

Patient Checklist

Please be sure to:

- Call our Pre-Operative Evaluation Center (PEC) at UCLA Medical Center, Santa Monica at (310) 319-4742, the day before your surgery to obtain your arrival time.
- Completely fill out the Admission Medication History form.
- Follow the specified guidelines for eating/drinking before your procedure.
- Bring any pertinent medical records, including X-rays, MRI results, EKG reports and Lab results, with you to the hospital.
- Leave your valuables at home and remove any jewelry you may be wearing. No cell phones, laptops, wallets, or purses.
- Bring a copy of your Advance Directive (if you have one), insurance card and photo I.D.
- Inform our PEC staff, (310) 319-4742, if you will need an interpreter.
- Have a responsible adult available to accompany you home after your surgery (outpatients only). If your child is having surgery, we recommend two responsible adults be available to accompany him/her home.
- Bring the completed forms and other information with you to our hospital. If you are delayed for any reason on the way to your appointment, please call the Pre Treatment Unit at (424) 259-9352.
