

Adult Congenital Heart Association

Webinars Presents:

Understanding the Next Phase of Healthcare

Tuesday, 6/20/2017, 7 p.m. – 8 p.m. EDT

Presenters: Erika Miller, Johanna Gray and David Eaton
of Cavarocchi, Ruscio, Dennis Associates, LLC

About the Webinar

Healthcare seems to be something that is constantly changing, with no sure understanding as to what it will look like in the future. Join us as we dive into understanding what has taken place over the last few months, and learn how to outreach to your legislators to express your concerns.

About the Adult Congenital Heart Association

The Adult Congenital Heart Association (ACHA) is a national not-for-profit organization dedicated to improving the quality of life and extending the lives of adults with congenital heart disease (CHD). ACHA serves and supports the more than one million adults with CHD, their families and the medical community—working with them to address the unmet needs of the long-term survivors of congenital heart defects through education, outreach, advocacy, and promotion of ACHD research. For more information about ACHA, contact (888) 921-ACHA or visit www.achaheart.org.

This webinar is made possible in part by unrestricted educational grants from Actelion Pharmaceuticals US, Gilead Sciences, Inc., and St. Jude Medical Foundation.
