000+** Active Drug Studies
-  **900+** Active Oncology Studies
-  **200+** Medical Device Studies
-  **\$1.4 BILLION** in overall research funding in 2020
-  **\$590 MILLION** in NIH funding in 2020
-  **\$59 MILLION** in clinical and translational research funding

RECOGNIZED AS A
TOP 10 HOSPITAL
IN THE WORLD

- UCLA Health Ranked #1 in California and Los Angeles* *Tied for #1 ranking
- UCLA Jonsson Comprehensive Cancer Center amongst Nation's Best Programs
- Nationally ranked in 14 adult and 9 pediatric specialties
- 18 FDA Approved Oncology Therapies developed since 2014
- Developed one of the first personalized vaccines against brain cancer

PARTNERING WITH UCLA HEALTH

-  Global Leader in Breakthrough Research & Discovery
-  Access to Thought Leaders & Subject Matter Experts
-  Clinical Research Staff Education, Training & Subject Matter Certification
-  U.S. Regulatory Navigation & Consultation
-  Research Policies, Procedures, & Infrastructure Best Practices

DRIVEN TO INNOVATE TODAY AND INTO THE FUTURE

UCLA Health

Revolutionary Organ Transplant Studies

UCLA physician explores a revolutionary approach to transplantation that may enable a pathway for transplant recipients to live immunosuppression free.

EXTENSIVE NETWORK & SUBJECT MATTER EXPERTISE

UCLA Office of Clinical Research

- Clinical Trial Monitoring & Auditing
- Clinical Trial Finance & Contracting
- Clinical Trial Analytics & Business Intelligence
- Clinical Trial Management System Implementation & System Integration
- Customized Staff Training & Education

FDA Affairs & Consultative Services

- Medical Devices
- Investigational Drugs & Biologics

Digital Health Technology

- Center for SMART Health
- Wearable Devices
- Machine Learning & Artificial Intelligence

Specialized Clinical Research Infrastructure

- Clinical and Translational Science Institute
- Industry-leading Clinicians and Facilities

Precision Health

- Universal Research Consent
- Biobanking
