California law requires certain people to report known or suspected child abuse or neglect. You have been identified as one of those people – a “mandated reporter.” A summary of mandated reporter categories is provided at Appendix 1. Relevant provisions of the Child Abuse and Neglect Reporting Act (CANRA) are provided in Appendix 2. The complete statute can be found online at http://www.leginfo.ca.gov/cgi-bin/displaycode?section=pen&group=11001-12000&file=11164-11174.3.

The reporter must contact a designated agency immediately or as soon as practically possible by telephone, and must prepare and send a written report within 36 hours of receiving the information concerning the incident. [CANRA § 11165.6]

ABUSE THAT MUST BE REPORTED

- Unlawful corporal punishment or injury willfully inflicted on a child and resulting in a traumatic condition. [CANRA § 11165.4]

WHERE TO CALL IN AND SEND THE WRITTEN ABUSE REPORT
Reports of suspected child abuse or neglect must be made to any police department or sheriff's department (not including a school district police or security department), county probation department (if designated by the county to receive mandated reports), or county welfare department. [CANRA § 11165.9] Campus Police accept reports. The written report must include the information described in CANRA § 11167(a) and may be submitted on form SS 8572, available online at http://ag.ca.gov/childabuse/pdf/ss_8572.pdf. In addition, an internal report must be made to your supervisor or to the University Compliance Hotline. This internal report may be made anonymously.

(c) Employers are strongly encouraged to provide their employees who are mandated reporters with training in the duties imposed by this article. This training shall include training in child abuse and neglect identification and training in child abuse and neglect reporting. practicably possible, by fax or electronic transmission, make a one-time automated written report on the form prescribed by the Department of Justice.

(2) The agency shall be notified and a report shall be prepared and sent, faxed, or electronically transmitted even if the child has expired, regardless of
child abuse or neglect; any "reasonable suspicion" is sufficient. For the purpose of this article, the pregnancy of a minor does not, in and of itself,
neglect. "Reasonable suspicion" does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of
whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.

and shall also be available to respond to a telephone followup call by the agency with which he or she filed the report. A mandated reporter who files a
one-time automated written report because he or she was unable to submit an initial report by telephone is not required to submit a written followup
report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason
(4) On the inoperative date of these provisions, a report shall be submitted to the counties and the Legislature by the Department of Social Services
stakeholders to modify reporting forms and the CWS/CMS as is necessary to accommodate the changes enacted by these provisions.

(2) This subdivision shall not become operative until the CWS/CMS is updated to capture the information prescribed in this subdivision.

(3) This subdivision shall become operative three years after this subdivision becomes operative or on January 1, 2009, whichever occurs first.

(4) On the inoperative date of these provisions, a report shall be submitted to the counties and the Legislature by the Department of Social Services
that reflects the data collected from automated one-time reports indicating the reasons stated as to why the automated one-time report was filed in lieu
of the initial telephone report.

(5) Nothing in this section shall supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that agencies
specified in Section 11165.9 accept reports from mandated reporters and other persons as required.

(c) Any mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty
of a misdemeanor, punishable by up to six months confinement in a county jail or by a fine of one thousand dollars ($1,000) or by both that imprisonment
and fine. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe
neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.

(d) (1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject
to subdivision (a). For the purposes of this subdivision, "penitential communication" means a communication, intended to be in confidence, including, but
not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or
organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of his or her church,
denomination, or organization, has a duty to keep those communications secret.

(2) Nothing in this subdivision shall be construed to modify or limit a clergy member's duty to report known or suspected child abuse or neglect when
the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.

(3) (A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section
11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in his or her professional capacity or within
the scope of his or her employment, had knowledge of or a reasonable suspicion that a child had been the victim of sexual abuse that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an
agency specified in Section 11165.9.

The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.

(B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is
made.

(C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report
is made after the victim has reached the age of majority.

(e) Any commercial film and photographic print processor who has knowledge of or observes, within the scope of his or her professional capacity or
employment, any film, photograph, videotape, negative, or slide depicting a child under the age of 16 years engaged in an act of sexual conduct, shall
report the instance of suspected child abuse to the law enforcement agency having jurisdiction over the case immediately, or as soon as practicably
possible, by telephone and shall prepare and send, fax, or electronically transmit a written report of it with a copy of the film, photograph, videotape,
negative, or slide attached within 36 hours of receiving the information concerning the incident. As used in this subdivision, "sexual conduct" means any of
the following:

between humans and animals.
(2) Penetration of the vagina or rectum by any object.
(3) Masturbation for the purpose of sexual stimulation of the viewer.
(4) Sadomasochistic abuse for the purpose of sexual stimulation of the viewer.
(5) Exhibition of the genitals, pubic, or rectal areas of any person for the purpose of sexual stimulation of the viewer.

(f) Any mandated reporter who knows or reasonably suspects that the home or institution in which a child resides is unsuitable for the child because of
abuse or neglect of the child shall bring the condition to the attention of the agency to which, and at the same time as, he or she makes a report of the
abuse or neglect pursuant to subdivision (a).

(g) Any other person who has knowledge of or observes a child whom he or she knows or reasonably suspects has been a victim of child abuse or
neglect may report the known or suspected instance of child abuse or neglect to an agency specified in Section 11165.9. For purposes of this section,
“any other person” includes a mandated reporter who acts in his or her private capacity and not in his or her professional capacity or within the scope of his or her employment.

(h) When two or more persons, who are required to report, jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(i) (1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article.

(2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose his or her identity to the employer.

(3) Reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.

(j) A county probation or welfare department shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the agency responsible for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney's office every known or suspected instance of child abuse or neglect, as defined in Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child which relates solely to the inability of the parent to provide the child with regular care due to the parent's substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

(k) A law enforcement agency shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the agency responsible for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney's office every known or suspected instance of child abuse or neglect reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall be reported only to the county welfare or probation department. A law enforcement agency shall report to the county welfare or probation department every known or suspected instance of child abuse or neglect reported to it which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

11167. (a) Reports of suspected child abuse or neglect pursuant to Section 11166 or Section 11166.05 shall include the name, business address, and telephone number of the mandated reporter; the capacity that makes the person a mandated reporter; and the information that gave rise to the reasonable suspicion of child abuse or neglect and the source or sources of that information. If a report is made, the following information, if known, shall also be included in the report: the child's name, the child's address, present location, and, if applicable, school, grade, and class; the names, addresses, and telephone numbers of the child's parents or guardians; and the name, address, telephone number, and other relevant personal information about the person or persons who might have abused or neglected the child. The mandated reporter shall make a report even if some of this information is not known or is uncertain to him or her.

(b) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose his or her identity to the employer.

(c) Information relevant to the incident of child abuse or neglect and information relevant to a report made pursuant to Section 11166.05 may be given to an investigator from an agency that is investigating the known or suspected case of child abuse or neglect.

(d) (1) The identity of all persons who report under this article shall be confidential and disclosed only among agencies receiving or investigating mandated reports, to the prosecutor in a criminal prosecution or in an action initiated under Section 602 of the Welfare and Institutions Code arising from alleged child abuse, or to counsel appointed pursuant to subdivision (c) of Section 317 of the Welfare and Institutions Code, or to the county counsel or prosecutor in a proceeding under Part 4 (commencing with Section 7800) of Division 12 of the Family Code or Section 300 of the Welfare and Institutions Code, or to a licensing agency when abuse or neglect in out-of-home care is reasonably suspected, or when those persons waive confidentiality, or by court order.

(2) No agency or person listed in this subdivision shall disclose the identity of any person who reports under this article to that person's employer, except with the employee's consent or by court order.

(e) Notwithstanding the confidentiality requirements of this section, a representative of a child protective services agency performing an investigation that results from a report of suspected child abuse or neglect made pursuant to Section 11166 or Section 11166.05, at the time of the initial contact with the individual who is subject to the investigation, shall advise the individual of the complaints or allegations against him or her, in a manner that is consistent with laws protecting the identity of the reporter under this article.

(f) Persons who may report pursuant to subdivision (g) of Section 11166 are not required to include their names.
