**Conference Follow-Up Survey Results**

In July, a Survey Monkey link was sent to all 33 conference attendees. A total of 11 responded, thus a 33% response rate. Although it's a small sample, the respondents still provided constructive information.

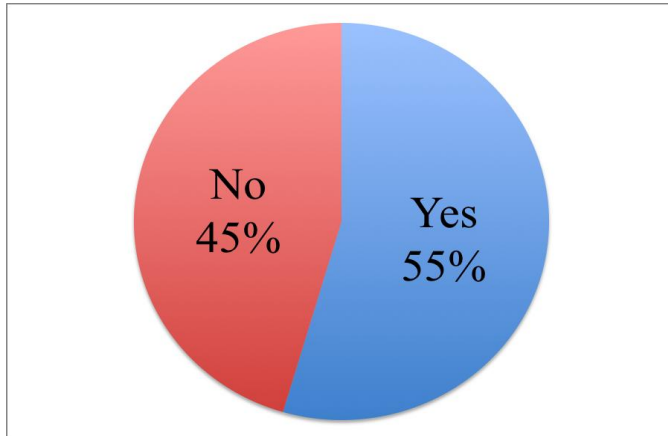

**(1) Which of the following best describes your job function? (10 responses, 1 omitted)**

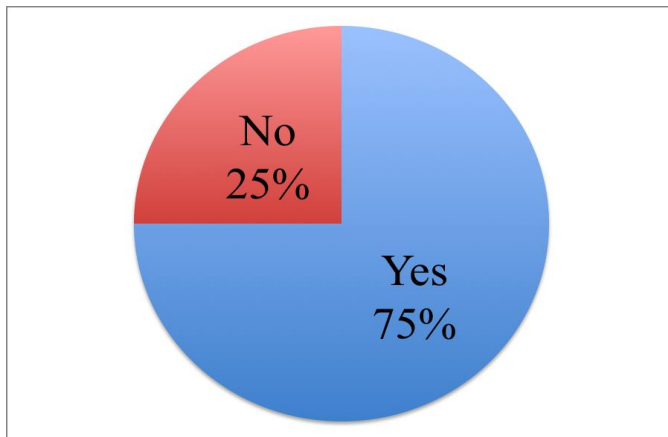

**(2) Are you a decision maker regarding policies toward LGBT staff at your organization? (11 responses)**

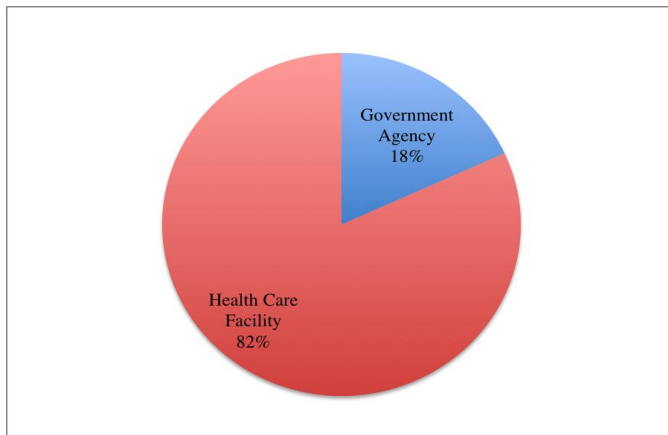

**(3) Are you a decision maker regarding policies toward LGBT patients at your organization? (11 responses)**

**(4) If your answers to questions 2 and/or 3 were “No,” do you report to someone who is a decision maker regarding LGBT policies? (11 responses)**

**(5) Which of the following best describes your institutional affiliation? (11 responses)**

**(6) Subsequent to the conference, which of the following health action(s) have you taken to promote LGBT health? (Multiple responses were given per person.)**
