

Mora Becerra, Nancy L., M.D.
Medicine/Endocrinology
Curriculum Vitae

PERSONAL HISTORY:

2625 West Alameda Ave., Suite 322
Burbank, CA 91505
Uclahealth.org/burbank
818.843.9020
NMoraBecerra@mednet.ucla.edu

EDUCATION:

01/2000–03/2006

Universidad de Los Andes, School of Medicine. Mérida – Venezuela. Medicine, MD

07/2010-06/2013

Internal Medicine Residency at John H. Stroger Jr. Hospital of Cook County, Chicago IL

07/2013–06/2014

Diabetes Fellowship at Ohio University Diabetes Institute, Athens Ohio

07/2014–06/2016

Endocrinology, Diabetes and Metabolism Fellowship at The Ohio State University, Columbus OH

LICENSURE

- California License No A140865
- Date issued: 02/19/2016
- Expiration 09/30/2017
- DEA FM6000462
- Date Issued 2016

BOARD CERTIFICATION:

- ECFMG certification 09-2009
- American Board Internal Medicine 08-2013; Certificate number: 344511
- BLS/ACLS exp. date 6/2018

PROFESSIONAL EXPERIENCE:

Current Appointment

August 2016 – present Health Sciences Clinical Instructor
David Geffen School of Medicine, UCLA

Past Appointments

03/2006 – 05/2006

Internship at Hospital Ernesto II Paolini – Colon, Venezuela

06/2006 – 03/2007

Internship at Hospital Padre Justo – Rubio, Venezuela

03/2007 – 06/2007

Emergency physician, Hospital Materno Infantil – San Cristóbal, Táchira, Venezuela

01/2008 – 01/2009

Emergency physician, Centro Clínico – San Cristóbal, Táchira, Venezuela

10/2009 – 11/2009

International Observership program at Methodist Hospital, Houston TX

07/2011 - 06/2013

Volunteer at Endocrinology Specialty Clinic in Fantus Outpatient Center, Chicago IL

03/2014 – 03/2014

Rotation as observer at the Pediatric Diabetes Clinic at Joslin Diabetes Center, Boston MA

07/2013 - 06/2014

Medical Staff at The Diabetes Free Clinic at Ohio Diabetes Institute, Athens, OH

Posters presentations

1. **Mora N**, Qattan M. Tuberculous Pleurisy, a diagnostic challenge. Poster presented at: Resident Research day at Cook County Hospital; Chicago IL (2012).
2. **Mora N**, Qattan M. Panhypopituitarism and HIV infection. Poster presented at: Resident Research day at Cook County Hospital; Chicago IL (2013)
3. Qattan M., **Mora N**. Orbital Pseudotumor. Poster presented at: Resident Research day at Cook County Hospital; Chicago IL (2013).
4. Oben P, **Mora N**, Rogers S. Spontaneous Cryptococcal Peritonitis. Poster presented at: Resident Research day at Cook County hospital; Chicago IL (2013).
5. Qattan M, **Mora N**. Autoimmune hemolytic anemia as unusual presentation of hepatitis B infection. Poster presented at: Resident Research day at Cook County Hospital; Chicago IL (2013).
6. Shubbrook J, Sebastian G, **Mora N**, Healy A, Nakazawa M. A novel insulin protocol for steroid induced hyperglycemia in the hospital setting. Submitted for presentation at the American Osteopathic Association for at the Osteopathic Medical Conference & Exposition, 2015
7. **Mora N**, Tozbikian G, Soe K. Adrenal Cortical Carcinoma Presented As Cushing's Syndrome And Primary Hyperaldosteronism - a case report. Poster presented at: Endocrine Society Meeting in San Diego CA (March 2015)
8. **Mora N**, Dungan K. Marked improvement in glycemic control and insulin requirements in a severely insulin resistant patient with type 2 diabetes mellitus - A case report. Poster presented at: Endocrine Society Meeting in San Diego CA (March 2015)
9. **Mora N**, Bergin S, Blaszcak A, Liu J, Hsueh W, Needleman B, Noria N, Mikami D, and Bradley D: Obstructive Sleep Apnea: Is It a Biomarker of Metabolically Healthy Vs. Abnormal Obesity. Invited to compete in the Endocrine Society's Presidential Poster Competition for a first-authored top-scoring abstract for presentation at the Annual Meeting & Expo, Boston MA (April 2016)

Research Experience

1. Variables determining glycemic control in newly diagnosed patients with type 2 diabetes mellitus at John H. Stroger Jr Hospital, 2011-2013.
2. Manganese supplementation and effect on glycemic control in type 2 DM patients, Diabetes fellowship research project 2013-2014. Mentors: Schwartz F, Shubrook J.
3. Obstructive Sleep Apnea: is it a biomarker of metabolic health in obesity, Endocrinology, Diabetes and Metabolism fellowship research project 2014-2016. Mentor: David Bradley, MD

Honors and awards

2013 General Medicine Clinic, Award of Excellence. Cook County Hospital Chicago, IL
 2006 Graduated with honors "*Magna Cum Laude*" - Ranking 1 among 181 graduates in Medical School
 2004 "Luis Maria Rivas Davila" order The Best Academic Performance
 2004 - 2005 Highest Academic Performance at Medical School
 2003 - 2004 High Academic Performance
 2000 - 2001 High Academic Performance

Co-Curricular Activities

- Endocrine University Course, Rochester Minnesota 2016
- Diabetes Camp participation as medical staff, Camp Hamwi 2013 – Central Ohio, US
- Launched a program to detect diabetes and hypertension in a rural population 2006, Táchira – Venezuela
- Conducted vaccination campaigns in adult population in rural area 2006, Táchira – Venezuela
- Provided counseling and information regarding sexual transmitted diseases in teenage population 2006, Táchira, Venezuela

Affiliations

- Endocrine Society, member since 2014
- American Association of Clinical Endocrinologist (AACE), member since 2015
- American Diabetes Association (ADA) since 2013

Relevant Skills

- Insulin pump management: Medtronic, Omnipod, Accucheck, T-slim, Animas
- Continuous Glucose Monitoring (CGM) interpretation
- SPSS data management and analysis
- Fluent in Spanish

RESEARCH PAPERS

A. PEER-REVIEWED (PUBLISHED)

1. Shubrook J, **Mora N**, Adkins S, Guo A. Insulin: A 2014 Primer. Primary Care Reports, Volume 20, Number 8/ August 2014

B. PEER-REVIEWED (PUBLISHED)

2. Shubrook J, **Mora N**, Adkins S, Guo A. Insulin: A 2014 Primer, Part 2 Insulin Delivery and Insulin Pumps. Volume 20, Number 9 / September 2014

C. PEER-REVIEWED (PUBLISHED)

1. Millstein R, **Mora N**, Shubrook J. Insulin pump therapy: Introduction to successful management. Cleveland Clinic Journal of Medicine, Volume 82, Number 12 / December 2015

D. PEER-REVIEWED (PUBLISHED)

1. **Mora N**, Needleman B, Noria S, Bradley D. Obstructive Sleep Apnea: Is it a biomarker of metabolic health in obesity. Obesity Medicine, Volume 6, April 2017

E. NON-PEER-REVIEWED (SUBMITTED)

Block D, Mora N. Clinical report Metastatic Mucoepidermoid Carcinoma causing Cushing Syndrome. Proceeding of UCLA

F. NON-PEER-REVIEWED (SUBMITTED)

Mora N, Block D. Cohen Syndrome as cause of childhood central obesity leading to increased risk of metabolic complications. Proceeding of UCLA
