

## Healthcare Transition Family Forum

### Attention Teens, Young Adults and Parents

Are you a teen or parent of a teen who has special healthcare needs? Do you have concerns or questions about the transition from pediatric to adult healthcare? If so, this conference is for you!

Come join us for a UCLA forum for teen/young adults and their parents. Learn practical information, resources and strategies for transitioning to adult healthcare.

Learn from healthcare experts and young adults who have made the transition to adult healthcare. They will address a variety of topics, including:

- *Transitioning to Adult Healthcare: When, Why and Who Can Help?*
- *How New Healthcare Laws Will Affect You*
- *Career Planning and Educational/Vocational Resources*
- ... And More!

Spanish interpreters will be available.

*This conference is supported in part by grant T76MC00014: Maternal and Child Health Public Health Training Program: The Interdisciplinary MCH Training Program [PI: Neal Halfon] provided by the Maternal and Child Health Bureau, HRSA, to the Department of Health Services, School of Public Health, University of California, Los Angeles*
