

CURRICULUM VITAE

William J. Quiñones-Baldrich, M.D.

EDUCATION:

University of Puerto Rico	B.S.	1973
University of Puerto Rico School of Medicine	M.D.	1977

MEDICAL LICENSURE:

Pennsylvania (MD020844E)	1979
California (GO47277)	1982
Board Certification, Surgery (Cert. #28815)	1983
Board Recertification, Surgery	1991
Board Recertification, Surgery	2002
Board Certification, Vascular Surgery (Cert. #690)	1987
Board Recertification, Vascular Surgery	1996
Board Recertification, Vascular Surgery	2005

ACADEMIC AND PROFESSIONAL POSITIONS:

Intern in Surgery	Thomas Jefferson University Hospital Philadelphia, PA	1977-78
Assistant Resident, General Surgery	Thomas Jefferson University Hospital Philadelphia, PA	1978-81
Chief Resident, General Surgery	Thomas Jefferson University Hospital Philadelphia, PA	1981-82
Fellow, Peripheral Vascular Surgery	UCLA Medical Center and Clinics Los Angeles, CA	1982-83
Adjunct Assistant Professor	University of California, Los Angeles	1982-84

ACADEMIC AND PROFESSIONAL POSITIONS (cont'd):

Research Fellow,	Vascular Research Laboratory	1983-84
------------------	------------------------------	---------

Peripheral Vascular Surgery	Wadsworth V.A. Medical Center Los Angeles, CA	
Associate Investigator	Wadsworth V.A. Medical Center, Los Angeles, CA	1984-85
Staff Surgeon	Olive View Medical Center, Sylmar, CA	1984-86
Associate Investigator	Sepulveda V.A. Medical Center, Sepulveda, CA	1984-86
Staff Surgeon	Sepulveda V.A. Medical Center, Sepulveda, CA	1984-96
Assistant Professor of Surgery	University of California, Los Angeles, CA	1984-90
Chairman, Basic Surgical Training Program	University of California, Los Angeles, CA	1985-92
Associate Professor of Surgery	University of California, Los Angeles, CA	1990-96
Professor of Surgery	University of California Los Angeles, CA	1996-Present

HONORS:

University of Puerto Rico, Magna Cum Laude	1973
Puerto Rican Cement, Honor Medal	1973
Federal Scholarship	1974-76
Alpha Omega Alpha	1976
Puerto Rican Medical Association, Bristol Award	1977
American Medical Association, Physicians Recognition Award	1984

HONORS (cont'd):

Childrens Liver Foundation, Honor for Outstanding Contributions	1985
CMA's Four-Year Award in Continuing Medical Education	1993
AMA's Physician Recognition Award	1993-present
Who's Who in Medicine	1996-present
Los Angeles Magazine, Best Physicians in Los Angeles	1996-2007
Scarlet Clot Teaching Award UCLA Division of Vascular Surgery	2001, 2002
Golden Scalpel Teaching Award for Professor UCLA Department of Surgery	2005 - 2008

EXAMINATIONS:

National Board of Medical Examiners	1978
Surgical Education and Self-Assessment, Program III	1979
Qualifying Examination, American Board of Surgery	1982
Certifying Examination, American Board of Surgery	1983
Recertifying Examination, American Board of Surgery	1993, 2002, 2011
Qualifying Examination, Certificate of Special Competence in Vascular Surgery	1986
Certifying Examination, Certificate of Special Competence in Vascular Surgery	1987
Recertification Examination, Certificate of Special Qualifications in Vascular Surgery.	1996, 2005

PROFESSIONAL ORGANIZATIONS:

Alpha Omega Alpha	1976
Puerto Rican Medical Association	1977
American Medical Association	1977
American College of Surgeons, Candidate Group	1980-87
Professional Association of Olive View Medical Center	1983-86
Association for Academic Surgery Member, Committee on Issues, 1989-1991	1984
American Heart Association Stroke Council	1985-present
Southern California Vascular Surgical Society Chairman, Membership Committee, 1992-97 Secretary-Treasurer 1998-2001 President Elect 2002 President 2003	1986-present
Western Vascular Surgical Society	1987-present
American Association of Vascular Surgery (Former International Society of Cardiovascular Surgery, North American Chapter) Membership Committee 1994-97 Chairman, Membership Committee, 1998	1987-present
Fellow, American College of Surgeons S. Calif. Chapter, Vascular Sub-Specialty Chairman - 1992 S. Calif. Chapter Representative to ACS Committee on Young Surgeons – 1993 Chairman, Program Committee, Vascular Section, ACS Annual Spring Meeting, Baltimore, MD – 1998 S. Calif. District, Committee on Applicants, 1994-2006	1987-present

PROFESSIONAL ORGANIZATIONS (cont'd)

Peripheral Vascular Surgery Society	1989-present
Chairman, Local Arrangements Committee - 1990	
Secretary	1991-93
Program Chairman, 1st Winter Meeting -	1991
President-Elect and Membership Chairman -	1994
Program Chairman, 4th Winter Meeting -	1994
Chairman, Local Arrangements Committee -	1996
Representative to American College of Surgeons'	
Advisory Council for Vascular Surgery -	1995-1997
President	1995
Los Angeles Surgical Society	1989-1995
Pacific Coast Surgical Association	1990-present
Society for Vascular Surgery	1990-present
Bay Surgical Society	1990-present
Chairman, Program Committee	1993, 1994
Secretary-Treasurer	1994
Vice President	1995
President	1996
Cirujanos Vasculares De Habla Hispana	1994-present
Program Committee	1995-97
Association of Cerebrovascular Surgeons	1998-present
Society for Clinical Vascular Surgery	1999-present
Program Committee	2004,2005
Program Committee Chairman	2006
American Surgical Association	1999-present

EDITORIAL BOARD APPOINTMENTS:

International Vascular Surgery (Editorial Board)	1993-present
Yearbook of Vascular Surgery (Contributing Editor)	1996
Annals of Vascular Surgery (Editorial Board)	1997- present
Yearbook of Vascular Surgery (Contributing Editor)	1997
Journal of Vascular Surgery (Editorial Board) Distinguished Editor	1999-2006 2006 - present

RESEARCH SUPPORT:

Intraarterial Streptokinase in Experimental Thromboembolism \$76,000. Sponsor: Career Development Award, Veterans Administration Principal Investigator	1984-86
Extremity Ischemia: Methods and Consequences of Revascularization \$84,000. Sponsor: Merit Review Program, Veterans Administration Principal Investigator	1986-89
Orthotopic Liver Transplantation: The Donor Operation \$12,000. Sponsor: Donn Sigerson Foundation	1986
A Clinical Evaluation of a Collagen Coated Woven Dacron Arterial Graft When Utilized in Patients Undergoing Surgery for Reconstruction of the Arteries \$57,000. Sponsor: Meadox Medicals, Inc., Oakland, New Jersey Principal Investigator	1989-91
Intraoperative Urokinase - Experimental Evaluation of Methods of Infusion \$40,000. Sponsor: Abbott Labs Principal Investigator	1989-1991

RESEARCH SUPPORT (cont'd):

Extremity Ischemia: Methods and Consequences of Revascularization \$200,000. Sponsor: Merit Review Program, Veterans Administration Principal Investigator	1990-96
A Prospective, Randomized Trial of Surgery and Thrombolysis for Ischemia of the Lower Extremity (STILE) \$234,751. Sponsor: Genentech, Inc. Co-Investigator	1991-1994
Development of a Bifurcated Endovascular Grafting System for Repair of Abdominal Aortic Aneurysms Sponsor: EndoVascular Technologies Co-Investigator	1993-1996
Clinical Study of the EndoVascular Grafting System (EGS) for Treatment of Abdominal Aortic Aneurysm with Bifurcated Graft \$230,000 Sponsor: Guidant, Inc. Co-Principal Investigator	1996-2004
Isolated Limb Perfusion as a Means of Reducing Reperfusion Injury, Locally and Systemically \$80,000. Sponsor: American Heart Association Principal Investigator	1996-1998
Evaluation of Covered Stent-Grafts in the Swine Iliac Artery. \$10,000. Sponsor: Impra, Inc., A Division of C.R. Bard, Inc. Principal Investigator	1998-2000
Carotid Endarterectomy vs Stent trial NIH, Co-investigator	2004-present
Pivotal Small Aneurysm Trial Meadox Medical, Co-Investigator	2006 - present

COMMITTEE APPOINTMENTS

Patient Selection Committee, UCLA Liver Transplant Program	1983-1991
Program Chairman, Surgical Grand Rounds, UCLA Department of Surgery	1984-85
Associate Director, Intensive Care Unit (2-East) UCLA Medical Center	1984-87
Chairman, Basic Surgical Training Program Committee UCLA Medical Center	1985-1992
Chairman's Committee UCLA Department of Surgery	1986-87
Grant Reviewer V.A. Research and Development	1987-present
Internship and Residency Committee UCLA Department of Surgery	1987-1992
Medical Director, 7-West Nursing Unit UCLA Medical Center	1987-1991
Medical Director, 6-East/9-East ICU UCLA Medical Center	1988-1991
Local Program Committee Society of University Surgeons 1990 meeting	1989-1990
Member, UCLA Legislative Assembly	1989-present
Ethics Committee UCLA Medical Center	1989-1993
Acute Care Committee UCLA Medical Center	1989-1992
Member, UCLA Division of General Surgery, Medical Plaza Planning Committee	1989-1991
Chairman, School of Medicine Columbus Quincentenary Committee-1992, University of California, Los Angeles	1989-1992

COMMITTEE APPOINTMENTS (cont'd):

Residency Review Committee UCLA Medical Center	1990-1992
Committee on Education UCLA Department of Surgery	1991-1992
House Officer/Medical Center Liaison Committee UCLA Medical Center	1991-1992
Medical Risk Management Committee UCLA Medical Center	1991-1995
Quality Assurance Physician Coordinator Division of General Surgery, UCLA Medical Center	1992-1995
Peer Review Committee UCLA Medical Center	1992-1995
The Association of Program Directors in Vascular Surgery UCLA Representative	1993
Chairman, Committee on Ischemia Related Organ Dysfunction	1994
JCAHO Accreditation Survey Subcommittee UCLA Medical Center	1994-1995
Accreditation, Licensing and Policy Oversight Committee UCLA Medical Center	1995-1997
Clinical Advisory Board Guidant-Endovascular Technologies	1998-2003
General Surgery Education Committee	2004 – present
Department of Surgery Finance Committee Chairman – Hospital Cost Control	2005 – present 2007 – present
Physician Liaison Billing and Collections Vascular Division	2006 – present 2006 – present
Department of Surgery	2007 – present
Department of Surgery Executive committee	2006 - present
Value Analysis Committee	2007 - present

UCLA TEACHING:

Director, Basic Surgical Training Program	1985-1992
Director, 1st Year Residents' Surgical Workshop	1987-1991
Director, Surgical Stapling Workshop for General Surgery Residents	1990-1991

Research Supervisor - Minority High School Research Apprentice:

Maricela Campos	1990
Carlos Hernandez	1991
William Rodriguez	1992
Michelle Chang	1997

Research Supervisor - Minority High School Research Apprentice:

Ricardo Gutierrez	1998
Abiram Sridhar	2000-2004
Christina Thompson	2004

Clinical Preceptor - PreMedical Enrichment Program (4 weeks):

Candice Huang, Habiba Tunau, Penelope Velasco, Jesse Amarillas	1992
Stewart Rendon, Jeanine Gonzales, Michael Ortiz	1992
Kaochoy Saechao, Eduardo Villasenor, Jorge Alamada	1994.
Neil McClymont – August	1995
Gabriel Hernandez, Jeff Mungul, Sutana Manney	1996
Wen Fan	1998

Clinical Preceptor - UCLA Medical Student Interest Group (6 weeks):

Christing Wu	1997
Swetanshu Chaudhari	1997
Reza Raboudi	1998

Research Supervisor - Medical Students (12 weeks):

Than Nguyen, UCLA M.S. III	1987
Martin Back, UCLA M.S. III	1989
Kiarash Michel, Univ. of Washington M.S. II	1990

L Memsic, M.D., RW Busuttil, M.D., Ph.D., HI Machleder, M.D., WJ Quiñones-Baldrich, M.D., JD Baker, M.D., WS Moore, M.D. - Presented by Dr. Memsic at **The Southern California Vascular Surgical Society Annual Meeting**. Los Angeles, CA, September 26, 1984.
5. Intraoperative Fibrinolytic Therapy: Adjunct to Catheter Thromboembolectomy. WJ Quiñones-Baldrich, M.D., RE Zierler, M.D., J Hiatt, M.D. - Presented by Dr. Quiñones at **The Southern California Vascular Surgical Society Annual Meeting**. Los Angeles, CA, September 26, 1984.
6. Vascular Grafting Without Pre-Clotting. WJ Quiñones-Baldrich, M.D., S Ziomek, M.D., WS Moore, M.D. - Presented by Dr. Quiñones at the **Southern California Chapter of the American College of Surgeons Meeting**. Palm Springs, CA, January 17, 1986.
7. Thrombolytic Therapy in Venous Thrombosis and Thromboembolism. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **Controversies in General and Vascular Surgery**. Palm Springs, CA, March 26, 1986.
8. Staged vs. Simultaneous Femoropopliteal Reconstruction. WJ Quiñones-Baldrich, M.D., SS Ahn, M.D., JD Baker, M.D., HI Machleder, M.D., RW Busuttil, M.D., and WS Moore, M.D.- Presented by Dr. Quiñones to **The Southern California Vascular Surgical Society Annual Meeting**. Long Beach, CA, September 18, 1986
9. Pathology of Liver Transplantation. WJ Quiñones-Baldrich, M.D., and KJ Lewin, M.D. - Presented by Dr. Quiñones at the **UCLA Symposium on Liver Transplantation**. Los Angeles, CA, September 19-20, 1986.
10. Patency and Intimal Hyperplasia: The Effect of Aspirin on Small Arterial Anastomosis. WJ Quiñones-Baldrich, M.D., S Ziomek, M.D., T Henderson, A.A., and WS Moore, M.D. - Presented by Dr. Quiñones at the **Southern California Chapter, American College of Surgeons meeting**. Santa Barbara, CA, January 16, 1987.

SCIENTIFIC PRESENTATIONS – REGIONAL (con't):

11. Carotid Endarterectomy in the Asymptomatic Patient. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **Controversies in General and Vascular Surgery** sponsored by UCLA Extension. Palm Springs, CA, March 12, 1987.
12. The Preferential Use of PTFE Grafts for Femoral-Popliteal Bypass. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **Controversies in General and Vascular Surgery** sponsored by UCLA Extension. Palm Springs, CA, March 12, 1987.
13. Moderator - "Complications in Vascular Surgery" - at **Controversies in General and Vascular Surgery** sponsored by UCLA Extension. Palm Springs, CA, March 12, 1987
14. Inflow Failures of Grafts Originating in the Axillary Artery. WJ Quiñones-Baldrich, M.D., JA Freischlag, M.D., HI Machleder, M.D., RW Busuttill, M.D., and WS Moore, M.D. - Presented by Dr. Quiñones at the Sixth Annual Meeting of the **Southern California Vascular Surgical Society**. Lake Arrowhead, CA, September 13, 1987.
15. Extracranial Arterial Occlusive Disease: Diagnosis and Management. WJ Quiñones-Baldrich, M.D. - Presented by invitation, **Cardio '87**, Puerto Rico Heart Association. Palmas del Mar, Puerto Rico, October 9, 1987.
16. Ischemic Syndromes of the Visceral Branches of the Abdominal Aorta. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, **Cardio '87**, Puerto Rico Heart Association. Palmas del Mar, Puerto Rico, October 9, 1987.
17. Intraoperative Lytic Therapy - An Update. WJ Quiñones-Baldrich, M.D. - Presented at The Southern California Chapter of **The American College of Surgeons Annual Meeting**. Newport Beach, CA, January 23, 1988.
18. Is the Preferential Use of PTFE Grafts for Femoropopliteal Bypass Justified? WJ Quiñones-Baldrich, M.D., RW Busuttill, M.D., Ph.D., JD Baker, M.D., CL Vescera, R.N., SS Ahn, M.D., HI Machleder, M.D., and WS Moore, M.D. - Presented by Dr. Quiñones at The Third Annual Meeting of **The Western Vascular Society**. Monterey, CA, January 29-31, 1988.
19. Anatomy of Angioscopy Equipment. WJ Quiñones-Baldrich, M.D. - Presented at **The First Annual UCLA Program on Angioscopy**. Los Angeles, CA, April 30, 1988.
20. Invited Discussant of paper, "Intraarterial Urokinase Therapy for Acutely Ischemic Limbs", presented by Dr. Thomas McNamara et al. **Fourth Annual Meeting of The Western Vascular Society**. Kauai, Hawaii, January 20, 1989.

SCIENTIFIC PRESENTATIONS – REGIONAL (con't):

21. The Failing Femoral-Popliteal Bypass: Identification, Management, and Prevention. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **The 26th Annual Symposium: Controversies in General and Vascular Surgery**. Palm Springs, CA, March 1, 1989
22. Staged Infrainguinal Revascularization: A Valid Concept in Prolonging Limb Salvage? WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **The Combined Annual Meeting of the New York Society for Cardiovascular Surgery and the New York Regional Vascular Society**. New York City, New York, March 13, 1989.
23. Long-Term Results Following Surgical Management of Aortic Graft Infection. WJ Quiñones-Baldrich, M.D., JJ Hernandez, M.D., and WS Moore, M.D. - Presented by Dr. Quiñones at **The Fifth Annual Meeting of the Western Vascular Society**. Coronado Island, CA, January 28, 1990.
24. Abdominal Aortic Aneurysms with Horseshoe Kidney and Multiple Renal Arteries. WJ Quiñones-Baldrich, M.D. - Presented at **The Spring Meeting of the Southern California Vascular Surgical Society**. Los Angeles, CA, May 16, 1990.
25. Neonatal Aortic Thrombosis. MD Colburn, M.D., HA Gelabert, M.D., and WJ Quiñones-Baldrich, M.D. - Presented by Dr. Colburn at the **Ninth Annual Meeting of The Southern California Vascular Surgical Society**. Newport Beach, CA, September 22, 1990.
26. Direct Surgical Management of the Thrombosed Carotid Artery: A Ten Year Experience. WJ Quiñones-Baldrich, R deUcelay-Gomez, HA Gelabert, and WS Moore - Presented by Dr. Quiñones at the **Sixth Annual Meeting of The Western Vascular Society**. Rancho Mirage, CA, January 14, 1991.
27. Surgical Management of the Thrombosed Carotid Artery. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at the **South Florida Society for Vascular Surgery Winter Quarterly Meeting**. Miami, FL, January 19, 1991.
28. Long-Term Results of Infrainguinal Revascularization with Polytetrafluoroethylene (PTFE): A Ten-Year Experience. WJ Quiñones-Baldrich, AA Prego, R Ucelay-Gomez, JA Freischlag, SS Ahn, JD Baker, HI Machleder, WS Moore - Presented by Dr. Quiñones at the **62nd Annual Meeting of The Pacific Coast Surgical Association**. Pebble Beach, CA, February 19, 1991.

SCIENTIFIC PRESENTATIONS – REGIONAL (con't):

29. Visceral Ischemic Syndromes - Diagnosis and Treatment. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **UCLA Symposium: Controversial Areas in General and Vascular Surgery**. Palm Springs, CA, March 11, 1991.
30. Ischemia and Reperfusion - Theory and Practice. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **UCLA Symposium: Controversial Areas in General Surgery**. Palm Springs, CA, March 12, 1991.
31. Lower Extremity Revascularization in the 1990's. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **UCLA Symposium: Controversial Areas in General Surgery**. Palm Springs, CA, March 12, 1991.
32. Newest Developments in Distal Bypass Surgery for Limb Salvage. WJ Quiñones-Baldrich, M.D. – Presented, by invitation at the **Second Annual UCLA Symposium on Vascular Disease**. Ritz-Carlton Hotel, Marina del Rey, CA, May 11, 1991.
33. Very Distal Bypass for Salvage of the Severely Ischemic Extremity. WJ Quiñones-Baldrich, M.D., MD Colburn, M.D., SS Ahn, M.D., and WS Moore, M.D. Presented by Dr. Quiñones at the **Annual Fall Meeting of the Southern California Vascular Surgical Society**. Ritz-Carlton Hotel, Marina del Rey, CA, September 29, 1991.
34. Isolated Limb Perfusion With Extracorporeal Pump Increases Effectiveness of Lysis by Urokinase. WJ Quiñones-Baldrich, M.D., MD Colburn, M.D., HA Gelabert, M.D., L.T. Barcliff, R.R.T., and WS Moore, M.D. Presented by Dr. Quiñones at the **Seventh Annual Meeting of The Western Vascular Society**. The Four Seasons Hotel, Maui, Hawaii, January 13, 1992.
35. Management of Acute Infrainguinal Graft Thrombosis: Thrombectomy vs. Lytic Therapy. William J. Quiñones-Baldrich - Presented, by invitation, at the **UCLA Symposium: Controversial Areas in General Surgery**. Palm Springs, CA, April 2, 1992.
36. Evaluation of Patients with Lower Extremity Arterial Occlusive Disease: Indication for Intervention. Presented, by invitation, at **Vascular Diseases: A Primary Care Update**. Long Beach, CA, June 13, 1992.
37. Acute Deep Venous Thrombosis: Diagnosis, Management, and Prognosis. Presented, by invitation, at **Vascular Diseases: A Primary Care Update**. Long Beach, CA, June 14, 1992.

SCIENTIFIC PRESENTATIONS – REGIONAL (con't):

38. Discussant of Paper: "Thrombolytic Therapy in the Native Circulation" by AR Koslow. **Annual Fall Meeting of the Southern California Vascular Surgical Society.** Dana Point, CA, September 20, 1992.
39. Case presentation: "Intrathoracic Subclavian Aneurysm After Internal Mammary Coronary Bypass". Presented at the **Annual Fall Meeting of the Southern California Vascular Surgical Society.** Dana Point, CA, September 20, 1992.
40. Moderator of Panel Discussion on "Current and Future Approaches to Aortic Aneurysms", Vascular Surgery Program, **Annual Meeting of Southern California Chapter of the American College of Surgeons.** Santa Barbara, CA, January 24, 1993.
41. Failed PTFE Infrainguinal Graft: Thrombectomy Versus Thrombolytic Therapy. Presented at Vascular Surgery Program, **Annual Meeting of Southern California Chapter of the American College of Surgeons.** Santa Barbara, CA, January 24, 1993.
42. Perioperative Thrombolysis. Presented, by invitation, at **New Developments in the Treatment of Thromboembolic Disease: Investigators Update.** Newport Beach, CA, February 12, 1993.
43. Dysphagia Lusoria. Presented at the **Spring Meeting of the Southern California Vascular Society.** Los Angeles, CA, May 12, 1993.
44. External Carotid Endarterectomy. Presented, by invitation, at **The Fifteenth Annual Northern California Vascular Society Symposium.** San Francisco, CA, May 14, 1993.
45. Should the Saphenous Vein be Saved in the First Fem-Pop? Presented, by invitation, at **The Fifteenth Annual Northern California Vascular Society Symposium.** San Francisco, CA, May 14, 1993.
46. Intraoperative and Postoperative Fibrinolytic Therapy. Presented, by invitation, at the Vascular Surgery Section of the **Annual Meeting of the Northern California Chapter of the American College of Surgeons.** San Francisco, CA, May 15, 1993.
47. Endovascular Repair of Abdominal Aortic Aneurysms. Presented, by invitation, at the **Annual Scientific Session of the Asociación Puertorriqueña del Corazón.** San Juan, Puerto Rico, September 30, 1993.

SCIENTIFIC PRESENTATIONS – REGIONAL (con't):

48. Very Distal Lower Extremity Bypass for Severe Ischemia. Presented, by invitation, at the **Annual Scientific Session of the Asociación Puertorriqueña del Corazón**. San Juan, Puerto Rico, September 30, 1993.
49. Invited discussant of paper "Is Thrombolysis of Occluded Popliteal and Tibial Bypass Grafts Worthwhile?" by Craig D. Turner, B.S., et al. **Western Vascular Society Ninth Annual Meeting**. Santa Barbara, CA, January 12, 1994.
50. Endoluminal Aneurysm Repair at UCLA. Presented, by invitation, at Oregon Health Sciences University Continuing Medical Education Course, "General Surgery Postgraduate Course". Portland, OR, March 5, 1994.
51. Thrombolytic Therapy. Presented, by invitation, at Oregon Health Sciences University Continuing Medical Education Course, "General Surgery Postgraduate Course". Portland, OR, March 5, 1994.
52. Endovascular Abdominal Aortic Repair. Presented, by invitation, at the **Annual Fall Meeting of the Gulf Coast Vascular Surgical Society**. November 12, 1994.
53. Experience with the EVT Bifurcated Endovascular Aortic Prosthesis. Presented at the **Tenth Annual Meeting of the Western Vascular Society**. Phoenix, AZ, January 16, 1995.
54. Moderator, afternoon sessions, **Fifth Annual Winter Meeting of the Peripheral Vascular Surgery Society**. Breckenridge, CO, January 28, 1995.
55. Invited Discussant of paper "Prevalence of Asymptomatic Carotid Stenosis in Patients Undergoing Infrainguinal Bypass Surgery: A Cross Sectional Study" by Gentile AT, et al. **66th Annual Meeting of The Pacific Coast Surgical Association**. Seattle, WA, February 29, 1995.
56. Preferential Use of PTFE Graft for Femoropopliteal Reconstructions. Presented, by invitation, at the **UCLA Symposium: Controversial Areas in General Surgery**. Indian Wells, CA, March 20, 1995.
57. Endovascular Repair of Abdominal Aortic Aneurysms. Presented, by invitation, at the **8th Annual Meeting of the Florida Vascular Society**. Orlando, FL, April 28, 1995
58. Perioperative and Intraoperative Fibrinolytic Therapy. Presented, by invitation, at the **8th Annual Meeting of the Florida Vascular Society**. Orlando, FL April 29, 1995.

SCIENTIFIC PRESENTATIONS – REGIONAL (cont'd):

59. Invited discussant of paper “Endovascular Stent Infection: An Underappreciated Potential Catastrophe” by Ballard JL, at the **Annual Spring Meeting of the Southern California Vascular Surgical Society**. Los Angeles, CA, May 24, 1995.
60. Isolated Fibrinolytic Limb Perfusion With Extracorporeal Pump in the Management of Acute Ischemia. Presented at the **Eleventh Annual Meeting of The Western Vascular Society**. Dana Point, CA, January 22, 1996.
61. Salvaging the Unsalvageable Ischemic Extremity: Thrombolysis With Isolated Limb Perfusion. Presented, by invitation, at the Vascular Surgery Symposium of the **32nd Annual Controversial Areas in General Surgery**. Palm Springs, CA, March 21, 1996.
62. Bypass to the Foot. Presented, by invitation, at the 7th Annual Symposium: **Interventional Therapy for Vascular Disease**. Anaheim, CA, August 8, 1996.
63. Is Aorto-Bifemoral Graft Surgery Dead? Presented, by invitation, at the 7th Annual Symposium: **Interventional Therapy for Vascular Disease**. Anaheim, CA, August 8, 1996.
64. Rupture of the Perivisceral Aorta: Atherosclerotic Versus Mycotic Aneurysm. Presented at the **15th Annual Meeting of the Southern California Vascular Surgical Society**, Dana Point, CA, September 15-17, 1996.
65. The EndoVascular Technology’s Device and Experience. Presented by invitation, at the **Brooklyn Endovascular Training Symposium for Vascular Surgeons**, New York, NY, January 26, 1997.
66. Invited discussant of paper “Central Venous Catheter Failure is Induced by Mechanical Injury and Can be Prevented by Stabilizing the Catheter Tip” by Kohler TR, et al, at **12th Annual Meeting of the Western Vascular Society**, Lana’i, Hawaii, September 30, 1997.
67. Invited discussant of paper “Does Prior Regional Radiation Therapy Influence the Outcome of Carotid Reconstruction” by A Azakie, et al, at the **13th Annual Meeting of the Western Vascular Society**, Whistler, British Columbia, September 11, 1998.
68. Endovascular, Transperitoneal and Retroperitoneal Abdominal Aortic Aneurysm Repair: Results and Costs. Presented at the **13th Annual Meeting of the Western Vascular Society**, Whistler, British Columbia, September 12, 1998.

SCIENTIFIC PRESENTATIONS – REGIONAL (cont'd):

69. Distal Aortic Arch Replacement for Aneurysmal Disease: The Valve of Preparatory Carotid Subclavian Reconstruction. Presented at the **12th Annual Meeting of the Southern California Vascular Surgical Society**, La Costa, California, April 19 –21, 2002
70. Moderator - Morning and Afternoon Sessions - **The 12th Annual Meeting of the Southern California Vascular Surgical Society**, La Costa, California, April 19-21, 2002.
71. Invited discussant of paper “What Does It Really Cost – Endovascular vs. Open AAA Repair? by Messina L, et al, at the **17th Annual Meeting of the Western Vascular Society**, Newport Beach, CA September 22-25, 2002.
72. Invited discussant of paper “Thoracoabdominal Aneurysm Repair: The Value of a Standardized Approach in a Low Volume Experience by Ballard J, et al, at the **17th Annual Meeting of the Western Vascular Society**, Newport Beach, CA September 22-25, 2002
73. Moderator – Morning Session – Adjuncts to improve patency of Infrainguinal Prosthetic bypass. Presented at the **21th Annual Meeting of the Southern California Vascular Surgical Society**. La Costa, California, April 11 – 13, 2003
74. Atherosclerotic Risk Factors, the Role of Endovascular Therapy, and Outcomes of Younger vs. Older Women and Aortoiliac Occlusive Disease. Discussion by Invitation, at the **18th Annual Meeting Western Vascular Society**, Big Island, Hawaii, September 20 –23, 2003
75. Invited Discussant of paper “Abdominal Aortic Aneurysm: Stent Graft Versus Clinical Pathway for Direct Repair. David Rigberg, MD; Wesley Moore, MD; Amir Dorafshar, MD; William Quinones-Baldrich, MD; Samuel Ahn, MD; Hugh Gelabert, MD; Abiram Sridhar, MS. Presented by David Rigberg, MD et al, at The **Pacific Coast Surgical Association**. Waila, Hawaii, February 15, 2004
76. Renal Artery Aneurysm Secondary to Fibromuscular Dysplasia in a Young Patient. **22nd Annual Meeting of the Southern California Vascular Surgical Society**. La Jolla, CA, April 30- May 2, 2004
77. Complications After Endovascular Aneurysm Repair Using the Zenith Stent J Hiramoto MD, L Reilly MD, D Schneider MD, N Sivanurthy MD, J Rapp MD, T Chuter MD. Discussion by Invitation, William Quinones-Baldrich MD at the **21st Annual Meeting of the Western Vascular Society**. La Jolla, CA, September 16-19, 2005

SCIENTIFIC PRESENTATIONS – REGIONAL (cont'd):

78. Invited Discussant of paper “Short and Midterm Results with Minimally Invasive Endovascular Repair of Acute and Chronic Thoracic Aortic Pathology”
Katherine E. Brown, DO, Mark K. Eskandari, MD, Jon S. Matsumura, MD,
William H. Pearce, MD and Mark D. Morasch, MD at the **22nd Annual Meeting
of the Western Vascular Society**. Kohala Coast, Hawaii September 8-11, 2007
79. The Premier Annual Meeting for Vascular Health Professionals. Presented by
Society for Vascular Surgery. San Diego, California June 5-8, 2008
80. Combined Endovascular and Surgical (Hybrid) Approach to Thoracoabdominal
Aortic Pathology: A Ten-Year Experience. WJ Quiñones, MD, Juan Carlos
Jimenez, MD, Brian DeRubertis, MD, WS Moore at the **23rd Annual Meeting
of the Western Vascular Society**. Napa, California September 13-16, 2008
81. Asymptomatic Carotid Disease and Combined Endovascular and Surgical
Approaches to Thoracoabdominal Pathology. Presented, by invitation, **Current
Concepts in General Surgery 2009**. Albuquerque, New Mexico September 2-4
2009

SCIENTIFIC PRESENTATIONS - NATIONAL:

1. A Comparison of Porcine Orthotopic Liver Transplantation Using a Venous-
Venous Bypass With or Without a Nonpulsatile Perfusion Pump. L Memsic,
M.D., WJ Quiñones-Baldrich, M.D., R Kaufman, M.D., I Rasool, M.D., RW
Busuttil, M.D., Ph.D. - Presented by Dr. Memsic to **The Society of University
Surgeons 45th Annual Meeting**. Chicago, IL, 1984.
2. Intraoperative Fibrinolytic Therapy: An Adjunct to Catheter
Thromboembolectomy. WJ Quiñones-Baldrich, M.D., E Zierler, M.D., JC Hiatt,
M.D. - Presented by Dr. Quiñones to the **Association of V.A. Surgeons**. Marina
del Rey, CA, May 11, 1984.
3. Deleterious Effects of Vein Grafts in Carotid Subclavian Bypasses. S Ziomek,
M.D., WJ Quiñones-Baldrich, M.D., RW Busuttil, M.D., Ph.D., JD Baker, M.D.,
HI Machleder, M.D., WS Moore, M.D. - Presented by Dr. Quiñones at **The 10th
International Joint Conference on Stroke and Cerebral Circulation**. New
Orleans, LA, February 21-23, 1985.

SCIENTIFIC PRESENTATIONS – NATIONAL (con't):

4. Fibrinolytic Therapy in Arterial Occlusions. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **The 13th Annual Symposium on Vascular Surgery**. Rancho Mirage, CA, April 10-14, 1985.
5. Fibrinolytic Therapy in Vascular Disease. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **A Comprehensive Review in Vascular Surgery**. Santa Monica, CA, October 1, 1985.
6. Intraoperative Fibrinolytic Therapy: Experimental Evaluation. WJ Quiñones-Baldrich, M.D., S Ziomek, M.D., T Henderson, B.A., WS Moore, M.D. - Presented by Dr. Quiñones at **The 58th Annual Scientific Sessions of the American Heart Association**. Washington, D.C., November 12, 1985.
7. PTFE vs. Vein in Femoropopliteal Reconstruction. JW Quiñones-Baldrich, M.D. and J Bergan, M.D. - Presented, by invitation, at **Great Debates in Vascular Surgery**. Palm Springs, CA, March 26, 1986.
8. Primary Anastomotic Bonding in PTFE Grafts? WJ Quiñones-Baldrich, M.D., S Ziomek, M.D., T Henderson, B.A., and WS Moore, M.D. - Presented by Dr. Quiñones at **The Society for Vascular Surgery, International Society for Cardiovascular Surgery Joint Annual Meeting**. New Orleans, LA, June 11, 1986.
9. Fibrinolytic Therapy for Vascular Disease. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **The 4th Annual UCLA Symposium: A Comprehensive Review in Vascular Surgery**. Santa Monica, CA, October 7, 1986.
10. Moderator: Morning and Afternoon Sessions, **4th Annual UCLA Symposium: A Comprehensive Review in Vascular Surgery**. Santa Monica, CA, October 9, 1986.
11. Intraoperative Fibrinolytic Therapy as an Adjunct to Thromboembolectomy. WJ Quiñones-Baldrich, M.D. - Presented at **The Peripheral Vascular Surgery Postgraduate Course**, American College of Surgeons 72nd Annual Clinical Congress. New Orleans, LA, October 20, 1986.
12. Moderator - Morning and Afternoon Sessions - **A Comprehensive Review in Vascular Surgery** sponsored by UCLA Extension. Santa Monica, CA, September 19, 1987.

SCIENTIFIC PRESENTATIONS – NATIONAL (cont'd):

13. Thrombolytic Therapy for Vascular Disease. Presented, by invitation, at **A Comprehensive Review in Vascular Surgery** symposium sponsored by UCLA Extension. Santa Monica, CA, September 29, 1987.
14. Skeletal Muscle Function After Ischemia and Reperfusion. A Chervu, M.D., WJ Quiñones-Baldrich, M.D., and WS Moore, M.D. - Presented by Dr. Chervu at **The Society of University Surgeons 49th Annual Meeting**. San Antonio, TX, February 10-13, 1988.
15. Invited discussant of two papers: "Are Free Radical Scavengers Beneficial in the Treatment of Compartment Syndrome Following Acute Arterial Ischemia?" by Michael A. Ricci, M.D., et al, and "Treatment of Irretrievable Thrombus in the Acutely Ischemic Limb by Intraoperative Lytic Therapy" by F. Noel Parent, III, M.D., et al. **Society for Vascular Surgery/International Society for Cardiovascular Surgery Joint Meeting**. Chicago, IL, June 14, 1988
16. Intraoperative Lytic Therapy: An Alternative During Thromboembolectomy. WJ Quiñones- Baldrich, M.D. - Presented at **The Society for Vascular Surgery/International Society for Cardiovascular Surgery Joint Meeting, Breakfast Session**. Chicago, IL, June 14, 1988.
17. Thrombolytic Therapy for Vascular Disease. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **The Sixth Annual UCLA Symposium, A Comprehensive Review of Vascular Surgery**. Santa Monica, CA, October 4, 1988.
18. Moderator - Morning and Afternoon Sessions - **The Sixth Annual UCLA Symposium, A Comprehensive Review of Vascular Surgery**. Santa Monica, CA, October 5, 1988.
19. Vascular Graft Failure: Etiology, Diagnosis, and Management. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **The Sixth Annual UCLA Symposium, A Comprehensive Review of Vascular Surgery**. Santa Monica, CA, October 7, 1988.
20. Intraoperative Use of Urokinase: Technique and Case Results. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **The Role of Thrombolysis in Vascular Surgery** meeting. Chicago, IL, October 22, 1988.

SCIENTIFIC PRESENTATIONS – NATIONAL (cont'd):

21. Differential Recovery of Muscle and Nerve Function After Ischemia and Reperfusion. A Chervu, M.D., E Homsher, Ph.D., WS Moore, M.D., and WJ Quiñones-Baldrich, M.D. - Presented by Dr. Quiñones at **The Twenty-Second Annual Meeting of The Association for Academic Surgery**. Salt Lake City, UT, November 18, 1988.
22. Component Assembly of the Angioscope System and Description of Currently Available Angioscopes and System Components. Presented, by invitation, at **The First Annual UCLA Program on Endovascular Surgery**. Beverly Hills, CA, May 6, 1989.
23. The Use of Thrombolytic Agents as an Adjunct to Endovascular Surgery. Presented, by invitation, at **The First Annual UCLA Program on Endovascular Surgery**. Beverly Hills, CA, May 9, 1989.
24. Autogenous Tissue Reconstruction in the Management of Aorto-Iliofemoral Graft Infection. WJ Quiñones-Baldrich, M.D. and HA Gelabert, M.D. - Presented by Dr. Quiñones at **The 14th Annual Meeting of The Peripheral Vascular Surgery Society**. New York City, NY, June 17, 1989.
25. Thrombolytic Therapy for Vascular Disease. Presented, by invitation, at **The 7th Annual UCLA Symposium: A Comprehensive Review of Vascular Surgery**. Santa Monica, CA, October 3, 1989.
26. Vascular Graft Failure: Etiology, Diagnosis, and Management. WJ Quiñones-Baldrich, M.D. - Presented, by invitation, at **The 7th Annual UCLA Symposium, A Comprehensive Review of Vascular Surgery**, Santa Monica, CA, October 6, 1989.
27. Moderator - Morning and Afternoon Sessions - **The 7th Annual UCLA Symposium, A Comprehensive Review of Vascular Surgery**. Santa Monica, CA, October 6, 1989.
28. Skeletal Muscle Function After Ischemia: "No Reflow" Versus Reperfusion Injury. WJ Quiñones-Baldrich, M.D., A Chervu, M.D., JJ Hernandez, M.D., MD Colburn, M.D., and WS Moore, M.D. - Presented by Dr. Quiñones at **The 23rd Annual Meeting of The Association for Academic Surgery**. Louisville, KY, November 14, 1989.

SCIENTIFIC PRESENTATIONS – NATIONAL (cont'd):

29. Ischemia and Reperfusion - Method and Consequences of Revascularization. WJ Quiñones-Baldrich, M.D. - Presented at **The Society of University Surgeons Meeting**, Los Angeles, CA, December 18, 1989.
30. The Use of Fibrinolytic Agents as an Adjunct to Endovascular Surgery. Presented, by invitation, at **The Second Annual UCLA Program on Endovascular Surgery**. Los Angeles, CA, May 13, 1990
31. Component Assembly of the Vascular Endoscope System and Description of Currently Available Endoscopes and System Components. Presented, by invitation, at **The Second Annual UCLA Program on Endovascular Surgery**. Los Angeles, CA, May 15, 1990.
32. Failure of PTFE Infringuinal Revascularization: Patterns, Management Alternatives, and Outcome. Presented at **The 15th Annual Meeting of The Peripheral Vascular Surgery Society**. Los Angeles, CA, June 2, 1990.
33. Intraoperative Thrombolysis. Presented, by invitation, at **Interventional Techniques in Peripheral Vascular Disease**. Los Angeles, CA, June 14, 1990.
34. Moderator - Morning Session - **UCLA Symposium, A Comprehensive Course and Update of What's New in Vascular Surgery**. Santa Monica, CA, September 25, 1990.
35. Thrombolytic Therapy for Vascular Disease. Presented, by invitation, at the **UCLA Symposium, A Comprehensive Course and Update of What's New in Vascular Surgery**. Santa Monica, CA, September 25, 1990.

41. Intraoperative and Postoperative Use of Thrombolysis. Presented, by invitation, at the symposium **Thrombolytic Therapy in the Management of Vascular Disease.** Santa Monica, CA, October 5, 1991.
42. Moderator - Early morning session and afternoon session - **Thrombolytic Therapy in the Management of Vascular Disease.** Santa Monica, CA, October 5, 1991.
43. Development of a "Leak-Proof" Vascular Graft Using Collagen Impregnation. Presented, by invitation, at the **9th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery.** Santa Monica, CA, October 6, 1991.
44. Thrombolytic Therapy for Vascular Disease. Presented, by invitation, at the **9th Annual UCLA Symposium: A Comprehensive Review and Update of What is New in Vascular Surgery.** Santa Monica, CA, October 8, 1991.
45. Moderator - Afternoon sessions - **9th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery.** Santa Monica, CA, October 8, 1991.
46. Vascular Graft Failure: Etiology, Diagnosis and Management. Presented, by invitation, at the **9th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery.** Santa Monica, CA, October 11, 1991.
47. Standardization of Skeletal Muscle Ischemic Injury. Colburn MD, Quiñones-Baldrich WJ, Gelabert HA, Nowara H, and Moore WS. Presented by Dr. Quiñones at the **25th Annual Meeting of the Association for Academic Surgery.** Colorado Springs, CO, November 23, 1991.
48. Moderator - Morning session - **2nd Annual Winter Meeting of the Peripheral Vascular Surgery Society.** Breckenridge, CO, January 27, 1992.

SCIENTIFIC PRESENTATIONS – NATIONAL (cont'd):

49. Saphenous Vein When Available and Adequate, and PTFE When Not" by Joseph P. Archie, Jr., M.D. **40th Scientific Meeting of the North American Chapter of the International Society for Cardiovascular Surgery.** Chicago, IL, June 9, 1992.
50. Invited discussant of paper: "Regional Adenosine Prevents Post-Ischemic Spinal Cord Injury" by P. Scott Seibel, M.D., et al. Research Forum 1, at the **46th Annual Meeting of the Society for Vascular Surgery.** Chicago, IL, June 8, 1992.
51. Intraoperative and Postoperative Thrombolysis. Presented, by invitation, at **Thrombolytic Therapy in the Management of Vascular Disease.** Santa Monica, CA, September 12, 1992.
52. Chronic Venous Insufficiency. Presented, by invitation, at **Venous Symposium** (a satellite program of **A Comprehensive Review and Update of What's New in Vascular Surgery**). Santa Monica, CA, September 13, 1992.
53. Development of a "Leak-Proof" Vascular Graft using Collagen Impregnation. Presented, by invitation, at **Symposium on Vascular Grafting** (a satellite program of **A Comprehensive Review and Update of What's New in Vascular Surgery**). Santa Monica, CA, September 13, 1992.
54. Thrombolytic Therapy for Vascular Disease. Presented, by invitation, at the **Tenth Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery.** Santa Monica, CA, September 15, 1992.
55. Moderator for morning session of **Tenth Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery.** Santa Monica, CA, September 16, 1992.
56. Vascular Graft Failure: Etiology, Diagnosis, and Management. Presented, by invitation, at the **Tenth Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery.** Santa Monica, September 18, 1992.
57. The Polytetrafluoroethylene Graft for Infrainguinal Revascularization: Long-Term Results. Presented, by invitation, at the Northwestern University symposium **Long-Term Results in Vascular Surgery.** Chicago, IL, December 11, 1992.

SCIENTIFIC PRESENTATIONS – NATIONAL (cont'd):

58. Very Distal Bypass for Salvage of the Severely Ischemic Extremity. Quiñones-Baldrich WJ, Colburn MD, Ahn SS, Gelabert HA, and Moore WS. Presented by Dr. Quiñones at the **21st Annual Symposium on Vascular Surgery of the Society for Clinical Vascular Surgery**. Palm Desert, CA, March 24, 1993.
59. Moderator - Afternoon Session - **The 18th Annual Meeting of the Peripheral Vascular Surgery Society**. Washington, D.C., June 6, 1993.
60. Thrombolytic Therapy for Vascular Disease. Presented, by invitation, at the **Eleventh Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery**. Santa Monica, CA, October 5, 1993.
61. Moderator for morning session of **Eleventh Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery**. Santa Monica, CA, October 6, 1993.
62. Vascular Graft Failure: Etiology, Diagnosis, and Management. Presented, by invitation, at the **Eleventh Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery**. Santa Monica, CA, October 8, 1993.
63. Intraoperative and Postoperative Fibrinolytic Therapy. Presented, by invitation, at the postgraduate course entitled "**Peripheral Vascular Surgery**", held during the **1993 Clinical Congress of the American College of Surgeons**. San Francisco, CA, October 11, 1993.
64. Moderator for Paper Sessions I and III of **19th Annual Meeting of the Peripheral Vascular Surgery Society**. Seattle, WA, June 5, 1994.
65. Invited discussant of paper "Surgical Management of Dialysis-Dependent Ischemic Nephropathy" by Hansen KJ, et al, at **42nd Annual Scientific Meeting of The International Society for Cardiovascular Surgery, North American Chapter**. Seattle, WA, June 6, 1994.
66. Invited discussant of paper "The Natural History of 50-79% Internal Carotid Artery Stenosis in Symptomatic and Asymptomatic Patients" by Mansour MA, et al, at the **48th Annual Meeting of The Society for Vascular Surgery**. Seattle, WA, June 8, 1994.
67. Intraoperative Lytic Therapy. Presented, by invitation, at the **UCLA-Abbott Symposium on Thrombolytic Therapy**. Santa Monica, CA, October 1, 1994.

SCIENTIFIC PRESENTATIONS – NATIONAL (cont'd):

68. Thrombolytic Therapy for Vascular Disease. Presented, by invitation, at the **Twelfth Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery.** Santa Monica, CA, October 5, 1994.
69. Moderator for morning session of **Twelfth Annual UCLA Symposium: A Comprehensive Review and Update of What is New in Vascular Surgery.** Santa Monica, CA, October 5, 1994.
70. Vascular Graft Failure: Etiology, Diagnosis, and Management. Presented, by invitation, at the **Twelfth Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery.** Santa Monica, CA, October 7, 1994.
71. Moderator, Session I, **20th Annual Meeting of the Peripheral Vascular Surgery Society.** New Orleans, LA, June 10, 1995.
72. Invited discussant of paper “PTFE Bypasses to Infrapopliteal Arteries Without Cuff or Patches: A Better Option Than Amputation in Patients Without Autologous Vein” by Parsons E, et al, at the **Annual Meeting of the International Society for Cardiovascular Surgeons, North American Chapter.** New Orleans, LA, June 13, 1995.
73. Perioperative Thrombolysis. Presented, by invitation, at the UCLA Symposium: **Thrombolytic Therapy in the Management of Vascular Disease.** Santa Monica, CA, October 5, 1995.
74. Moderator of afternoon session of **13th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery.** Santa Monica, CA, October 9, 1995.
75. Thrombolytic Therapy for Vascular Disease. Presented, by invitation, at the **13th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery.** Santa Monica, CA, October 10, 1995.
76. Role and Future of Endovascular Aortic Reconstruction. Presented, by invitation, at the Vascular Surgery Postgraduate Course of **the 24th Annual Spring Meeting of the American College of Surgeons.** New York, NY, April 16, 1996.
77. Invited Faculty for the **International Society for Clinical Vascular Surgery/Society for Vascular Surgery Endovascular Surgery Workshop.** Chicago, IL, June 7-8, 1996.

SCIENTIFIC PRESENTATIONS – NATIONAL (cont'd):

78. Intraoperative Adjuncts in the Management of Peripheral Arterial Occlusive Disease. Presented, by invitation, at **The 1996 American College of Surgeons Post Graduate Course in Vascular Surgery**. San Francisco, CA, October 7, 1996.
79. Peri- and Intra-operative Thrombolysis. Presented, by invitation, at the UCLA symposium **Thrombolytic Therapy in the Management of Vascular Disease**. Santa Monica, CA, October 12, 1996.
80. The EVT Bifurcation Graft System. Presented, by invitation, at the UCLA Symposium **Endovascular Grafting for Repair of Abdominal Aortic Aneurysm**. Santa Monica, CA, October 13, 1996.
81. Acute Arterial and Graft Occlusion. Presented, by invitation, at the **14th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery**. Santa Monica, CA, October 14, 1996.
82. Moderator of afternoon session of **14th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery**, Santa Monica, CA, October 14, 1996.
83. Thrombolytic Therapy for Vascular Disease. Presented, by invitation, at the **14th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery**. Santa Monica, CA, October 15, 1996.
84. The EndoVascular Technologies Device and Experience. Presented, by invitation, at the **Brooklyn Endovascular Symposium for Vascular Surgeons**, Marriott World Trade Center, New York, NY, January 26, 1997.
85. Invited faculty for **Brooklyn Endovascular Symposium for Vascular Surgeons** hands-on workshops at SUNY Health Sciences Center, Brooklyn, NY, January 27, 1997.
86. Invited faculty for **North American Chapter, International Society for Cardiovascular Surgery 2nd Annual Endovascular Workshop**. Boston, MA, June 5-6, 1997.
87. Peri- and Intraoperative Thrombolysis. Presented, by invitation, at the symposium **Thrombolytic Therapy in the Management of Vascular Surgery**. Santa Monica, CA, October 4, 1997
88. Invited moderator afternoon session, **The 15th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery**. Santa Monica, CA, October 6, 1997.

SCIENTIFIC PRESENTATIONS – NATIONAL (cont'd):

89. Thrombolytic Therapy for Vascular Disease. Presented, by invitation, at **The 15th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery**. Santa Monica, CA, October 7, 1997.
90. Acute Arterial and Graft Occlusion. Presented, by invitation, at **The 15th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery**. Santa Monica, CA October 7, 1997.
91. Moderator for morning session, **Vascular Surgery Postgraduate Course, 26th Annual Spring Meeting of The American College of Surgeons**. Baltimore, MD April 28, 1998
92. Invited Discussant of Dr. James May's paper entitled "Adverse Events Following Endoluminal Repair of Abdominal Aortic Aneurysms". **52nd Annual Meeting of The Society for Vascular Surgery**. San Diego, CA, June 9, 1998.
93. Invited Faculty, **Society for Vascular Surgery/North American Chapter of International Society for Cardiovascular Surgery 3rd Annual Endovascular Surgery Workshop**. San Diego, CA, June 10-12, 1998.
94. Perioperative and Intraoperative Thrombolysis. Presented by invitation at the UCLA symposium **Thrombolytic Therapy in the Management of Vascular Disease**. Santa Monica, CA, October 3, 1998.
95. Invited moderator for morning session at **The 16th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery**. Santa Monica, CA, October 6, 1998.
96. Invited moderator for morning session at **The 16th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery**. Santa Monica, CA, October 8, 1998.
97. Acute Arterial and Graft Occlusion. Presented by invitation at **The 16th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery**. Santa Monica, CA, October 9, 1998.
98. Abdominal Aortic Aneurysm: A Six-Year Comparison of Endovascular versus Transabdominal Repair. Presented by invitation at **The 119th Annual Meeting of the American Surgical Association**. San Diego, CA. April 15-19, 1999.
99. Invited moderator for morning session at **The 17th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular Surgery**. Santa Monica, CA. October 1999

125. Acute Arterial and Graft Occlusion. Presented by invitation, at the **25th Annual UCLA Symposium: A comprehensive Review and Update of What's New in Vascular and Endovascular Surgery**. Beverly Hills, CA October 4, 2007
126. Balloon Occlusion And Other Technique To Facilitate Open Conversion For Failed Endografts. Presented by invitation to the **35th Annual Veith Symposium** New York, NY November 23, 2008
127. Invited Moderator for the **Society for Clinical Vascular Surgery's 37th Annual Symposium, Gore & Associates**: Evening of Clinical Discussion On Anterior Spine Access And Revision. Fort Lauderdale, FL March 18, 2009
128. Invited moderator for the afternoon session at the **26th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular and Endovascular Surgery**. September 4, 2009
129. Acute Arterial and Graft Occlusive. Presented, by invitation, at the **26th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular and Endovascular Surgery**. September 6, 2009

SCIENTIFIC PRESENTATIONS – NATIONAL (cont'd):

130. Tips And tricks For Doing Hybrid Procedures for Thoracoabdominal Aneurysms Successfully And With Less Morbidity and Useful Techniques for Endovascular Aortic Aneurysm Repair at the **Latin Endovascular Veith Symposium, November 18-21, 2009 New York**
131. Combined Laraposcopic and Endovascular Treatment vs. Open Celiac Ganglionectomy in Patients with Median Arcuate Ligament Syndrome – A Ten Year Review. Presented by Invitation at the **38th Society for Clinical Vascular Surgery Annual Symposium. April 7-10, 2010**
132. Invited moderator for **UCSF Vascular Symposium 2010**, San Francisco, CA, April 15, 2010.
133. Techniques to Facilitate Exposure for Spine Surgery. Presented, by Invitation, at the **UCSF Vascular Symposium 2010**. April 15, 2010
134. The Hybrid Approach to Thoracoabdominal Aortic Aneurysm. Presented by Invitation at the **28th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular and Endovascular Surgery. September 13-16, 2010**
135. Moderator: Afternoon Session at the **28th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular and Endovascular Surgery. September 13-16, 2010.**
136. Component Bifurcated Iliac Graft for Preservation of The Internal Iliac Artery During EVAR and Leaving A Temporary Catheter in the AAA Sac after EVAR Permits Diagnosis and Treatment of Type I and II Endoleaks and Tips and Tricks For Anterior Lumbar Spine Exposure. Presented by Invitation at the **37th Annual Veith Symposium. November 17-21, 2010**
137. The Hybrid Approach to Thoracoabdominal Aortic Aneurysm. Presented by Invitation at the **29th Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular and Endovascular Surgery.** September 2011
138. Inferior Vena Cava and Reconstruction for Retroperitoneal Tumor Excision. Presented by Invitation at **the 26th Annual Western Vascular Society Meeting September 17-20, 2011**
139. Invited discussant of paper “Branched Thoracoabdominal Aortic Aneurysm Repair: Efficacy and Durability of the Caudally-Directed Cuff Technique” By L Reilly, et al, at the **26th Annual Western Vascular Society Meeting.**

SCIENTIFIC PRESENTATIONS – NATIONAL (cont'd):

140. Techniques for Management of the Difficult Aortic Neck in EVAR and Case Presentations and Panel: Complex Aortic Disease. Presented, by invitation, at **The Fifteenth Annual Max R. Gasper Vascular Disease Symposium**. Los Angeles, CA. September 22, 2011
141. Tips and Tricks for Performing Abdominal Debranching Safely And Safely and Effectively With Low Morbidity and Mortality and Tips and Tricks For Major IVC Resection For Excision of Large Tumors. Presented, by Invitation, at the **38th Annual Veith Symposium**. New York, New York. **November 16-10 2011**.
142. Duodenal De-Rotation for SMA Compression of the Duodenum: When and How To Do It And Aortic Arch Debranching Is Not A Simple Procedure: tip and Trick Doing It Right. Presented by Invitation, at the **40th Annual VEITH Symposium**. New York, New York. **November 19-23, 2013**

SCIENTIFIC PRESENTATIONS - INTERNATIONAL:

1. Intraoperative Thrombolysis. Presented, by invitation, at **Medical and Surgical Treatment of Peripheral Vascular Disease**, Vancouver, British Columbia, Canada, August 11-14, 1988.
2. The Role of Fibrinolysis During Reperfusion of Ischemic Skeletal Muscle. Presented, by invitation, at **Ischemia/Reperfusion Injury in Skeletal Muscle**. Toronto, Ontario, Canada, September 10, 1989.
3. Aplicaciones Percutaneas e Intraoperatorias de Trombolisis: Estado Actual. Presented, by invitation, at **Avances y Controversias en Cirugia Vascular Encuentro Hispano - Americano I**. Bal Harbour, FL, May 31, 1991.
4. Seleccin del Mejor Tipo de Injerto, Venoso o Protesico, Para el Bypass Femoropopliteo Arriba de la Rodilla. Presented, by invitation, at **Avances y Controversias en Cirugia Vascular Encuentro Hispano - Americano I**. Bal Harbour, FL, June 1, 1991.
5. Endarterectomy of the External Carotid Artery. Presented, by invitation, at **Ibersalud '92 Euro-American Health Science Meeting**. Madrid, Spain, April 22, 1992.

6. Long-Term Results of Femoral-Popliteal Bypass With PTFE. Presented, by invitation, at **Ibersalud '92 Euro-American Health Science Meeting**. Madrid, Spain, April 24, 1992.

SCIENTIFIC PRESENTATIONS – INTERNATIONAL (cont'd):

7. Intraoperative Fibrinolysis: Indications and Techniques. Presented, by invitation, at **Symposium Internacional de Patologia Vascular**. Toledo, Spain, April 23, 1993.
