UCLA Department of Urology

Presents

45th Annual UCLA State-of-the-Art Urology Conference

Friday - Sunday
March 6-8, 2020

The Ritz-Carlton
Marina del Rey, California
This course explores the most challenging management problems facing the practicing urologist. Distinguished faculty present current information and techniques in urologic oncology (prostate, bladder, kidney), male and female voiding dysfunction and incontinence, pelvic prolapse, the latest BPH technologies, renal and ureteral stones, testosterone replacement therapy, shock wave therapy for erectile dysfunction, Peyronie’s disease, imaging (fluorocloine scan and PSMA PET), ablative therapies, genetic testing, robotic and endoscopic surgery, BCG unresponsive bladder cancer, management of the small renal mass and Bosniak cysts, avoidance and management of malpractice claims, practice management and coding, and pediatric urology. The conference emphasizes interaction between participants and faculty and allows ample time for case presentations and group discussions, ensuring an outstanding educational experience for attendees.

At the completion of this program, participants should be better able to:

- Utilize MRI for prostate cancer detection and active surveillance
- Utilize molecular markers for prostate cancer screening
- Counsel patients on focal therapy for prostate cancer
- Understand the present role for fluocloine and PSMA imaging
- Utilize germline and somatic genetic testing for patients with prostate cancer
- Manage patients with BCG unresponsive bladder cancer
- Manage patients with upper tract urothelial cancer
- Manage small renal masses and Bosniak cysts
- Understand the role of the latest BPH technologies
- Prescribe exercise regimens for prostate cancer patients
- Manage male and female voiding dysfunction
- Manage patients with neurogenic bladder
- Manage patients with kidney and ureteral stones
- Avoid opioid addiction in patients with stones
- Counsel and treat patients with testosterone deficiency
- Understand the role for shock wave and stem cell therapy for ED
- Optimize collagenase treatment for patients with Peyronie’s
- Navigate coding and related practice management issues
- Sequence therapy for advanced prostate cancer
- Avoid and navigate malpractice claims

A few days before the meeting you will be emailed a link and a password to download the individual speaker handouts.

March is the ideal time of year to visit Southern California. Temperatures are usually in the mid 70s, and skies are sunny and clear. The Ritz-Carlton overlooks the world’s largest small craft harbor and offers spectacular coastline vistas from the balcony of every guestroom. Guests will enjoy two lighted tennis courts, a waterfront swimming pool and state-of-the-art fitness center/spa, as well as other amenities that give the Ritz-Carlton its uncompromising reputation.

Within walking distance of the hotel are a variety of restaurants, clubs, and shops, as well as biking paths, jogging trails and, of course, the Marina Beach. Close by are art galleries, popular restaurants, architectural showpieces, and the distinctive cultural scenes of Santa Monica and Venice Beach. Shopping in Beverly Hills, Century City, Abbott Kinney, and Santa Monica’s 3rd Street Promenade is close by. The Los Angeles area offers a variety of vacation entertainment for both adults and children. Disneyland, Knott’s Berry Farm, Six Flags Magic Mountain, and Universal Studios are just a few of the attractions that help make a visit to Southern California a memorable experience.

Transportation to Hotel from LAX

Taxi or shuttle service is available from Los Angeles International Airport to the Ritz-Carlton, Marina del Rey.

Accommodations

A block of rooms has been reserved at the Ritz-Carlton for conference participants at a special conference rate of $319 plus tax per night for single/double occupancy. One night’s deposit is required to guarantee late arrival (after 5pm). Confirmation of reservations received after February 4, 2020 is subject to availability.

For reservations call 310-823-1700 or 800-241-3333. Be sure to mention UCLA’s State-of-the-Art Urology Conference when calling in your reservations. You may also visit their website: https://book.passkey.com/go/2020UrologyConference.

Accreditation

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this live activity for a maximum of 22.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California State Board of Registered Nursing accepts courses approved by the AMA for category 1 credit as meeting the continuing education requirements for license renewal. Nurses from states other than California should inquire with their local State Board for specific continuing education policies.

American Society of Radiologic Technologists Credit Category A/A+ CE credit is pending approval by the ASRT.

Disclosure

The FDA has issued a concept paper that classifies the commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. Along with independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the sponsor adequately manage all identified potential conflicts of interest prior to the program. We at UCLA fully endorse the letter and spirit of these concepts.

The Department of Urology is a California Board of Nursing approved provider (#6888).
