

Famini, Pouyan, M.D.
Medicine/Endocrinology
Curriculum Vitae

Education

University of California, Los Angeles 2001-2004
Los Angeles, CA
Department of Organismic Biology, Ecology, and Evolution B.S.
Magna Cum Laude with College Honors and Departmental Honors

Albany Medical College 2005-2009
Albany, NY
M.D.

Post-Graduate Medical Training

Internal Medicine Internship and Residency 2009-2012
Cedars-Sinai Medical Center/West Los Angeles V.A.
Los Angeles, CA
Program Director: Dr. Mark Noah, M.D.

Endocrinology, Metabolism, and Diabetes Fellowship 2012-2014
Cedars-Sinai Medical Center/West Los Angeles V.A.
Los Angeles, CA
Program Director: Dr. Jane Weinreb, M.D.

Medical Licensure

California A114529

Board Certifications

Internal Medicine 08/2012
American Board of Internal Medicine

Endocrinology, Diabetes and Metabolism 11/2014
American Board of Internal Medicine

Professional Experience

Present Appointment

UCLA David Geffen School of Medicine Jan. 2017-
HS Clinical Instructor present
Los Angeles, CA

Present Experience

UCLA Bombshelter eatery 2001-2002
Staff Supervisor.
Los Angeles, CA

PSAC Promotions 2003-2005
Promoting cultural events with a focus on Iranian-American audience.
Los Angeles, CA

Albany Medical College Tutor Program 2006-2007
Tutoring and mentoring first year medical students,
Albany, NY

Internal Medicine Associates and Valley Presbyterian Hospital 2014-2016
Internal Medicine and Endocrinology single specialty group private practice
Hospital Staff Member
Van Nuys, VA

Presentations & Poster Presentations

67th Scientific Sessions ADA Annual Meeting Poster Presentation 6/2007
Principal Investigator: Dr. Dan Streja, M.D.
Clinical Inertia and GFR Decline in Patients with Type 2 Diabetes and
Hypertension

Pituitary Interdisciplinary Case Conference 5/28/2013
Cedars Sinai Medical Center
Aggressive ACTH Secreting Tumor

Research Projects

Investigation of the role of T cell (VB family) expression in breast-cancer survivors with chronic fatigue. 2002-2005
Principal Investigators: Jerome Zack Ph.D. & Steven W. Cole Ph.D.
Norman Cousins Center for Psychoneuroimmunology.
University of California Los Angeles, Los Angeles, CA

Clinical inertia's effect on GFR Decline in Patients with Type 2 Diabetes and Hypertension. 2006-2008
Principal Investigator: Dr. Dan Streja, M.D.
West Hills Hospital, West Hills, CA

Incidence of non-adenomatous sellar and parasellar masses on pituitary MRI at a tertiary hospital. 2009-2011
Principal Investigator: Dr. Shlomo Melmed, M.D.
Cedars Sinai Medical Center, Los Angeles, CA

Incidence of incidentally discovered pituitary masses in the emergency room setting discovered by non-contrast head CT scanning. 2011-2014
Principal Investigator: Dr. Shlomo Melmed, M.D.
Cedars Sinai Medical Center, Los Angeles, CA

Spontaneous Retroclival Hematoma in Pituitary Apoplexy 2012-2014

Principal Investigator: Dr. David Pressman, M.D.
Cedars Sinai Medical Center, Los Angeles, CA

Case of acquired syphilis infection of the pituitary gland
and literature review. 2012-2014

Principal Investigator: Dr. Shlomo Melmed, M.D.
Cedars Sinai Medical Center, Los Angeles, CA

Honors and Awards

UCLA Provost's Honors/Dean's List 2001-2004

UCLA Phi Beta Kappa Honor Society 2005

Albany Medical College Scholastic Excellence 2006, 2007

Alpha Omega Alpha Senior Member 2008

Teaching Experience

Endocrine Laboratory – David Geffen UCLA Medical School 10/24/2013
“Clinical Assessment of Hypoglycemia”

Lecture speaker for second year UCLA medical students.
